FOREWORD

Season 1981 has come and gone and with it goes the joys and disappointments that each of us have received during the period January to September.

However, the summer months provide us all with renewed enthusiasm and deep down you wish that maybe 1982 will be your big year.

Success or failure can only be gauged by the way you reacted when opportunity was given you. If you don't make the most of it the chance may never come again.

In conclusion as an active Life Member of the W.A.N.F.L. Umpires Association, I sincerely request that you fully support the Association because whatever action the Committee take, popular or unpopular, will always be made with the best interest of all of us at heart.

I am grateful and honoured to have been asked to contribute this "Foreward" to the 1981 Annual Report.

PRESIDENT'S REPORT

FELLOW MEMBERS

This report brings to a close year 1981, a year of further significant achievement for our Association.

Generally, both city and country on-field activities have operated smoothly which compensated for what must be, without doubt, the most traumatic year our Association has faced. In the main, I refer to the Committee's decision to investigate our taxation position re trip fund raisings.

I know that there are some members who disagree with the manner in which the problem was settled but I suggest that this minority is ill-informed and does not appreciate the numerous hours spent in consultation with our legal and financial advisors before any decision was taken.

A more professional approach was required some time back to place our affairs in order and whilst no one person can be blamed for what has now transpired, the lack of control over trip activities by past Committees is a lesson not to be repeated.

Although a bitter pill to swallow for the members affected, nonetheless, their acceptance of the decision and co-operation since, with one or two exceptions, only goes to confirm the strength of character of our members and the high regard in which they hold our Association.

Year 1981 saw the departure of several experienced and competent Committee members and the newly elected members certainly had a baptism of fire. Without exception, all members of the Management Committee carried out their duties in the best interests of the Association and my sincere thanks go to each of them for their loyalty and support.

Special thanks are also due to:-

- . Peter Pustkuchen who retired to higher duties after eleven years as Secretary.

Words fail when one tries to quantify Peter's contribution to our Association.

- . Don McComish who ably stepped into Peter's shoes.
- . Our Treasurer, Kevin Holland, who is stepping down this year.
- . Our Social Committee for the high standard of functions arranged for our enjoyment.
- . Continued support of Ampol, with particular thanks to Ray Colgate and Ross Benzie for the interest they show in our Association.
- . Joyce W.A. for the introduction of their Incentive Awards to foster umpiring.

- . Joe Fitzgerald and Geoff Church for their expertise and direction with our legal and financial affairs.
- . Ted Brunton for his willing assistance in auditing our books over many years.

I can assure all members that your Management Committee is constantly reviewing and investigating alternatives to further the strength and influence of our Association and we ask for your continued support to achieve these aims.

Congratulations to all umpires who participated in the Finals and particularly the Grand Final and Interstate Umpires.

In closing I extend a warm welcome to the incoming Committee and to you, the Members, every success both on and off the field in 1982.

JOHN DEVINE
PRESIDENT

SECRETARY'S REPORT

On behalf of your Management Committee, I take great pleasure in presenting our Annual Report for 1981.

Both, from an Association and an Umpiring point of view, this past year could be considered as generally successful. During the season one Field, three Boundary and one Goal Umpire achieved the distinction of umpiring their first League Game. Doubtless there were several other Field Umpires who must have been extremely close to senior selection and who must feel confident of doing so in 1982.

The apparently perennial problem of insufficient Field Umpires was once again evident and this combined with the depleted ranks, through injury etc., of Boundary Umpires posed some appointment problems. Whilst there does not appear to be a ready solution to this situation there is, nevertheless, a very definite need for the WAFL to take an active role in relation to attracting suitable people to umpiring. This should extend to the implementation of a coaching scheme for junior umpires, with former umpires being encouraged to participate.

This season saw the introduction of the Joyce Awards, a cash incentive scheme for League Umpires, and we are indebted to Joyce W.A. for their fine gesture. However, I feel that the awards could be better structured to allow a more equitable distribution of the prizemoney to the various categories. Additionally, the method of allocating votes for the awards by Club Presidents or their nominees, or for that matter anyone who is connected with the respective clubs, must be considered suspect for obvious reasons. Hopefully, these factors will be considered prior to next season.

