## PRESIDENT'S REPORT

*Jerome Mohen*

In 2015 the WANFLUA continued its proud history of ensuring strong working conditions for its members, whilst also providing an exciting and enjoyable social atmosphere for its members to revel in, thereby ensuring high satisfaction and retention rates amongst its members.

On top of this, in 2015 the WANFLUA embarked on some landmark achievements in securing a lucrative fundraising opportunity with Racing and Wagering Western Australia (RWWA) and signing off on a significantly restructured Memorandum of Understanding with the WAFC for the upcoming 2016 and 2017 seasons.

Before further exploring the successes of 2015, it is imperative that I take this opportunity to thank the tremendous support and the selfless volunteered dedication of the WANFLUA committee:

- Ashley Coster (Vice President)
- Justin Power (Treasurer)
- Alex Martin (Secretary)
- David Thatcher (Social Secretary)
- Sean Moylan (General Committee)
- Ben Laycock (General Committee)
- Reuben Garlett (General Committee)
- Clayton Gardner (General Committee)
- Jack Nyenhuis (General Committee)
- Yarraan Streat (General Committee)

A further special thank you is to be extended to the outgoing committee members Justin Power and Clayton Gardner.

Justin has undertaken the highly responsible and time-consuming job of WANFLUA treasurer over the past two years. In this time, Justin has not only overseen and managed a high turnover of funds, he has assisted the important implementation of cloud-based accounting software and online banking, both of which will significantly increase the efficiencies of the treasurer role for generations to come.

Clayton's contribution on the general committee has also been highly valuable. Clayton completely revamped the association's website and has been of great assistance as the association looks to try to implement a centralised electronic record keeping system. I again extend my personal thanks to both Justin and Clayton for their selfless and excellent service to our association.

Thanks to Life Member Phil O'Reilly, the WANFLUA was presented with a significant fundraising opportunity from RWWA following the completion of the 2015 season. After consultation with its members, the association embarked on an agreement which resulted in members of the association volunteering their time to provide horse observation services to RWWA for seven Group One races between November 2015 and January 2016. The agreement would see our members usually get out of bed at 3am to attend stables (generally an hour from Perth) between 5am and 3pm and observe the horses racing in Group One events and reporting to RWWA any interactions between

the horse and trainers prior to the race. In return for this service, RWWA agreed to donate an amount of \$53,080 to the WANFLUA. The WANFLUA received excellent feedback from RWWA and will be given the same opportunity again in 2016.

I would like to thank all members who generously volunteered their time by participating in this fundraising initiative. In particular, I would like to make special acknowledgement of the significant contribution of our Vice President, Ash Coster, who spent countless hours doing the organisation and appointment of all our volunteers. The association is greatly indebted to him for his generous service. The funds raised from the RWWA fundraiser provided the association with many exciting opportunities.

Following the fundraiser, the WANFLUA in conjunction with the WAFC embarked on an exciting venture together which will see all WAFL field umpires from Colts to League be kitted with Match Day Communication equipment which will allow field umpires to easily communicate whilst officiating, much like occurs in the AFL. The 'match com' systems should see our members be kitted with equipment which significantly assists them in conducting their on-field duties, which in turn should lead to higher retention rates.

The match com came at significant expense, with the WAFC purchasing the equipment at a cost of \$79,117. The WAFC will take charge of the ownership of the equipment which includes maintenance and insurance expenses. From the horse guarding funds, the WANFLUA donated \$28,561 to the WAFC for the purchase of the match com equipment. I would like to thank the WAFC for their investment in our members and acknowledge the significant result this was for our members, with our fundraised money essentially being extended from \$53,080 to \$103,636. Again our Vice President Ash Coster was instrumental in the procurement and negotiation for the purchase of the match com equipment.

The committee will continue to liaise with its members to ensure the best utilisation of the remaining funds raised.

By the completion of the 2015 season, the Executive had also overseen the implementation of a considerably overhauled Memorandum of Understanding with the WAFC. I again would like to extend my gratitude to the WAFC for the way in which they entered into the discussions, which has resulted in a significantly improved document for all parties involved.

