## PRESIDENT'S REPORT

Gentlemen,

It gives me a great deal of pleasure to submit this Report for your consideration after completing my second year in office as President.

I would like to make special mention of our Secretary in PETER PUSTKU CHEN, who has worked magnificently again this year, and as a result our Association has operated effectively and efficiently at all stages through the past year. Thank you Peter for a job well done.

To our Treasurer in BRUCE WILLIAMS a special mention for his ability to handle our financial affairs in a smooth and professional manner at all times and his assistance as a Committee man has been invaluable.

One gentleman has added his contribution to our Association though I was behind the scene, and I refer to CLIVE HILLS, whose experience as a Past President has enabled him to assist myself and the rest of the Management Committee in no small manner. I refer to the deputation and our meeting with the Board of Management of the W.A.N.F.L. through last season, the details of which are submitted in the Secretary's Report. Thank you Clive the effort has been one of note.

To the Management Committee members a special "thank you" for a job well done in regards to the smooth running of the Association's affairs and for the way the problems were accepted and handled in a most efficient manner. It has been due to this fact that the Association now enjoys a more harmonious relationship with the W.A.N.F.L., something that has taken some considerable time to achieve, and for this I am truly grateful. Part of this has been due to the co-operation of MR. PETER BOWLER, the General Manager of the W.A.N.F.L., for the way he has endeavoured to assist us with our problems and this has led the way to our meetings with the Board of Management. This has enabled us to present our problems which has led to a better understanding between our Management Committee and the W.A.N.F.L.

The highlight of the season no doubt was the tour to the Eastern State at the end of last season. I was one of the fortunate members who could make the trip and am pleased to report that the entire party were a credit to the Association and were worthy representatives of our State.

It can be said that the tour would not have been a reality but for the effort of one member, who through his planning and organisation, it did not only materialise, but was an outstanding success, and I refer to LANCE PERKINS.

I feel without him as Trip Manager it may never have been achieved, but his persistence, management and organisation was something just short of fantastic and I know I speak for all members of the touring party when I say we all owe this gentleman a vote of thanks. Congratulations on a job well done and also to the other members of your hard working organising committee.

I would like to take this opportunity to welcome the new members as well as the old to the start of another season and hope and trust you enjoy and achieve your aims in the season ahead.

Congratulations go to the members of our Association who so ably represented us on Grand Final Day and performed to the standard set by others before them and I refer to:

L. JOHNSTON (Field Umpire)  
J. DEVINE, P. BRUCE (Boundary Umpires)  
R. HARTLAND, B. COLLETT (Goal Umpires).

In closing I would like to wish the incoming Committee every success and hope they continue the work and organisation to the standard set this year by the very efficient and hard working Committee of 1971.

—R. A. WHITFIELD, President.

## SECRETARY'S REPORT

Gentlemen,

So we turn our thoughts to a new season, and may I open my report by firstly congratulating all Umpires on their appointment to the W.A.N.F.L. Umpires Panel for 1972. Once again we welcome many old hands back to the fray for another year. A special welcome to all new members, who are joining our ranks for the very first time. May the year be for one and all, successful, rewarding and enjoyable. May I say your achievements in the umpiring field will be governed by what you put into it yourself; the same as in any walk of life.

Let me now turn to 1971; and in this respect, I submit for your information my Report.

### INTERSTATE TRIP:

Without a doubt our Association reached its highest pinnacle, thus far, from our social side with this wonderful trip. A group that got together within our ranks and spent a tireless 18 months working, organizing and planning, must be really proud of their achievements. May I take this opportunity to sincerely congratulate the Tour Committee—Lance Perkins, Dick Stubberfield, Ray Whitfield, Kevin Moralee, Bob Anderson, John Fuhrmann and Ross Capes—for their efforts. I'm sure there are many other names that could be recorded here, but their satisfaction is no doubt rewarded when they look back on the success of the trip.

The 37 members who finally made the trip proved fine ambassadors for our Association and Western Australia in their sojourn through the Eastern parts. To be able to record with pleasure the success of this trip, I'm sure will give your Committee the confidence to plan and arrange functions, knowing well that they will receive the support of the members on future occasions.

Not all of us were in the position to take off on this trip, but to those fellows, especially those who supported the tour functions organized for fundraising purposes, may I thank you personally for your support; in respect that this assistance, regardless of how small, helped other members to put our Association to the forefront.

