WANFL
Umpires Association (Inc.)

**ANNUAL
REPORT &
BALANCE
SHEET 1979**

ACKNOWLEDGEMENTS - Thanks go to the following people for their assistance in the preparation of the 1979 Annual Report.

Ray MONTGOMERY	-	for designing and printing the cover.
Peter PUSKUTCHEN	-	for gathering material and also advice.
Kevin SHERRINGTON	-	his efforts in the laying out and printing were very much appreciated.
Peter TROODE	-	for supplying us with the photographs contained here-in.
Neil JUDGE (WANFL)	-	once again supplying statistics on our members from official records.

COVER: "LIFE MEMBERS PERPETUAL TROPHY" as sculptured by Ray Montgomery

FOREWORD

It is with pleasure and honour that I write this Foreword to mark the completion of the 1979 season.

As one of your Advocates on the Tribunal, I have been impressed by the standard of presentation by members at the Hearings and trust that this will be continued.

Progress of the Association over the past decade has been quite remarkable and it is hard to recognise the Association I joined in 1955. I congratulate your Committee and members on the progress made.

The "Life Members Perpetual Trophy" has been won by Barry Davies this year. Well done Barry and we look forward to the Dinner when the Trophy is presented.

I wish the Association every success in the future and look forward to further progress made in the 80's.

PRESIDENT'S REPORT

MEMBERS

In submitting this report for your consideration I reflect on the last six years as President of the Association and it is with some regret that this will be my final report.

I am very proud to have had the opportunity to be at the "helm" for that period and believe that the Association has made substantial progress and this is due almost entirely to the support I have received from the Committee executives and you the members.

In those six years, I may have upset some people for various decisions or actions I might have taken, to those people I do not apologise because I have always acted in the way I have thought best for the Association and any President will make mistakes and learn from them and I have certainly learnt a great deal during my term. I know I have benefited from those errors of judgement, as has the Association.

Perhaps the commencement of this year was the most critical the Association has ever faced but fortunately commonsense and the willingness for both parties to discuss matters openly enabled the problems to be sorted out to everyone's satisfaction. I sincerely thank MR. JIM DAVIES for the opportunity to discuss our problems and I say quite openly that I have more respect for this man than any other I have met in football.

I congratulate all the umpires who played a big part in the successful final round and in particular to those who were fortunate to have umpired the Grand Final.

To the members of all Committees, I thank you for your efforts this year, I know it has not been easy.

To DAVE ASLETT our Treasurer who has not sought re-election, I thank him for his efforts in controlling so efficiently our finances and wish him greater umpiring success in 1980.

Special thanks should also go to LINDSAY BAGULEY for the tremendous work he has put into the Association over the last four or five years, and it is indeed with regret that he has decided not to continue in an official capacity in 1980, although I fully understand the reasons behind his decision.

I was very pleased this year to receive support from several sponsors, I believe that in future years we should continue to aim for far greater involvement with large Companies which will be to our mutual benefit. Thanks in particular to Ampol Petroleum Ltd. for their involvement in 1979.

Lastly, I sincerely and warmly thank PETER PUSTKUCHEN our Secretary, for the support, assistance and guidance he has given me over the past six years. We have worked as a team over that period, and never has there been a person more dedicated to his position and the Association than he. Words are not sufficient to explain Peter's attributes, but I know he is aware of how highly I rate his friendship and how indebted I am to him. Thanks Pete.

In conclusion may I extend to the incoming President and Committee my best wishes for the future and trust you the members give them the same support that you gave me. Remember we all work for a common goal and the Association is the tool.

To all members past and current I say many thanks.

ROSS CAPES
PRESIDENT

SECRETARY'S REPORT

May I present for your consideration and information my Annual Report for 1979.

The past year is one which will not be easily forgotten by our members. The consequences of our withholding services are readily known to us all, and I feel best forgotten at this time. However, it was pleasing to see that most members supported our stand and cause, and the solidarity which we achieved can only stand our Association on a stronger footing for times to come. For a few others, and thank goodness they were in the minority, the less said the better.

The end result was that all members benefited from our action. Personally I would not like to see our Association resort to this type of action again, as I feel that if both parties can get together and a satisfactory arrangement can be achieved, it can only be in the best interests of umpiring and football.