Significant changes and improvements to the MOU are itemised below:

- The MOU now covers a two-year period, enabling greater ability of the WAFC and the WANFLUA to manage their respective budgets and provides a needed reduction in respective administration time;
- The recognition of all terms and conditions in the MOU document instead of being spread between the MOU and the WAFC Policy and Procedures Manual;
- The provision of an MOU which is now easily referenceable and able to be clearly read and understood;
- Greater clarity regarding:
  - the purpose and background of the agreement;
  - the insurance cover provided by the WAFC to the WANFLUA;
  - issue identification procedures;
  - leave provisions for umpires; and
  - the provision of trainers for pre-season fixtures.

The agreed MOU further has the inclusion of the below terms and benefits in addition to previous agreements:

- 1.2% pay increase for season 2016;
- A pay increase for season 2017 as per the June Quarter, Perth Capital City CPI rate;
- The provision of match day goal umpire jackets;
- An increase to the training uniform contribution by the WAFC, with the effect being the WAFC covering the majority, if not all, of training uniform costs;
- Increased funding by the WAFC for keynote WANFLUA presentation evenings;
- Increased ticket allocation to the Capes Room on grand final day; and
- Acceptance of new tribunal procedures which are envisaged to significantly improve umpire satisfaction with their interaction with the WAFL tribunal process.

Members are again encouraged to liaise with the Executive should they see areas within the MOU which they believe could be improved or if there are items within the MOU which are not complied with.

Another major highlight of 2015 was the revamped Hall of Fame function. Umpiring legend and WANFLUA Life Member Craig Hendrie was inducted into the Hall of Fame. The function was moved from Ernest Johnson to the Bells Function Centre. The new venue provided a wonderful backdrop for a fantastic night and was well received by all in attendance. We look forward to carrying this initiative into future years where we hope we will see a continuing growth in attendance from life members and past members at this function.

I would also like to thank all those involved for the compilation of this yearbook. The selfless contribution of our volunteers is essential to the success of our association and I encourage all members to continue to pitch in and provide assistance to the running of this association where possible.

Thank you again for allowing me the privilege of leading this association and I look forward to continue working with you all going into 2016.

# SECRETARY'S REPORT

*Alex Martin*

With the Executive Committee now into its second year, 2015 was a more settled year for the WANFLUA than 2014. Probably the most significant achievement in 2015 was the signing of a significantly-restructured two-year MOU with the WAFC that delivered improved conditions for members while maintaining a strong working relationship with the WAFC. The efforts of Jerome Mohen and Ash Coster were central to this, and members are fortunate to have two such dedicated and capable operators at the helm of the association.

Another highlight of the 2015 season was the revamped Hall of Fame function that was held at an external venue for the first time. The feedback received from this event was extremely positive and the Social Secretary, David Thatcher, should be very proud of all the hard work that he put in to making this event a great success.

From a personal perspective, the work I did in 2014 in centralising all the contact databases and email groups made my task of maintaining regular communications with members far easier than it was previously. On that note, any Running or Life Member who is not receiving regular email correspondence from the WANFLUA is encouraged to send an email to [wanflua@hotmail.com](mailto:wanflua@hotmail.com) so that you can be added to the relevant database/ mailing list.

Once again, I strongly encourage all running members to consider becoming involved in some way with the association. This doesn't have to take the form of serving on the committee; it can also involve writing articles for the yearbook, helping out at the bar, taking photos and videos, assisting with the organisation, setting and packing up at functions, or assisting with any other tasks that need doing. If you feel that you want to help out but are not exactly sure how, simply ask a committee member how you can contribute.

I look forward to playing my part in 2016 in another successful year for the WANFLUA and seeing all our Running and Life Members getting involved in association activities and functions.

## SOCIAL SECRETARY'S REPORT

*David Thatcher*

Another year has come to an end and just like the previous year it was packed full of great social events and functions which were enjoyed by both our Running and Life Members. With the new committee structure giving me a dedicated social team, we were able to put more effort into delivering some different functions for the group this year.