In closing, may I say how proud I was to be in office, while such an energetic band of workers put their heart into such a big project, and achieved such a fantastic result. Congratulations Fellas.

(Apologies to Lance Perkins if I've stolen your thunder, but I felt that these few comments were very essential. The trip Report appears on page 11.

### MANAGEMENT COMMITTEE:

Once again it has been my privilege to have the guiding council of a very fine group of Committeemen and this must surely reflect back on you the Members who elected them to office 12 months ago tonight. Your wisdom has undoubtedly reflected on the success of the past year.

Ray Whitfield has again led us, and guided us through some good time and tough times. The past year was not without its moments, and to Ray's credit, he has taken everything within his stride for the benefit of the Association. Once again, to Gloria, Ray's charming wife, thank you for the understanding and personal sacrifices you have no doubt endured through the past season.

It is with pleasure I record my personal, and I'm sure all Members appreciation of the efforts of Bruce Williams, our Treasurer. Bruce, with his meticulous respect for accuracy, his conscientious approach to all duties (beyond the realms of finance) have enabled him to set a very high standard for all the members of our Association to follow. May I record my personal thank for his assistance and guidance through our troubled hours.

Our Committee Meetings have once again been most productive, and our gains achieved must have been surely a benefit to all our Members. This enthusiastic and zealous group of Committeemen—John Devine, Kevin Moralee, Max Hale, Terry Neilson, and Des Hinton—have always held you, the Members at heart, and I record my appreciation of their services for the Association.

### UMPIRES BOARD:

In 1971, like every year preceding, has resulted in our Members having mixed feelings towards the Umpires Board. Once again I can only repeat—"The Board, just as an Umpire, has a thankless and unenviable task."

This season, the W.A.N.F.L. in their wisdom have seen fit to alter the set up of the Umpires Board. With three voting members and six non voting observers—our Association will be eagerly awaiting the Board's findings. The success of the new Board is yet to be proved—we sincerely hope that it will solve some of the problems—but no matter how good or how wise the Board personnel are, there will always be the disappointments.

#### UMPIRES' ADVISER:

It is with great pleasure that we once again welcome George Meiers as our Umpires' Adviser for a further season. George's devotion and dedication to Umpires and Umpiring are the finest attributes to a man game enough to tackle such a difficult assignment. His understanding of both playing and umpiring football, and his conscientious approach have made him a popular personality in umpiring circles. This season, we note that George has been elevated in status and has become one of the "Big Three" on the Umpires Board, I feel certain a step in the right direction. To you, George, our very best wishes for a happy, successful and enjoyable season.

Last season we bade farewell to George's very worthy assistant in Frank Pimm. Frank's ready assistance and guidance were well received, and even though a busy man, he always made time available to offer help and assistance to old and young umpires alike.

This year we note the appointment of a Country Umpires' Adviser, and in this respect, we make a special welcome and congratulations to one of our own Umpires in Ray Scott. With Ray taking an active part in umpiring, and travelling to Country Districts, he will be able to establish first hand the needs of our Country friends. Best wishes go to Ray in his new position.

#### COUNTRY FOOTBALL:

Another season has passed, and once again we have continued to serve most Country Leagues and Associations. As usual (unfortunately), we again experienced a number of small incidents, which should never have occurred had our Umpires obeyed instructions. Thus I make a personal plea, that we endeavour to make our travel arrangements, pick up points clear and precise. Common sense by the car driver should ensure a safe trip for his passengers—thus let us keep our safety record.

Your Association has notified the W.A.N.F.L. that we will be only serving Country Leagues and Associations, which provide an adequate Workers Compensation cover this season. As far as I can ascertain, most Country Districts bought this scheme into operation in 1971.

A number of incidents in one Country League saw your Association take swift and positive action, to the extent of threatening to withdraw Umpires from officiating at their matches. An eleventh hour guarantee of our requests being honoured, resulted in a remarkable transformation of relationships towards Umpires—something which I'm happy to say, continued for the remainder of the season.

A recommendation I would like to put to the incoming Committee, is an urgent need for a revision of Country Umpiring Fees for the 1973 season, especially in respect to the increases being applied in the outer Metropolitan Leagues and Associations.

#### LIFE MEMBERS:

The recommendations of your Committee will be dealt with later this evening.