Apart from our action early in the year, our Association has once again enjoyed a successful season both on and off the field. The performances on the field have been of the usual high standard to which we have been accustomed over the years. As always our members have been the victims of scathing attacks by coaches and critics for poor performances, which on occasions are only escape routes for sides not winning. This criticism was particularly evident in July, when the top four sides broke away and gave the bottom four sides no chance of qualifying for the finals. Hence, some of the interest went out of the competition, and to stir things up, the critics launched an attack on umpiring. Their usual cry that umpiring was at its lowest ebb, is one I've been hearing every year for twenty years, and know doubt it will go on for the next twenty years. Thus I'm sure, our umpiring still maintains its very high standard.

The "Two Umpire System" has now become an essential part of our game. There is no doubt, that the game has improved as a spectacle, with the two umpires, and I feel that its only a matter of time before it will be introduced into all grades of football. There will be problems in the country, but it should be possible for Country Leagues to use more of their own umpires with the "Two Umpire System". The first call will undoubtedly be lack of finance, but overall, I can only see the system being of great benefit to country football. A further advantage will be that if the "Two Umpire System" can become an accepted thing it will be of great assistance to our younger umpires, and at the same time it may mean that our more mature umpires may be able to stay on the track that little bit longer.

As has been the case for many years, the WANFL failed to attract sufficient field umpires to the panel, and as a result there were again many "Double Headers". The problem seems to remain with country travelling, and the many hours away from home. Added to this came the first taxing on country umpiring fees, which

once again took the incentive out of umpiring. It's ridiculous when one considers that umpires officiating in minor competitions within the city, even umpiring "B" grade can earn more than country umpires. Thus the WANFL country panel can only attract umpires who are young and looking for the big time. The problem being that if their ambition is not realized within three or four years, they throw in the towel and the strength of our panel suffers, for it is just when the umpire is gaining some maturity that he throws it in. Once again, I can only say that in this day and age, umpires are just not prepared to travel hundreds of miles each weekend irrespective of the rewards involved.

As I have stated in previous years, the country people rely very heavily on our panel. While at times they tend to be very critical of performances, and I might add some are evidently justified, it is the one means by which they can get some uniformity and consistency in umpiring. Once again a number of leagues used their own panels throughout the season while a number of others experimented with their own umpires controlling at least one of their fixtures each week. Reports show that this programme met with some success, and I feel with further promotion and drive from the WANFL and the Umpires Appointment Board, that this could solve some of our country umpiring problems in the future.

Administratively, the Association has enjoyed another very successful year. The business side of the Association continues to grow each year. It was noticeable that Management Committee Meetings which only a few years ago rarely went longer than an hour and a half, now last three hours or more. This clearly shows the ever increasing business side of the Association. Financially, our Association also continues to prosper. The Association's growth has been assured by a very conscientious and diligent group of fellows on our Management Committee, who have left no stone unturned in an attempt to make it better for all members. Towards the end of the 1978, our Association once again met with the WANFL at our Annual Deputation Meeting. History shows that this meeting was a virtual disaster, with few gains for our members. The Directors advised that they intended to freeze handouts in order to channel all their resources to the development of Subiaco Oval. This led to the inevitable showdown which took place in February and March of this year. It is only hoped as I mentioned previously that common sense negotiation can take place in the future, and all problems can be solved on a logical basis.

On these lines, it has been decided to keep our current deputation submission on a low key level. It is hoped that a full report on the meeting will be available at the Annual General Meeting.

Fund raising continues to be the big off the field project, with further overseas trips the ultimate goal. Generally members have rallied to the cause, and few problems have been experienced. However, one can only plea, that while carrying out these duties that members give their total effort, for contracts of this nature, are ones we cannot afford to lose, especially if we are going to continue fostering overseas trips.

Probably the highlight of the year was our contribution to the "Miss Universe Pageant." Many hours of organization and work were given by a loyal bunch of workers. As you would expect the financial reward was there, but more importantly

I feel congratulations and thanks must go to all concerned for a truly magnificent effort.

Let me now turn to comments on the overall functioning of the Association during the past season.