The year started off with our traditional Panel Night and, continuing their success, Alex Martin and Chris McCann returned to host another fun-filled reflection on the pre-season, including yet another popular umpiring anthem, with Bruce Springsteen's "Born to Run" striking the right chord. And not be out done by the younger umpires, a group of old timers led by Stuart Parry, Paul Pitchers and Scott McPhee delivered a Backstreet Boys tribute. Once again, a big thanks to Josh Cable who handled most of the media and video work for the function. The night was a success with 130 people in attendance.

Our first social function of the year was Harry's Night and this year we had a Murder Mystery Night at EJ with a Cruise Ship theme which was well supported by everyone with some great costumes on display. We welcomed our new trainers for 2015, paid tribute to our outgoing Head Trainer Kylie Hansen and of course recognised the contribution of Harry Jardine to the WANFLUA.

This year we also made a special presentation to May Jardine and Jo Smith who decided this would be the last year they would be providing the wonderful food that has become the key tradition of Harry's Night. We thank Jo and May for their efforts, not just this year but over the many years they have been assisting the WANFLUA.

Our next function is perhaps the most prestigious on our calendar, the Hall of Fame. This year the event was held at the Bells Function Centre on the banks of the Swan River and provided the perfect setting for the induction of field umpire Craig Hendrie. The night was hosted by WANFLUA President Jerome Mohen and was well supported by our Life Members and current Hall of Fame, with large numbers in attendance making the night a success.

Our second social night for the year saw a new function make its way to EJ with the first Bogan Bingo Night. Flannel shirts were in abundance and the mullet made

a sensational return as the group enjoyed a night of "Bingo" and "Bogan" frivolity.

Throughout the year we hosted our traditional Umpire of the Rounds functions with the Life Members BBQ for two of these and the famous Betty's Spaghetti in offer for the final Umpire of Round.

Thursday nights in the Peter Repper Bar continue to be a success, with Ash's Arrow helping to attract more people to stay around after training and enjoy some more relaxed activities at EJ.

Our regular Presentation Night was again held at the WACA Boundary Function Rooms. We had 120 people in attendance and the night was again hosted by WANFLUA Life Member Craig O'Donoghue. The night recognised several awards and presentations from league debutants to game milestones, State Game umpires, Rising Star, Colts Umpire of the Year, WAFC Service Award and the (newly minted) Rosebury, Shawcross and Smith medals for most improved.

In 2015, the WANFLUA made two special presentations to retiring Life Members Paul Pitchers and Kendell Ball

for recognition of their dedication to the WANFLUA. The John McKay Life Members Trophy was awarded to Lauren French for her great work on the 2014 Yearbook and also organising the hoodies for members during the year.

Our final function for 2015 was our annual Dinner Dance which was held at the Duxton Hotel Grand Ballroom for the first time. The night was again well supported with over 140 of our members, their partners, trainers and coaches in attendance. What a great night out to end the year.

It has been a very successful year in 2015 and I'm looking forward to continuing this in 2016 with some new functions for the group to enjoy. Obviously it is hard for me to complete anything without the help and support of the rest of the committee so thank you for your hard work in 2015. Also to Paul Albertani, Lauren French, Brad Hunt and several others who have helped out this year despite not having formal roles on the committee. Thank you for your contributions.

Finally thank you to all the umpires, life members, trainers, coaches and partners for supporting the WANFLUA functions in 2015 and I look forward to bigger and better things in 2016.

## WAFL UMPIRE MANAGER REPORT

*Darryl Sinclair*

Season 2015 commenced in fine style with an outstanding pre-season program. The appointment of strength and conditioning coach Luke Daniher provided the umpiring team with a clear direction of what was required on the training track and the manner in which Luke conducted the sessions and program was excellent.

Unfortunately, Kylie Hansen decided to retire as Head Trainer in January and although the timing was not ideal, we were fortunate to have her deputy Peta Ryan available to fill the role. Kylie served the umpires well for eight seasons. Her contribution, dedication and commitment were sensational and on behalf of the umpiring team I wish her well.

That said, Peta was fantastic in her first year. Her strong organisational skills ensured that umpires were treated professionally. Peta's ability to manage the Trainers was very good and this was demonstrated by every game being serviced.

The Hal Symons Fitness Camp again was successful at Woodman Point and was a highlight of the season. The guest speakers were well received, the team games were fantastic and the fellowship ensured that we were prepared for season 2015.