Before commenting on the various areas that are involved with the day to day running of the Association I would like to record my appreciation of all members for their willing response and assistance to me in filling this position.

MANAGEMENT COMMITTEE

Once again, under the Presidency of John Devine, your Management Committee carried out their duties in a professional and competent manner.

The Management Committee suffered an enormous loss at the beginning of the year with the unfortunate resignation of my predecessor Peter Pustkuchen. Peter held the position of Secretary since 1970 and during this time devoted himself to the advancement of the Association and the welfare of its Members. A magnificent effort Peter for which we are all truly grateful.

Having had the opportunity of serving in the capacity of Secretary to several committees in past years, I must commend my present colleagues for their diligence and efficiency. As members of the Association you can rest assured that your interests are foremost in their minds. I am indebted to each of them and particularly John Devine, for the assistance they have given me in my initial term as Secretary.

UMPIRES APPOINTMENT BOARD

The Umpires Appointment Board took on something of a new look in 1981 with the

appointment of Ray Scott as Chairman and the welcome addition of a new member in Peter Pustkuchen. Together with Max Pinner and John Fuhrmann they functioned in an efficient manner and to each of them we extend our gratification.

The onerous task of appointing umpires to the various grades and country competitions each week is, to say the least, an unenviable one and suffice to say there will never be a time when appointments will satisfy all of the recipients or their contemporaries.

By the same token it is incumbent on the Umpires Appointment Board, collectively and individually, to ensure that appointments are determined on ability and application to training and not allow personalities to influence their selection. Above all, honesty must prevail between the Board and the members in relation to their individual performance and progress.

Once again the Board was supported by an industrious band of observers, the members of the Association acknowledge their efforts and appreciate the constructive criticism that their reports contain. A sincere vote of thanks to Kevin Holland, Bill Brown, Brian Haigh, Norm Brown, Allan Clarke, Terry Carter, Dennis Heaney, Tony Holland, Terry Neilson and Colin Turton.

UMPIRES ADVISOR

This season Ray Scott completed his fifth term in this capacity. The duties and responsibilities of this position are most demanding and time consuming, to carry them out over such a long period is indeed a creditable performance. Ray was once again assisted by Ned Martino and as usual Ned was always on hand to give advice and encouragement.

TRAINING SUPERVISOR

Our thanks to John Fuhrmann for his supervision and direction on the training track without which, I am sure, the standard of umpiring would not have been as high as it was.

UMPIRES ADVOCATES

As in past seasons our Advocates were kept very busy, their job not being made any easier by the irregular sitting nights of the Tribunal. These four competent and dedicated men, John Dolling, Len Hurley, Ray Montgomery and John Smith-Gander ensure that our members are properly prepared and represented, they give of their valuable time willingly and frequently at the expense of other engagements.

Gentlemen, to each of you I extend my personal appreciation and that of all our members for your unstinting efforts and assistance.

POINT PERON CAMP

I am reliably informed that this year's camp was as good, if not better, than any held previously. The success of this annual function is primarily due to the hard work and organizing ability of Hal Symons. Each year he manages to produce week-end programmes from which our members benefit mentally and physically and we could not wish for a better start to the season.

Our sincere thanks Hal and also to Vinka for the high standard of catering.

COUNTRY FOOTBALL

Once again our members officiated in the majority of Country Leagues. The hospitality extended to our members by the various Country Leagues is appreciated and we extend our best wishes to all officials, players and supports.

TRAINING STAFF

It is reassuring to have such a dedicated team of competent trainers, very capably managed by Head Trainer, Warren South. To each of you, Warren, Harry, Bernie and Des, I extend the grateful appreciation of all our members and we look forward to your support in 1982.

The donation by the WAFL to subsidize our training staff is thankfully acknowledged.

HONORARY SOLICITOR

The services and advice of Messrs Hammond, Fitzgerald and King, were very much in demand during the year and we are most appreciative of the ready assistance provided.

HONORARY ACCOUNTANT

Mr Geoff Church continued to provide the Association with his professional services and in his usual diligent manner. We extend our sincere thanks to Geoff and look forward to retaining his valued services during 1982.