MANAGEMENT COMMITTEE

The 1979 season brings to an end our President's term of office. During the past six years, Ross Capes has led our Association from strength to strength. The remarkable growth and progress which we have witnessed and experienced can only be attributed to his capable and expert guidance over the years. The path has not always been easy, as at times administrative problems could have effected his umpiring, but to his credit he achieved the ultimate in both fields. His record on the field is unequalled. Seven successive Grand Finals speak for itself. At the same time he has been a very fine ambassador for our Association, wherever Australian football is played. Our Association salutes you Ross for your untiring efforts both on and off the field. My personal thanks are also extended to Ross for his willing assistance and astute counselling throughout his term of office.

The Management Committee will lose another stalwart in the premature retirement of our respected Senior Vice President, Lindsay Baguley. To me Lindsay, has always given a very professional approach to our Association, and his contribution as a member of the management committee has been nothing short of fantastic. His untiring efforts on the Trip Committees, have undoubtedly been responsible for their outstanding success, and many members have a lot to thank Lindsay for in this respect. Unfortunately, Lindsay's retirement is a very political one, and I can only say that our Association will be the poorer for his departure.

John Devine our Junior Vice President, has also made a very significant contribution during the past year. John once again took charge of the social committee, and the success of the year socially may be attributed to his leadership. As well as this, John acted as Chairman of our Deputation Steering Committee. The Associations Incorporation finally became a real thing during the season, and thanks go to John for his efforts in this respect.

Another retirement in 1979 will be our very capable and popular Treasurer, David Aslett. David has served our Association for three years in this capacity, and through his astute planning and budgeting our Association has had few problems financially. His careful accurate and meticulous summaries have assisted the Social and General Committees in arranging all business and functions with the utmost confidence. On behalf of all members, may I say to Dave congratulations and thanks for a job well done.

Trevor Cant, our Social Secretary for the past two years is another of the committee retiring at the end of the season. Once again our Association has enjoyed a successful season socially, and sincere thanks and appreciation must go to Trevor for his planning and organization. The work of the social committee has not been easy, with Trip functions also taking members time, however quality

has been the aim, and I think the results speak for themselves. Congratulations Trevor and thanks for your efforts.

Once again in 1979, the Association has been fortunate in having a very dedicated and loyal bunch of fellows on the committee. Throughout the season the attendance has been excellent. All matters have been tabled, and discussed constructively and in the best interests of the Association, and umpiring. The amount of business tabled at each committee meeting continues to grow, and naturally many meetings went to a late hour. On behalf of all members may I record our thanks to the committee for their time and efforts during 1979.

May I at this time record with gratitude, our sincere thanks to the wives of the committee for their understanding, patience and co-operation, through our call to the Association.

UMPIRES APPOINTMENT BOARD

As always, during 1979, the Umpires Appointment Board have experienced the usual amount of criticism both from within and without umpiring circles. Probably, some of the decisions made during the past year have resulted in surprise to certain individuals, but like all selectors, they have a very difficult job and one which certainly won't please everyone. As I have said before, it is up to the individual umpire to be big enough in himself and accept the Appointment Board's judgement.

The Umpires Appointment Board for 1979 was once again led by League Vice President, Mr. Brian Purslowe; with Mr. Ray Scott, Mr. Ned Martino and Mr. Max Pinner making up the full compliment.

Congratulations must go to the Appointment Board for the introduction of the "Two Umpire System" into the Colts competition for the last round of the Home and Away matches. This will surely be of tremendous value to the newer umpires, and can only improve the standard of umpiring in the future.

As always, I feel that the Umpires Appoinment Board could have used The Fremantle Sunday Association to view prospective city umpires. Once again, this tended to be only a day off from a country appointment for a field umpire, which could have been used to tremendous advantage by observers watching these umpires perform. It is disappointing that this does not occur.

Once again, the Umpires Appointment Board were assisted by a number of observers, who have contributed comprehensive and constructive reports on umpiring performances each week. Their efforts must surely assist in maintaining the high standard of umpiring for which our panel members are known. At this stage the efforts of Messrs. Bill Brown, Bruce Ockwell, John Fuhrmann, George Hall, Peter Snow and Terry Neilson are acknowledge.