Gareth Parker, in his second year as Field Umpires Coach, continued to reinforce his coaching message from the previous season. Due to his upcoming wedding in 2016, Gareth will step down and take a Match Day Coaching role which will allow him to also concentrate on his heavy work commitments. Gareth has done a terrific job and I thank him for his commitment to the role. I wish Gareth and his future bride Elizabeth well for the future.

Academy Coaches Paul Beckers and Cameron Douglas worked tirelessly at training to educate our young field umpires and this provided numerous opportunities for our next generation to umpire colts football and the future looks positive.

IN our senior field squad, the performances of Stuart Parry (7 grand finals) and Scott McPhee (5), together with Matt Adams (2) set the benchmark for others to follow.

Boundary Umpires Coach Geoff O'Neill did a great job, given the boundary team were decimated by injury. On the positive side this created numerous opportunities and the coaching team are confident that we now have a solid foundation for many seasons to come.

Josh Garrett continues to improve which resulted in him umpiring his second grand final and winning the John Devine Medal for the first time. Kyle Sinclair has become one of our more consistent umpires on and off the field and Sean Moylan's development has been rapid due to his ability to listen, learn and work hard. Ryan Kukura had now done seven grand finals, a remarkable achievement, and his leadership throughout the year has no doubt assisted Josh, Kyle and Sean in their development.

Goal Umpires Coach John Marrapodi, in his first year under the new coaching structure, in conjunction with his coaching team, continued to manage a cohesive goal umpiring team.

Sally Boud, Lauren French, Brody Payne, Sam Hunter together with Gareth Lill and Steven Gaensler will ensure that goal umpiring will continue to grow. Sam Hunter was a worthy winner of the Bill Carter Medal and umpired well through the final series.

AFL Grand Final day, to have had two field and one boundary umpire from WA umpiring on the that last day in September is very satisfying not only for the umpires but also for the coaching staff for the hard work and support they provide to the umpires. It is a testament to our talent umpire pathway. In the goals, Brett Rogers was appointed to his second final and I have no doubt that Brett will be one of our leading AFL umpires in season ahead.

There are always some disappointments in football and we cannot expect to umpire grand finals every year. The challenge for us moving forward is that as long as you have given 100% on and off the field you place yourself in a position of strength come selection time. There are no guarantees.

A highlight of the season was our Perth-based AFL boundary team who were represented on the national stage during the finals. Well done to Nathan Doig on his fourth AFL Grand Final and being one of the leading umpires in the national competition. Nathan now must be considered to be one of the finest umpires in our history and his dedication and his ability to continue to be the best he can be is outstanding.

Brett Dalgleish had a sensational season, umpiring three finals and he has developed a wonderful attitude towards umpiring. I am confident if Brett can improve his time trials during the pre-season in a very competitive industry he can have further success. I am also confident that Jace Collingridge can resume training soon and that Cal Brown and Adam Bastick will umpire finals in 2016.

The AFL field umpire achievements were remarkable with Jeff Dalgleish and Dean Margetts officiating in the two preliminary finals held in Perth. Jeff's appointment to his first AFL Grand Final was fantastic. He commenced with the WAFL in 2003 and has umpired 232 league games, including 113 AFL games, and really only established himself on the AFL Team a few years back. I would like to thank Michael Ball, Peter Repper and Gareth Parker for also assisting Jeff through the umpiring talent pathway.

With Victorian-based Brett Rosebury also there on

We had two significant retirements during the season and on behalf of the coaching team I thank Paul Pitchers and Kendall Ball for their contribution to umpiring and the WANFLUA.

The leadership team continue to promote a positive culture and their work behind the scenes is appreciated. We do have a positive learning environment and I thank everyone for their contribution.

I am extremely grateful for the efforts of our fitness and medical staff who ensure that training and the wellbeing of the team was met.

The Match Day Coaches have again provided wonderful support, commitment to each other and to the running umpires. Thanks for your efforts and support.

Jerome Mohen, Ashley Coster and the WANFLUA Executive have done an outstanding job representing the WANFLUA and Jerome and Ashley together with Cameron Knaption and myself have formed a wonderful professional relationship.