Up, Up and away  
with **TAA**

Be on the Ball  
**Fly TAA** the friendly way

#### FINANCE:

Our balance sheet again shows an increased turn over, and this indicates that we are still making progress. The actual financial position is clearly indicated in the Treasurer's Report elsewhere in this report, but I feel that a comment here would not be out of place. Firstly, congratulations to our Ball Committee on the tremendous success achieved at this function. Secondly, I feel that the increased expenses as mentioned by our worthy Treasurer should be viewed carefully by our incoming Committee. My comment being, that we must endeavour to use our hard earned funds to the benefit of all Umpires as a whole, remembering of course that we are striving towards a united and strong Association.

#### TRAINING SUPERVISOR:

Again in 1971 we were privileged to have Hal Symons as our Training Supervisor. His wide experience and knowledge of our requirements were assets which he used to great effect. Through his constant enthusiasm, and variety of training, he was able to maintain a high degree of keenness throughout the season. Hal's genuine interest in umpiring reached beyond the training track, volunteering his services as a Trainer on match days to assist our Umpires in preparation for their big games.

Our thanks and appreciation go to Hal for his untiring efforts, and his dedication towards the fitness of Umpires—even to the extent where his honorarium didn't pay his expenses!!

#### TRAINING CAMP:

The 1972 Point Peron Training Camp was another great success. Numbers attending the Camp were well up on recent years, and it is also pleasing to note that Lester Ayres actually knew the date of the weekend. The W.A.N.F.L. this year met the cost of the rent of the Camp, for which we are most thankful, and your Association once again subsidized the other costs. Congratulations to Hal Symons again for his wonderful organization and planning for the weekend. Our thanks also go to the guests who visited the Camp during the weekend, and showed an interest in our training.

#### UMPING FEES:

This season your Committee did not issue any moves for fee increases in any grade of football. As mentioned previously, I feel that this must be one of the major tasks of the incoming Committee to review all umpiring fees—field, boundary and goal—both in the city and in the country. With fee increases in near Metropolitan Leagues, it will be necessary for us to raise ours, in order to maintain the interest of some of our more experienced Umpires.

#### SOCIAL ACTIVITIES:

The social adventures for the season on the whole were well attended. Our Umpires' Teas and Games Nights received good followings, but it was disappointing to the Committee to see only a few Goal Umpires in attendance.

The Cabaret Ball was a resounding financial success. This function went beyond our expectations, and unfortunately our venue left a little to be desired. This year we are planning even better with a "Gala Carnival Ball" at the South Perth Civic Centre on Monday, 19th June. We have employed a top band, and with the Carnival in full swing at this time, we would hope to cater for our many guests and members. This function promises to be a tremendous success, and thus we appeal to all members for your support.

The Christmas Tree drew approximately the same numbers as in recent years, and everything met the approval of those who attended.

Our Christmas Barbecue at Dick Stubberfields, was again deficient in numbers, but those who did attend had a very enjoyable evening.

The normal social functions run by the Association were reduced last year to enable the Trip Committee to take advantage of their fund raising activities for their big trip. This year we hope to arrange for additional functions, which will include wives and lady friends, however, for these to be successful and warrant our effort, we will require your support and co-operation.

Finally, I would like to pay a special tribute to my Social Secretary, Dick Stubberfield, for his efforts on the social side. Dick, with his position as Secretary/Treasurer of the Trip Committee as well, has had a very busy year. Dick is to be congratulated for his efforts for the Association.

#### GOLF REPORT:

A vote of thanks is extended to Bob Anderson, our Golf Captain, for his efforts for the Golf Team during the season. Bob's Golf Report appears on page 14.

#### APPRECIATION:

To Ray Whitfield for his guidance and sound administration which have carried our Association through another successful season.

To Bruce Williams, our "Chancellor of the Exchequer", who has so meticulously managed our financial matters, and for his advice and willing assistance to all aspects of our administration.

To Clive Hills for his careful consideration and thoughtful approach in times of need.

To Ted Brunton for once again auditing our books.

To the Management Committee for their untiring efforts for the Association and its members.

To Ray Jamieson and "Togga" Tognolini for their efforts on the rubbing down tables, throughout the year.

To Dick and Rose Stubberfield, for once again permitting us to use their bungalow for our Christmas Party.