UMPIRES ADVISER

Ray Scott was once again appointed as our Umpires Adviser this season. Through

his devotion and dedication to umpires and umpiring, we have enjoyed another successful season on the field. For the most part, Ray has once again kept adverse criticism out of the press, and this also has contributed to the success of the season. Ned Martino again acted as Ray's assistant and to them both may we record our thanks for their untiring efforts for the promotion and improvement of umpiring in our State.

UMPIRES TRAINING SUPERVISOR

Along with pay, the appointment of a training supervisor was part of our confrontation with the WANFL early in the season. Although the actual appointment was not finalized till mid season; it's one that we must keep for future seasons. The appointment assures that our Umpires Advisor and his assistant have more time to work with umpiring reports with the individual umpires; which we as an Association feel is their most important task.

To John Fuhrmann, for the short time he was with us, sincere thanks for your efforts, and we hope to see him on the track again in 1980.

POINT PERON TRAINING CAMP

Our Annual Pre-Season Training Camp was once again a resounding success. For the eleventh year in succession, the weekends programme was in the very capable hands of our very popular Camp Commander Hal Symons. As always, everything was planned on a very professional basis, and all those who participated worked hard, but also had a most enjoyable weekend. Once again Hal, on behalf of all members may we record our sincere thanks and appreciation for your efforts on our behalf.

Once again, the empty stomachs were well cared for by the umpires friend Vinka Cukela. As always, the quality and quantity of the food was exactly what was ordered and our thanks go to Vinka for efforts which also contributed to the successful weekend.

COUNTRY FOOTBALL

As mentioned previously, and as has been the case for a number of seasons, we once again experienced difficulty in obtaining sufficient numbers for country appointments with out facing double headers. Once again, there does not seem to be an easy answer. It would appear that further cream was taken from country umpiring with losing a third of our earnings in tax, and payments being made every seven weeks. While I appreciate, that one cannot buck the system, this would appear to be just another incentive which country umpires have lost. What effect this will have in 1980 is stil to be determined.

Our relationships with our country friends has again been on good terms. In most cases, our umpires have done the right thing and as such few problems were experienced. The attempt by some country leagues to lift their own standard of umpiring by appointing local umpires to their top matches was again commendable.

Country travelling continues to be a worry. Over the years we have built up a remarkable safety record on the roads in respect to the distance travelled.

How long can it go on? While most umpires who are the car driver for the day endeavour to do the right thing, it is disturbing to learn of misdemeanours which could have cost a life or two. Not a pleasant thought, but unfortunately safety is something which we cannot neglect.

Once again, if any member has thoughts on ways and means of improving the situation for country umpires, I am always open to suggestions. The WANFL and our Association both realize the many problems, but unfortunately we don't have the answers.

LIFE MEMBERSHIP

The recommendation of the Management Committee will be presented for your approval during the Annual General Meeting.

FINANCE

Once again our Association was able to keep the members subscription fees the same as last season. This has been praiseworthy when one considers inflation and general cost of living rises that have been experienced in recent years. While there has been a small rise in the attendance costs to social functions, these have been kept minimal. However, we have still enjoyed a successful year financially, and congratulations must go to David Aslett for his successful budgeting.

The main reason why costs have been maintained at the existing levels, is because of the 10% payment to the Association from Contract Funds. While I agree that it is essential that this payment continue, we must not rely on its contribution too heavily as the day may come when we may lose the contract work. This would result in very marked rises in subscription fees and costs for entry to social functions. Without the 10% payment it would be impossible for the Association to subsidize functions as we do at present. I bring this to your attention merely as a means of warning of what could happen.

While talking about the 10% Contract money, I'm sure the committee will be asked to explain how this money is being used. As I mentioned, it's being used to subsidize social functions, but from a personal viewpoint I would like to see the committee look at more material ways of using the money. If any members have any ideas in this respect, please bring them to our attention. In this way, we can provide incentives for members to work, even if their not interested in going on trips.

The full financial report as presented by our Treasurer appears elsewhere in this report for your information.

UMPIRES TRAINERS

This year, Mr. Alan Lyons was appointed as our Head Trainer. Alan brought with him a wealth of experience over years of service to the West Perth Football Club.