Finally, congratulations to our Grand Final Umpires and our season award winners in Scott McPhee, Josh Garrett and Sam Hunter for being the best in their discipline.

Enjoy the break and look forward to seeing you in January 2016.

## FIELD UMPIRES REPORT

*Gareth Parker*

2015 was my second and final year as coach of the senior field umpiring group and it has been an absolute privilege to lead the group over this period.

It was a momentous year for field umpiring in this State, with the undoubted highlight being the appointment of Jeff Dalglish to officiate the 2015 AFL Grand Final, becoming the first field umpire based outside of Victoria to achieve this appointment.

On the WAFL front, I was pleased with how the field umpiring group performed as I felt that we serviced the competition to a high level on a consistent basis. In this regard, our group was ably lead by Stuart Parry and Scott McPhee, who were ultimately appointed to their seventh and fifth WAFL grand finals respectively. It was also pleasing to see some of the next generation showing great promise, with Matt Adams' appointment to his second League Grand Final highlighting his tremendous potential.

Other highlights for the season included:

- Scott McPhee winning his second Montgomery Medal
- Scott McPhee and Stuart Parry being appointed to the State Game
- McLane Edinger and Jordan Fry making their league debuts
- Jordy Wright (18s), Justin Power and Trent McPhee (16s) representing WA at the National Championships
- Trent McPhee winning the Ross Capes Medal for best field umpire over the pre-season
- Matt Costello winning Colts Umpire of the Year
- Ben Laycock winning the Brett Rosebury Medal for the most improved field umpire
- Jordan Fry winning the Rising Star award

While the season was filled with many highlights, there were some sub-optimal aspects too, most notably the retirements of senior umpires Stuart Parry, Scott McPhee and Paul Pitchers. All three umpires have given outstanding service to the group both on and off the field for well over a decade and will undoubtedly prove very difficult to replace.

I'd like to thank Darryl Sinclair and all our match day coaches for their support over the past two seasons; my role would have been impossible without their

counsel over this period. Luke Daniher and all of the trainers also played a critical role in ensuring our umpires presented each week in the physical condition to perform at the required standard.

Most importantly, I'd like to thank my wife-to-be, Elizabeth, for her support over the past two years. Performing this role in addition to my primary employment has placed a limitation on our time together, so I look forward to being able to spend more time with her in the future.

Finally, I'd like to thank the WAFC for entrusting me with the leadership of the field umpiring group over the past two seasons and I'd like to wish each member of the group all the very best with their future umpiring endeavours.

# BOUNDARY UMPIRES REPORT

Geoff O'Neill

Season 2015 was a challenge from the very beginning with Greg Smith injuring himself at the Hal Symons Fitness Camp and unable to add to his tally of WAFL games umpired.

Brad Hunt was another who sustained a long-term injury and missed the entire season. But, as they say in the classics, as one door closes (in this case, two) another one opens and it was a terrific opportunity to blood some new talent to League football.

Congratulations to the following umpires who debuted in 2015:

- Tony Raudino, Alex Keys (Round 1)
- Clayton Gardner (Round 3)
- Mitch Vernon (Round 16)
- Bayley Lamont (Round 17)
- Cambell Smith, Caylem Priest (Round 22)

Once again these guys did not let the competition down and they should be very proud of their performances. As the season got into full swing, we continued to be devastated with injury, but it was very pleasing to see those who were unable to umpire due to injury pull on a MDC cap and were only too happy to pass on some valuable knowledge to the group. Those involved were Greg Smith, Brad Hunt, Jace Collingridge, Kirk Webster and Jack Nyenhuis. Also a big thank you to Warren Beckwith, Robbie McDonald and Tony Westall whose assistance was truly invaluable in helping me cover so many appointments.

Congratulations to Josh Garrett, Ryan Kukura and Kyle Sinclair who were appointed to run the chalk in the WA v SA State game at Lathlain Park in May. As expected, all three did our group proud.

The 16's Carnival in Queensland was just reward for Bayley Lamont and Clayton Gardner who are just starting out on their umpiring journey. Trips like these are so valuable for their development.