To Roy Abbott and the W.A.C.A. Officials and Staff for their understanding, kind co-operation and the use of their wonderful facilities on our Training Nights.

To Peter Bowler and the W.A.N.F.L. Executive for their attention to our requirements.

To Lance Perkins and the Trip Committee for their fantastic planning and organization for the successful Eastern States Trip.

To Bob Anderson as our able leader of the Golf Team.

To Lester Ayres for his constant reminders of the Training Camp.

To all Umpires who acted as officials at the Quadriplegic Sports Carnival.

The Organisers wish to pay a special tribute to Ray Montgomery and Charlie Pratt. Thanks Fellas.

#### **RESULTS OF MEETING BETWEEN W.A.N.F.L. BOARD OF MANAGEMENT AND OUR SENIOR EXECUTIVE REPRESENTED BY MR. RAY WHITFIELD AND MR. CLIVE HILLS:**

1. **Provident Fund For Umpires:** The League are prepared to administer a self contributing Provident Fund. They will review equal contribution by both parties with the next revision of Umpires' Fees.

2. **Life Passes:** League Life Passes are now available to all Umpires who have officiated in 150 or more League games retrospective of 1947.

3. **State Ties:** Will be issued to all Umpires officiating in Interstate fixtures.

4. **Shelters For Reserve Umpires:** The League is looking into the provision of shelters for the Reserve Umpire.

5. **Pre-Season Training Camp:** The League will pay the rental for the National Fitness Camp.

6. **Sub Committee for the Investigation of Umpire Problems:** The possible formation of an Umpiring Sub Committee is under review.

#### **CONCLUSION:**

Thus another successful season has flown by. A year, which has certainly had its moments, but one may safely say that the support and co-operation extended to the Management Committee has allowed us to come through in front.

I feel this year again may have times when we will require the full support of our members. Our Association must be strong, and the only way you can achieve this is by having **YOU, THE MEMBERS**, 100% behind our Management Committee. We are slowly gaining recognition in the outside world—a strong active Committee, with solid support from the Members, will ensure continued progress in this regard.

Again this year, may I appeal to all Members when voting time comes later tonight, to vote for the candidates whom you feel will serve to lift the image of Umpires, and who will give their time and energy for the best interest of the Association in the coming year.

Before signing off, I would like to repeat from last year's Annual Report—"COMPLAINTS, TROUBLES, QUERIES OR NEWS are of little value to yourself give them to your Committee, and let them deal with it."

In closing, I would again extend a sincere tribute and thanks to all Umpires for their help, co-operation, courtesy and a few beers, extended to me over the past season. The ready assistance that has always been forthcoming especially at times where other commitments have prevented my active participation at certain functions, has made my job easy, and I might add it has been a pleasure to work with such a fine group of men. If I have overlooked anybody or anything in this report, please accept my sincere apologies, as I may assure you it has been quite unintentional.

In conclusion, may I wish one and all the very best for the 1972 season.

—PETER PUSTKUCHEN, Hon. Secretary

#### **EASTERN STATES TRIP**

The first trip ever undertaken by the W.A.N.F.L. Umpires' Association commenced on October 7th last year, when 37 Umpires representing the Association, left Perth Airport on a tour of Sydney and Melbourne.

There were many who believed this trip was impossible when it was first suggested 18 months earlier, and its fulfilment was due entirely to the efforts of the 37 members who worked magnificently to raise over \$11,000 in that time.

A committee was formed in 1970 consisting of Lance Perkins who was Trip Manager, Dick Stubberfield Secretary-Treasurer, Ray Whitfield, Kevin McAleer, Bob Anderson and John Fuhrmann who, unfortunately, was forced to withdraw and was replaced by Ross Capes. The functions held to raise money are now history but who could ever forget the final function held at Canterbury Court when 995 people filled the ballroom to capacity to see one of the best night club acts available in Perth.

It was 6 a.m. precisely when the TAA jet arrived in Sydney but this did not deter a group of N.S.W. Umpires from being present at the airport to meet our party. After breakfast at the airport, a bus took the party to Bondi Travelodge and a free afternoon followed.

Friday night saw the N.S.W. Umpires provide an official welcoming dinner at Football House while Saturday afternoon was spent as guests of the A.J.C. at Royal Randwick. This day was momentous as it represented the start of the decline of Lindsay Johnston. After careful study of the actions of other members, he was seen to place the first wager of his life. Within a week he had spent sufficient to buy two poker machines of his own.