He quickly endeared himself to all members, and at all times carried out his duties in a highly competent and professional manner. Unfortunately Alan, suffered from ill health during the season, but at all times he never let us down. Sincere thanks Alan, we surely appreciated your efforts on our behalf.

Assisting Alan, was Bernie Magnus. Bernie's contribution was more than praise-worthy. He assisted our Head Trainer at all times, and when Alan was away took over the duties to the best of his ability. Thanks Bernie for your efforts.

1979 has been a very difficult year for our training staff. It was just not possible to find suitable people to act in this position. This has meant that extra work has been put onto Alan and Bernie, as well as emergency umpires each Saturday. It is important that we obtain a full compliment of trainers for 1980, and I appeal to all members to look out for suitable people to carry out this duty.

May we once again acknowledge the kind donation from the WANFL to assist us in subsidizing our training staff.

UMPIRES ADVOCATES

1979 was another very busy year for our Advocates, with only one free Monday night being experienced throughout the season. As always, our members have been looked after in a highly efficient and competent manner. I would personally like to record my thanks, to our Advocates for their ready assistance and co-operation at all times.

On behalf of all members, may we record our sincere thanks and appreciation to - Brian Collett, John Dolling, Len Hurley, Ray Montgomery, John Smith-Gander and Ted Brunton.

A special thankyou must be also noted to Brian Collett, who made himself available each Wednesday night for the Fremantle Sunday Association. Thanks Brian for your valuable time and efforts from all those concerned.

SOCIALLY

Once again, our members have been treated to excellent social functions. The emphasis by our social committee during 1979 has been for adding a little bit of class to our functions, and I'm sure everyone will agree, they achieved their desire. At the same time no function was run with the idea of making a profit, the idea being at all times to break even. Congratulations go to the social committee - John Devine, Trevor Cant, David Aslett and Alan Mirabella for the efforts in making the year socially successful.

Once again, one can only stress that its up to you the members to support the social functions. The success of these functions is very dependent on each member to support our Association. Comradeship is a very important part of umpiring, and its through these social functions that we can establish and promote this very essential feature of our Association.

I urge all members to get behind our new social committee in 1980 and make all functions an outstanding success. The social committee's report appears elsewhere.

APPRECIATION IN 1979

The WANFL Umpires Association acknowledges with pleasure, the efforts of the following, during the past season:-

Life Members - for the kind donation of their trophy to Barry Davies for his outstanding contribution to Association affairs during the past year.

Ray Montgomery - for once again providing his services for all our printing requirements on our Association certificates.

Ross Capes - for six years of astute leadership and guidance, which have resulted in our Association making many rapid gains.

David Aslett - our retiring Treasurer for his meticulous attention to all financial matters.

Don Wakenshaw - for his promotion of the Association to the new members.

Ted Brunton - for guidance, and as our honorary auditor.

Management Committee - for their untiring efforts in ensuring that our Association was able to function in the best interest of all members.

Hal Symons - for yet another successful and enjoyable Pre-Season Training Camp at Point Peron. Hal's contribution to our Association in an honorary capacity over the years is immeasurable.

Alan Lyons and Bernie Magnus - for your time and efforts in caring for our members in need of attention.

Roy Abbott and Staff at WACA - we thank all concerned for their kind co-operation in the use of the wonderful facilities at the WACA ground for our training.

Advocates - for the excellent and ready assistance which was made available to our members throughout the season.

Neil Judge - from secretary to secretary, sincere thanks for your co-operation and help throughout 1979.

Dave Johnson - for his efforts as propertyman.

Joe Fitzgerald and Lionel King - as our honorary solicitors, who have willingly and obligingly provided our members with their expert advice when called upon during the past season.

Ampol - in particular Jim Murphy and Ross Benzie, for our first steps towards sponsorship. Also the donation of trays and pewters, for 1979 umpiring achievements.

Dick and Rose Stubberfield - for assisting with the preparation and mailing of all voting materials for our Annual Election.

David Rowe - for the compilation of our Annual Report.

To all those members who have contributed to another successful year for our Association, but haven't been mentioned in despatches, may we record with gratitude a very big thank you.