Sean Moylan was chosen to represent WA in the 18's

Carnival in Victoria. Sean umpired to a very high standard and the exposure he was subjected to can only benefit him in the future.

The three major individual award winners should all be very proud of their achievements:

Josh Garrett – Ron Hall Medal (Best Pre-Season Boundary Umpire)  
 Sean Moylan – Greg Smith Medal (Most Improved Boundary Umpire)  
 Josh Garrett – John Devine Medal (Boundary Umpire of the Year)

Grand Final day came and the umpires should be congratulated on getting the job done without any fanfare or issues. From a coaching point of view, I was extremely pleased with all performances over the three games.

**League:** Josh Garrett, Ryan Kukura, Kyle Sinclair, Sean Moylan

**Reserves:** Michael Washbourne, Ryan Sinclair, David Thatcher, Dom Strambolini

**Colts:** Bayley Lamont, Nick Wrenn, Cambell Smith, Justin Harrex.

This year the Strength and Conditioning team of Luke Daniher and Jami Ruscoe took training to a completely new level with variety, umpiring-specific sessions and most of all, the umpires have really enjoyed the professionalism. Thank you for the "breath of fresh air" you have brought to the group. To Peta and her team, thank you for patching up the wounded soldiers week-in and week-out. We couldn't do what we do without your help and care.

Finally I would like to thank Darryl Sinclair who has been very supportive and has shouldered a lot of the behind the scenes administrative duties which has allowed me to concentrate on doing the thing I enjoy the most; coaching this fine group. Now all that's left is to rest up, get your bodies healthy, spend time with family and loved ones, and like me, look forward to 2016 with a lot of positivity.

## GOAL UMPIRES REPORT

*John Marrapodi*

In 2014, Colin Shawcross was left with the challenge on whether the WAFL goal umpire team could maintain the high quality of goal umpiring produced in season 2013. As 2015 was my first year as WAFL/AFL Goal Umpire Coach, I had the added challenge of maintaining and working towards improving on the high standard, which included the coaching ethos left in place by Colin.

In 2015, a standard goal umpire assessment process was implemented across all three grades. As result, of the 540 appointments made throughout season 2015, a total of 534 appointed umpires received match day coaching and a match assessment. The aim was to match day coach as many umpires as possible and provide the necessary feedback to assist them in their development.

Another key performance indicator was to debut two new League umpires. This was achieved with the appointment of Ben Clark in Round 1 and Brendon Carrod in Round 4. We had five umpires debut in Reserves, Hannah Manassah (Round 1), Rhys Mola and David Hayes (Round 4) and Tiana Fry (Round 12). In addition, eight new umpires joined the WAFL panel – Rhys Mola, David Hayes, Nick Walters, Tim Banith, Jason Yazdani, Graeme Tingey, Udom Quartermain and Jayden Trivanovic. These umpires have joined us with some or no experience. For the umpires who umpired for the very first time, their development and commitment has been outstanding.

The focus throughout the season was not about ticking the boxes and debuting umpires. The focus had to be about sustainability and being able to keep umpires at those levels on a regular and prolonged basis, and I'm happy to say this was achieved. This meant a process of rotation had to be implemented to create opportunity. In some cases, byes had to be put in place to ensure goal umpires received game opportunity.

The 2015 football season presented us with many highlights. Ben Clark was nominated and umpired State 18's in both Western Australia and Victoria. His performance through the 18's competition earned him selection to umpire before the 2015 AFL Grand Final. Brendon Carrod was selected to umpire the State 16's in Queensland. Sam Hunter was selected to umpire

the 2015 State Game between Western Australia and South Australia and he was supported by Brody Payne as the emergency.

Major awards for 2015 were Sam Hunter (Carter Medal, Goal Umpire of the Year), Hannah Manassah (Shawcross Medal, Most Improved Goal Umpire) and Ben Clark (Rose Medal, Best Pre-Season Goal Umpire). These awards were an acknowledgment of the hard work and commitment shown by each of these fine young umpires.

Congratulation to all nine goal umpires who were selected to the WAFL Grand Final 2015. To be selected as a member of this team should be considered as an honour, in particular our emergency team. These positions are not consolation prizes – an emergency goal umpire needs to be ready to step up and assume the role of the participating umpire if there is an unforeseen problem.