The sporting clubs of Sydney were only too ready to extend their hospitality to our members and our thanks go out to the Western Suburbs Rules Football Club, St. George's Leagues Club, where it cost a whole seventy five cents a jug to see Frank Sinatra Jnr. and South Sydney Juniors Leagues Club in particular.

Two tours of Sydney were arranged, one of the Opera House and city sights, while the second tour of northern beaches incorporating a launch cruise on Pitt Water was one of the highlights. Lindsay Johnston by now well established as the Fuehrer, again displayed hitherto unknown talents, this time as a seaman.

Thursday morning, October 14th, 37 members were rounded up and taken to Sydney airport where we boarded the plane to Melbourne. Many people broke down and wept when we left, but undoubtedly the most unhappy was the manager of the Bondi Rex Hotel who had established an all time record in can sales in the past week.

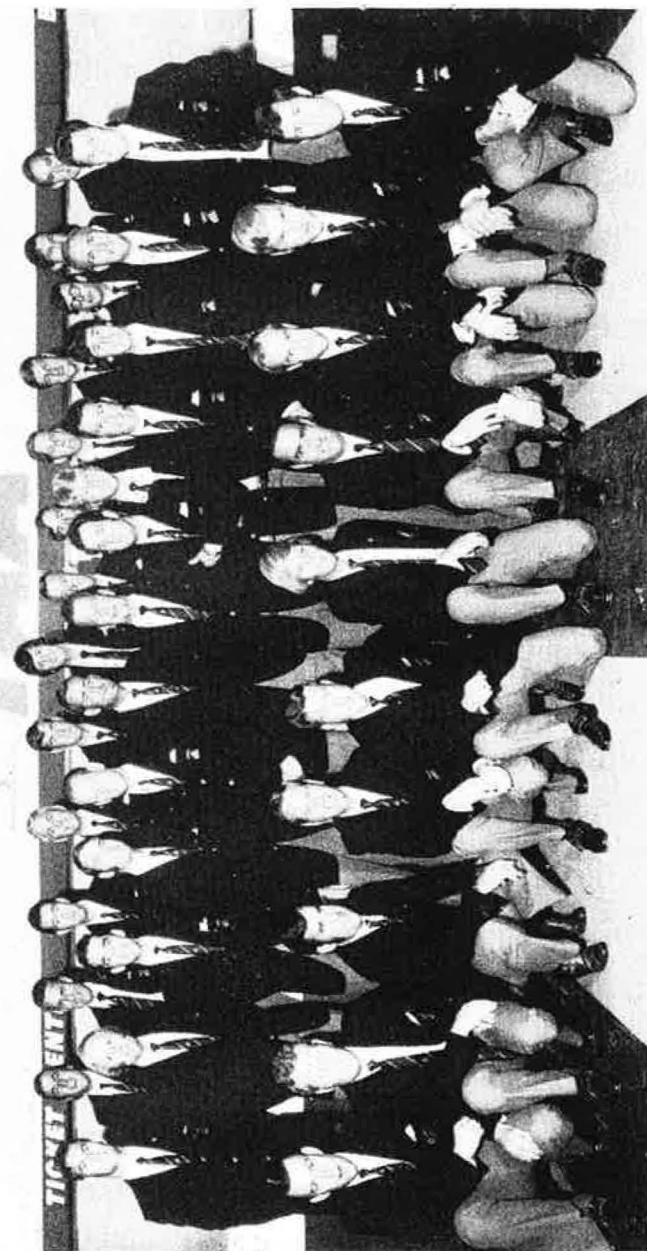

The V.F.L. Umpires turned out in force to meet us in Melbourne and, again, the wonderful spirit that exists between kindred bodies of umpires was demonstrated. Cars, drivers and invitations were in abundant supply.

Tours were made of the M.C.G. and Waverley Park, tickets were made available to the greyhound racing at Sandown Park and an official dinner held at the Masonic Club on the Friday night was memorable in more ways than one. The Caulfield Cup of 1971 was witnessed by those who had any money left at this stage.

Sunday morning, our baggage was collected by TAA from the luxurious motel, Leicester Court, at which we had been wonderfully looked after and most members made their way to an informal luncheon at Salzburg Lodge, a licensed restaurant situated about ten miles from Melbourne. Hospitality was again showered upon us and this afternoon was voted the best of the tour.