HONORARY AUDITOR

We were most fortunate to receive an offer from Mr Brian Eddy, to act as our Honorary Auditor. We are grateful for his kind gesture and look forward to his advice regarding our financial matters.

WEST AUSTRALIAN FOOTBALL LEAGUE

During the season our relations with the WAFL have been generally favourable. In a relationship such as ours, it is of paramount importance to both bodies, that a compatible management situation exists. To this end I feel that W.A.N.F.L.U.A. participation in decision making, in matters relating to our members, would be beneficial to the future of umpiring in this State.

The Association is grateful for the assistance and co-operation that we have received throughout the year from the President Mr Yovich and his fellow Directors, also Mr Bowler and the administrative staff of the League. We wish them every success in 1982.

APPRECIATIONS

The Association appreciates the efforts of the following during the season:

- . Ampol Petroleum for donation of Trophies.

- . Joyce W.A. for donation of incentive awards.
- . David Rowe for compilation of the Annual Report.
- . Gil Bishop - Propertyman.
- . Life Members for donation of the Life Members Trophy to Gil Bishop.
- . Ray Montgomery for Grand Final certificates.
- . Bob Hayres for donation of Parker Pens for reserves and colts Grand Final umpires and presentation of pens at pre-season camp.
- . Peter Troode for photographic work.
- . Ron Powell for preparation of frames for Association Certificates.
- . WAFL for use of facilities for Committee Meetings.
- . Sandra Falls for typing, preparation and despatch of ballot papers.

CONCLUSION

In reviewing the 1981 season, I feel that all members of the W.A.N.F.L.U.A. can feel satisfied with the Association's achievements.

I believe that the Association is about to embark on a period of development and achievement that will require the loyal participation and co-operation of all members.

During the year, we welcomed many new members to the Association and we were appreciative of their support. To those members who will not be continuing next year, for retirement or other reasons, we wish you well and thank you for your support in the past.

In this my first year as Secretary, I am grateful for the support that I have received from all members and thank you for the opportunity of serving in this capacity.

To all members and their families my best wishes for the forthcoming festive season.

Finally, to all incoming Committee members I convey my best wishes for an enjoyable and successful year.

SOCIAL SECRETARY'S REPORT

GENTLEMEN,

Another season has passed and socially it has been quite successful. Attendances were similar to last year, but those attending seem to be the same persons every year, with encouraging support from some of our new members. Cost seems to be a factor for non-attendance by some members, however, we have always set out to run these functions at a break-even point and if you take a look at the financial statement, it shows just that.

The social programme has certain regular functions, that is, umpires' teas, grand final dinner and dance. However, the rest are open to suggestion, so if any member has any ideas we would like to hear from them.

I would like to take this opportunity to thank various members for their efforts during the year.

To the social committee chairman in Barry Johnson, an energetic leader.

To social committee members, Brent Findlay and Geoff Ferguson, for their continued support and Les Liecester whose efforts in his first year on the committee were outstanding.

To Kevin Holland for his financial back-up.

To John Devine, our President, for his guidance but fairly free hand in social function organisation.

To Don McComish a magnificent job in taking over the hard role of Secretary.

I must also thank our life member in Barry McKenzie who lent us his hi-fi and lighting gear, which made the variety night the success it was.

To Collene, my wife, my thanks for her help in typing letters etc. and the time off to do the job.

Hope to see you all next year.

ALAN J. MIRABELLA
SOCIAL SECRETARY

OFF-SEASON HINTS

Undertaking all of the following suggestions will make pre-season training in 1982 a less traumatic experience.

INJURIES

Should you have completed the season, or "carried" an injury throughout the year have it attended to. A rest may relieve the symptoms, but if the cause remains the injury can re-occur during 1982.

The average G.P. has little knowledge of sports injuries. Two doctors that are recognised and qualified in this areas are:-

Dr Alex Sinclair,
12 Cleveland Street,
Dianella 6062
272-2236 (W)

Dr Ken Fitch,
24 Union Street,
Subiaco 6008
381-2288 (W)

DIET

During the football season a considerable amount of energy is expended during training and games. As a result food intake generally rises.

Upon cessation of the season it is important to reduce your intake, since energy expenditure will be lower. Failure to do so will result in an increase in weight.