My thanks go to the AFL goal umpiring group of Dale Edwick, Brett Rogers, Matthew Laycock and Luke Edwards. Their leadership and willingness to assist our WAFL umpiring group must be acknowledged.

I would also like to acknowledge my two assistance coaches, Colin Shawcross and Robert Davis. Their assistance, support and guidance throughout 2015 is simply outstanding. Finally to the Match Day Coaches, Rick Payne, Steve Clark, Jack Crawshaw, Denis Heaney and Marty Tomkins. To Match Day Coach and prepare

reports for 534 appointments could not have been achieved without their commitment and dedication. Thank you to Terry Tomlinson from Community Football for identifying and encouraging young umpires to join the WAFL system.

My thanks to Luke Daniher and assistant Jami Ruscoe for their professionalism and managing the fitness program. I would also like to thank Peta Ryan and

her medical team for attending to the wellbeing of the goal umpires. Thank you to Darryl Sinclair for his leadership and support. As coaches, we endeavour to provide as much support as possible to the goal umpiring team. It's always comforting to know that we have someone there to support the coaches.

Season 2016 promises to be exciting with greater opportunities for the team.

## HALL OF FAME

*Craig O'Donoghue*

It's not every day that a star of the game agrees to joke about one of the most controversial moments of his AFL career. But when Sydney's 2005 premiership captain Barry Hall learned that Craig Hendrie was being inducted into the WANFLUA Hall of Fame, he was happy to create some laughs.

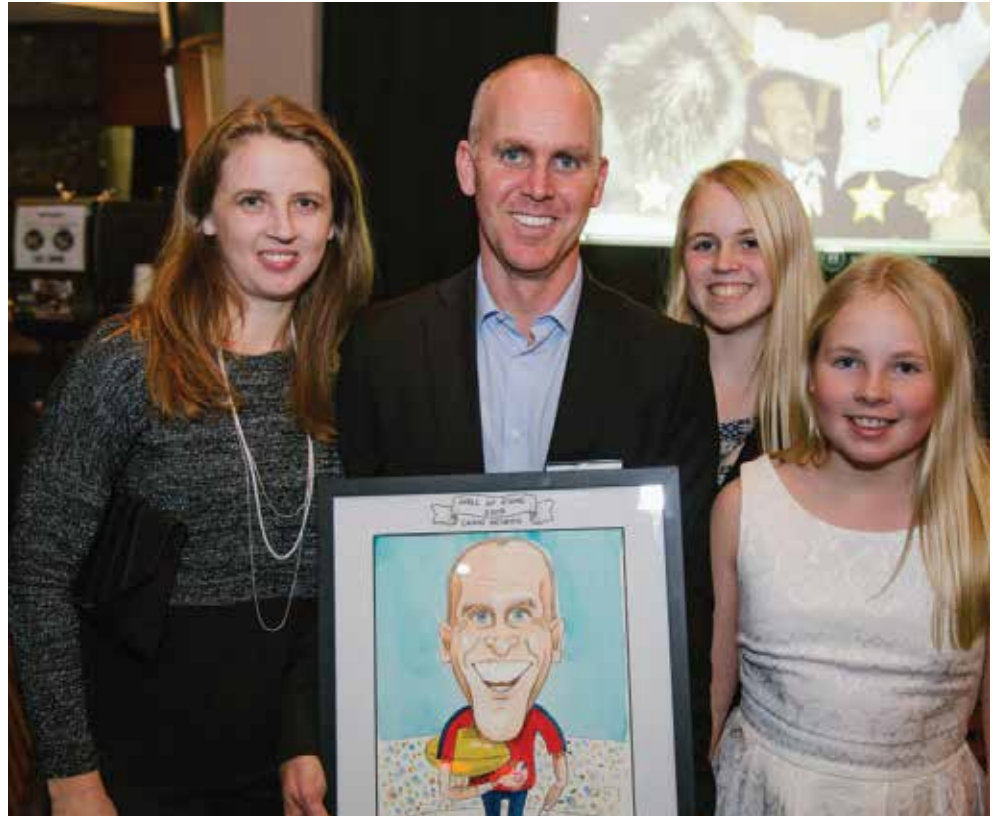

Hall and Hendrie were famously linked after the Swans forward gave away a 150m penalty against Hawthorn in 2007. Hendrie only paid the last of those 50m penalties, but the photos all show him and Hall in heated discussions so most people think Hendrie was responsible for the lot.