Eventually 26 members boarded the plane at Tullamarine Airport (the other 11 couldn't be persuaded to come back) and a magnificent tour was at an end.

TRANS-AUSTRALIA AIRLINES

W.A.N.F.L. UMPIRES TOURING PARTY, 1971

Back row (left to right): Chris Chadd, Lindsay Johnston, Evan Dunstan, John McKay, Bob Hollingsworth, Mike Rome, Ron Powell, Barry Robins, Bob Simpkins, Henry Michael, Greg Solin, Bob Woodward, Denis Clair, Geoff Hunter.

With such a wonderful project, it is difficult to give thanks to everyone individually who contributed, but we would be remiss if we did not express our gratitude to the following:

TAA — For outstanding organisation and service.  
 Worths — For their effort in outfitting all members of the party.  
 Subiaco Football Club and W.A.N.F.L. — For providing facilities for the conduct of meetings.  
 Mr. B. Giles — For continued co-operation.  
 Mr. Malcolm Brown and Mr. Hassa Mann — For being guests speakers at our Grand Final breakfast.  
 N.S.W.F.L.U.A. — For hospitality provided.  
 V.F.L.U.A. in General — For hospitality provided.  
 Mr. Ray Sleeth in particular — For untiring efforts in Melbourne.  
 The Trip Committee — For magnificent work done.  
 And The Members — For their co-operation, efforts and conduct while away, which have reflected credit on the W.A.N.F.L.U.A.

### GOLF — INTERCLUB AND UMPIRES

During the 1971-72 season the Umpires Association fielded a team in the Interclub Golf competition. This was our second year of competition and our most successful. The team finished fifth overall and Norm Shepherd won the Grandfathers Trophy from competitors throughout the entire competition with a stableford average of 40.3 points.

Had we been able to field a full team throughout the year there is **no doubt** that we would have finished in the final four as East Fremantle kept us out on percentages only. East Fremantle played East Perth in the Grand Final, during the year we beat them by 5 games to 1 and were unlucky to lose to East Perth 4 games to 2 (we did not field a full team and had to concede 2 games).

Notable identities throughout the season included the consistent Shepherd combination of Norm and Peter, Ray (the Pres) Whitfield, "Flip Flop" Perkins, "Re-tread" Ayres, "Turtle" Havercroft, "Hairy" Anderson, "Draggs" Dunstan, "Stubby-Dick", "Long John" Hollingsworth, "Thomarse" Hegarty, "Albino" Neilson, "Leprechaun" Capes, "Phantom" Snow (alias "Pool Side", so called because of his habits of disappearing and his golden tan??), "Hot Line" Dawbarn (the Master of 24in. putts), "Bongo" Robins and "Golden Boy" Meiers.

The efforts put in by all throughout the season were greatly appreciated, but if we are to have any chance of winning the competition next summer all Umpires both old and new who can pick up a golf club should pitch in and let Bob Dawbarn know how he can contact you.

Congratulations are due to Bob for his appointment as team captain for the forthcoming season. This job is not an easy one and needs a swauve, forthright, upstanding, debonair, good looking chap to uphold the image created by his predecessors.

—R. ANDERSON, Team Captain 1971-1972.

## STATEMENT OF RECEIPTS AND PAYMENTS FOR YEAR ENDED 2nd MARCH, 1972

Net Worth Commencement 1972 Season \$830.14

## TREASURER'S REPORT

Gentlemen,

Our Association has again enjoyed a most successful year due firstly by the support of you the members, and secondly by the energetic efforts of your Committee.

The functions throughout the season were on the whole well attended, and it was gratifying to note that an excellent result was shown from the Annual Ball rendering a profit of \$350.53.

Expenses during the year were higher than the previous year, due to the activity demand of additional trainer fees, purchase of ties for Association recognition, and the Carnival Ball prepayment.

I wish to thank the Committee for their support, and in particular the assistance given to me by our Secretary, Peter Pustkuchen. His council and effort has attributed to our year's results.

A special vote of thanks to our Honorary Auditor, Ted Brunton, for his advice and time set aside for our accounts presentation.

In closing I extend to all members every success in this our Carnival year.

—BRUCE WILLIAMS, Honorary Treasurer.