CONCLUSION

As I conclude my tenth Association Annual Report as your Secretary, I look back over a year with a difference. A year which started out with problems; a time when our members had to stick together if we were ever to be recognized as an Association. Fortunately the majority of members stood behind the Association, and although we may not have achieved everything, our ability to stand up and be counted when the time came, was the important result. Once we had solved these problems, our Association settled back and functioned in its usual efficient manner. Our Association's incorporation was completed and we have a last made steps towards sponsorship.

This season sees the departure of a number of stalwarts from our Management Committee. They have served the Association very efficiently and capably over a number of seasons, and their places will be hard to fill. However, I note that in the nominations for the ingoing Committee, that we have fellows with the potential to carry on the good work, and I feel in this way our Association can continue to grow from strength to strength.

As we turn to a new decade, sponsorship would again appear to be the major project for the in going committee. Sponsorship is playing a very important role in most sport today, and I feel that we must strive to obtain value for our Association as well. Further, I feel that there must be many material gains and improvements for which we may strive. If you the members have any thoughts in this respect, please pass them on, for everyone must gain.

As always in presenting a comprehensive report of this nature, one will undoubtedly overlook some important thank you or feature - may I assure one and all that such omissions on my part are completely unintentional. Please accept my humble apologies.

Once again we will no doubt be saying farewell to a number of our panel umpires who will be calling it a day, at the conclusion of this season. To those concerned, may I on behalf of the Association convey our thanks and appreciation for your services and contributions over the years, and may we wish you well in your retirement; or in greener umpiring fields. Remember, that you will always be welcome as social members of our Association. To those of you who will be on the

track again in 1980 - see you in January.

In closing - to all members; your wives and families, on behalf of Della, Jay, Clare and myself - may we wish you all the very best for the coming festive season, and may the New Year be both prosperous and rewarding for you all.

PETER PUSTKUCHEN

SOCIAL SECRETARY'S REPORT

I can find no better way of commencing my report than to extend to our social chairman, John Devine, a huge vote of thanks for his service during the year. Not only was he the mainstay of the social committee but he found time to play a major part in our association becoming incorporated and act as chairman of the Deputation Steering Committee. A truly magnificent effort from a very dedicated association member.

Our treasurer, Dave Aslett, was once again instrumental in making sure the costs of our social functions were kept to a bare minimum. Dave's patience with me regarding collection of monies during the season was never ending, a lesser person would have given up on me.

To the only other member of my committee, Alan Mirabella, I not only thank him for his dedicated service throughout the year but also for making his home available for our first barbecue.

I would like to point out the difficulty encountered in booking a venue for the Grand Final Dinner and Dance. By the time the WANFL publish the fixtures the most suitable venues have been fully booked, this year being no exception, however I feel that this year's event was a huge improvement on the previous year. As a result of the early publishing of the 1980 fixtures, we have been able to secure Dorchester Lodge for next year's event.

In this my final report as social secretary I would request that all members get behind the new committee and assist them by notifying them promptly if attending the various functions.

In conclusion I wish to thank my wife, Muriel, for her patience and assistance during my term as social secretary.

TREVOR CANT.

PLAYERS TEA AND PRESENTATION OF TROPHIES

AT THE SAVOY HOTEL

28TH AUGUST, 1979

John McKay receiving his award from Ray Montgomery

Bob Phillips being congratulated by Fred Woods on 100 games.

Max Hale being awarded the 150th game trophy.

Fred Woods presenting Ron Buckey with his Certificate of Merit for 100 games

From one Boundary Rider to another Greg Solin awarded his 100 game trophy by Bazza McKenzie.

A memorable speech!

"Two Gun" reflecting over 100 games.

Brian Collett presenting Ray Hartland with his 100th game award.

Dick Stubberfield
about to hand
Graham Daniel his
50th game medall-
ion.

Phil Cunningham
being congratulat-
ed by his ex
partner.

AUDITOR'S STATEMENT

I have examined the above records and in my opinion they are properly drawn up so as to give a true and fair view of the association affairs.

E.W. BRUNTON
A.A.S.A.
HON. AUDITOR.