TRAINING OFF-SEASON

Bearing in mind that pre-season training generally commences on the first Tuesday in January, a 4-6 week off-season using the "active rest" principle should be undertaken.

Running (jogging) can be confined to three days per week during this period, covering 3 to 5 miles per session. Activities such as squash, tennis or swimming would also be beneficial. Continue all flexibility and strengthening exercises undertaken during the football season.

Later training adaptation is dependend on the overload principle. No benefit can be expected unless the training stimulus threshold is reached. For an umpire this should be at about 80% of the maximal heart rate. Maximal heart rate is easily estimated by 220 minus the age in years. Hence, a 30 year old umpire has a maximul heart rate of approximately 190 beats per minute and should run at an intensity which produces a rate of 152 beats per minute. This should be maintained for 15 to 35 minutes.

At the conclusion of 4-6 weeks add an additional day of faster running - a total concentration on long slow distance will result in a loss of basic speed during the football season.

A total of four days running per week, spacing the three rest days to suit personal convenience or "tiredness" is logical.

No great additional benefit will be accrued by running distances further than 5-6 miles.

VENUES

Since it is difficult and may be boring training as an individual instead of in a group, some people may wish to train with an athletics coach or club. Contact can easily be made via a little athletics centre meeting who will have knowledge of where senior athletes training. (Footballers frequently utilise these people.)

Alternatively vary the place of training e.g., beach, river, golf course, Jacob's Ladder, Kings Park etc.

Best of luck.

TREASURER'S REPORT

Gentlemen,

Our results for the past twelve months have been satisfactory. Once again my thanks go to our Management and Social Committees for their hard work.

Our Reserve Account has a balance of \$5,180. A healthy situation considering we didn't do any cleaning after the finals this year, an increase of \$1,700 on last year.

Our working account has a balance of \$1,329, a deficit of \$1,521 on last year, however, this will get a boost before the new year when we receive our trainers subsidy for the W.A.F.L. for 1982.

Two new sources of income for the Association this year were monies received from the sale of seats to the Finals and from Ampol Petrol Cards. Our thanks go to the W.A.F.L. and Ampol and of course to you, the members for supporting both of the above.

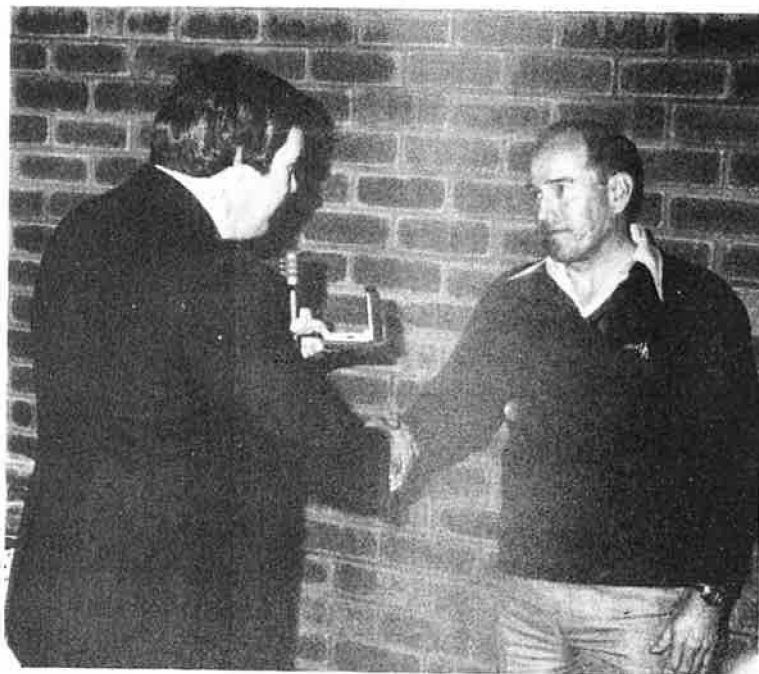

In conclusion I would sincerely like to thank the Management and Social Committees and to you members for your support during my two years as Treasurer. It is with regret that I retire at the end of our 1981 financial year.

To Ken O'Driscoll who replaces me I wish him every success.