TREASURER'S REPORT

Gentlemen,

We can look back on 1979 with some deal of satisfaction considering the extra burden the association has had in the fields of administration - up \$412.52 on 1978.

On the credit side the Trainers supplies have seen a decrease of \$465.74, thanks must go to our Head Trainer Mr. Alan Lyons for this significant achievement.

Socially we have had a good year, most have been well supported, we have endeavoured to make these functions attractive to members by keeping our costs down, only two of these functions show a profit. In actual fact the overall cost to the association was \$2,577.54.

Special mention must be made to those members who have taken part in the contract work, 10% of all money raised by this method helps go towards the overall running of the association. I am pleased to say that \$3,739.09 has been raised by these hard working members.

Once again members thanks for your support in 1979.

DAVE ASLETT
TREASURER.

Lew Nathan presenting Ken Taylor with a Service Certificate.

Charlie Pratt presents Geoff Tipping with his award.

Lew Nathan and John McKay.

Ted Brunton presenting Brian Hearne with his Service award.

Peter Snow
accepting his
award from Charlie
Pratt.

Lance White being
awarded the Ampol
trophy for his
efforts by Ray
Benzie.

Alan Lyons, our
Head Trainer being
thanked by Presid-
ent Ross Capes.

Thanking Ampol
for the award
"all smiles"
White.

ave Johnson receives his award
for most improved
boundary umpire.

His dentist is
proud of him !

an Gage - recipient of the most
improved goal
umpires award.

Goal Umpire/
Impersonator
extraordinaire!

ANNUAL REPORT

W.A.N.F.L. UMPIRES' ASSOCIATION (INC)

TRIP FUND

The idea of organised overseas tour for the Umpires as a group first came to fruition in 1976, when a tour party visited Hong Kong and Bangkok/Pattaya for a fortnight. This inaugural tour was such a remarkable success that steps were immediately undertaken to pursue the idea of further overseas trips for the members and in 1978 a group of 68 members with wives spent 16 days on a return trip to Hong Kong, together with a holiday in Penang.

The second tour was equally as exciting as the first and it became obvious that the idea of Umpires travelling overseas together, representing their Association, was here to stay.

We currently have 77 members who are keen to raise money and travel, of which 51 have shown interest in another tour of South-East Asia. The close proximity of South-East Asia, coupled with an attractive scale of air fares makes this region a popular holiday spot for Western Australians, and we are looking forward to a tour of Singapore and Bangkok/Pattaya before the commencement of the 1981 season.

Fundraising this season was given a tremendous boost by the 150th Year Celebrations and the holding of the Miss Universe Pageant in Perth in July. Altded, our members spent nearly five and a half thousand hours in the three weeks of the pageant chauffeuring contestants and V.I.P.'s, as well as providing security at functions. The result was a healthy cheque for over \$20,000 to the Association and a commendation from the organisers for our professional approach to the entire venture. And what's more, everyone had a great time participating.

We have now raised \$40,000 in the 10 months since the last trip abroad and things are looking very good for the proposed tour.

It is worth noting that from the Contract Work involved in fundraising we have been able to contribute a nett amount of \$3,750 this year to the Association's General Revenue, and this has been more than significant in helping to run our Association. Not only does this type of work help to strengthen friendship amongst our members, but also serves as a valuable financial aid to help the whole of the members.

There are numerous people who have done more than their fair share in helping the Committee to organise this trip so far, but special mention must go to Barry Davies and Barry Johnson without whose intensive efforts we would be unable to maintain our high standard of work and fundraising capabilities.

Everyone involved is in debt to these two fine workers, and to the five group leaders who patiently organise the workers for each show. Thanks fellows.

Let's keep up the good work and all have a magnificent holiday next year!

TRIP MANAGER

"KEVIN COX MEMORIAL GRANT"

After the untimely death of fellow umpire Kevin Cox in 1970, the Management Committee established the "Kevin Cox Memorial Grant". This was to be an annual grant of sporting equipment to a deserving mission in order to remember the name of Kevin Cox in umpiring circles as a means of acknowledging his efforts in umpiring and the Association.

The recipients of the "Kevin Cox Memorial Grant" over the years are as follows:-

1971	Mowanjum Mission, Derby.
1972	Jigalong Mission, Via Newman.
1973	La Grange Mission, Via Broome.
1974	Cunderlee Mission.
1975	Cosmo Newberry Mission, Via Laverton.
1976	Balgo Hills Mission, Via Halls Creek.
1977	Beagle Bay Mission, Via Broome.
1978	St. Joseph's School, Moora.
1979	Ingada Village Mission, Carnarvon.

OFF-SEASON HINTS

Undertaking all of the following suggestions will make pre-season training in 1980 a less traumatic experience.

INJURIES

Should you have completed the season, or "carried" an injury throughout the year have it attended to. A rest may relieve the symptoms, but if the cause remains the injury can re-occur during 1980.

The average G.P. has little knowledge of sports injuries. Two doctors that are recognised and qualified in this area are:-

Dr. Alex Sinclair,
12 Cleveland Street,
Dianella 6062
272-2236 (W)

Dr. Ken Fitch,
24 Union Street,
Subiaco 6008
381-2288 (W)

DIET

During the football season a considerable amount of energy is expended during training and games. As a result food intake generally rises.

Upon cessation of the season it is important to reduce your intake, since energy expenditure will be lower. Failure to do so will result in an increase in weight.

TRAINING OFF-SEASON

Bearing in mind that pre-season training generally commences on the first Tuesday in January, a 4-6 week off-season using the "active rest" principle should be undertaken.

Running (jogging) can be confined to three days per week during this period, covering 3 to 5 miles per session. Activities such as squash, tennis or swimming would also be beneficial. Continue all flexibility and strengthening exercises undertaken during the football season.

Later training adaptation is dependent on the overload principle. No benefit can be expected unless the training stimulus threshold is reached. For an umpire this should be at about 80% of the maximal heart rate. Maximal heart rate is easily estimated by 220 minus the age in years. Hence, a 30 year old umpire has a maximum heart rate of approximately 190 beats per minute and should run at an intensity which produces a rate of 152 beats per minute. This should be maintained for 15 to 35 minutes.

At the conclusion of 4-6 weeks add an additional day of faster running - a total concentration on long slow distance will result in a loss of basic speed during the football season.

A total of four days running per week, spacing the three rest days to suit personal convenience or "tiredness" is logical.

No great additional benefit will be accrued by running distances further than 5-6 miles.

VENUES

Since it is difficult and may be boring training as an individual instead of in a group, some people may wish to train with an athletics coach or club. Contact can easily be made via a little athletics centre meeting who will have knowledge of where senior athletes training. (Footballers frequently utilise these people.)

Alternatively vary the place of training e.g. beach, river, golf course, Jacob's Ladder, Kings Park etc.

Best of luck.

JOHN F.

LADIES BASKETBALL

Since the last Annual General Meeting the association has seen the formation of the WANFLUA'S basketball team, consisting of wives and girlfriends of the members, under the watchful eye of coach Peter Karhu.

The team has competed in 3 competitions winning 2 Premierships and finishing 4th in the first season in division 16.

The team consists of Elizabeth Ball, Jan Aslett, Sheryl Phillips, Helen Nottage, Tricia Johnson, Gaye Tipping, Jenny Findlay, Dinah Zaikos, Terry Pierce and Lois Fox. Mary Green was also in the team but has since retired to join the family scene again. Cheyne Stammers has taken a short break to go tripping around Europe.

Special mention should be made regarding Liz Ball who won the fairest and best award for the winter competition division 16, which is the main competition for the year. Congratulations Liz.....

The WANFLUA'S have just started the spring competition division 8 winning their first two games. Let's hope we can continue good form, spirit and friendship with one another.

Special thanks to Peter Karhu for all his time and effort, we certainly would not of had such results without his guidance.

If anyone is interested in playing, please contact Liz Ball, as we are keen to nominate a second team.

TRICIA JOHNSON

The 1979 Girls Premiership Team from L - R :
Gale Tipping, Sheryl Phillips, Dinah Zaikos, Terri Pierce, Jenny Findlay, Peter Karhu (Coach), Jan Aslett, Tricia Johnson, Helen Nottage, Elizabeth Ball and Lois Fox. Absent: Mary Green.