Hall was in Perth in May working for Fox Footy when Fremantle played North Melbourne. He used the opportunity to take the mickey out of Hendrie on camera, while also congratulating him on his illustrious career.

"It was such a laugh," Hendrie said. "On field, Barry was one of the scariest guys to be near, even as an umpire. When you meet him off the field I found him to be a very engaging character. Always liked a chat before a game and was quite funny. For him to make himself available to be a part of the video tribute was awesome and it really made my night."

Hendrie has always been a popular character. With 69 AFL games, 256 WAFL matches, six WAFL grand finals, three state games and four Montgomery Medals, he was an obvious choice for Hall of Fame induction. His rise also created history because he joined his father Rob in the elite club, making them the first father-son inductions.

"Umpiring has been something that the whole family has been involved in for most of my life," Hendrie said. "It's provided us not only with some great on field moments and successes, but we've made lifelong

family friendships through umpiring. We've been able to travel to some great cities whilst umpiring and Dad has even umpired a game in London so it's provided us with an enormous amount of opportunities."

Fourteen Hall of Famers, and more than 150 umpires, partners, coaches and Life Members attended the induction ceremony at Bells Function Centre.

Inaugural Hall of Famer Trevor Cant was honoured on the night by being named out Ball Legend for 2015.

But it was Hendrie's night and his beaming smile was perfectly captured in his Hall of Fame caricature.

"It's a very humbling experience if you consider some of the great umpires that are already part of that group," Hendrie said. "I'm exceptionally honoured to have been acknowledged in such a way and I was pretty excited to become a part of it. It really does put an exclamation mark on my entire career and I'll have some fond memories to look back upon."

## 2015 AFL GRAND FINAL

Michael Washbourne

WANFLUA life member Jeff Dalglish became the first field umpire based outside of Victoria to officiate in an AFL Grand Final when he walked out on to the hallowed turf of the MCG for the 2015 decider between Hawthorn and West Coast.

Dalglish was joined in the field by fellow WANFLUA life members Brett Rosebury, in his seventh AFL Grand Final, and Nathan Doig, who was appointed to patrol the boundary line for a fourth time, including the last three in a row.

Following a tense preliminary finals weekend, Dalglish received the call every AFL umpire dreams of getting from head coach Hayden Kennedy on the ensuing Monday morning.

In true Dalglish style, the typically reserved 29-year-old admitted to having no major emotions when informed of his landmark appointment.

"I think the coach was a bit disappointed in my underwhelming response when he did give me a call and said I was in," Dalglish said.

"I probably didn't actually go as well as I would have liked in the prelim, but collectively as a team we went OK. I actually walked away a little bit disappointed with it, but I wasn't overly worried about the outcome. It was going to be what it was going to be.

"I was pretty relaxed about it to be honest. It was just business as usual and we rolled on for another week."

It was a similar feeling for Doig, who has chalked up a remarkable 290 senior games, including 213 at AFL level.

"I think anytime you make a finals panel it's a good feeling and to make it to a prelim is a real positive, but in the end it's such a subjective pursuit," Doig said. "It is hard to gauge if you have had a good year just on making finals or should you judge the year on effort. I know which I prefer to base it off."

Dalglish has now umpired 233 senior games and the Grand Final was his 113th at the elite level, having been scouted by WANFLUA great Mike Ball while umpiring a juniors competition in 2002.

"Inside it's something you've been working towards for a very long period of time and in the back of my mind I've had this goal in place since I was about 16," Dalglish said. "On reflection there's a lot of great things about being the first person based outside of Victoria to umpire a Grand Final. It's a relatively big achievement and I'm quite proud about that."

Dalglish and Doig departed Perth together on the Thursday before the Grand Final for a light training session with their eastern states counterparts followed by a team dinner, before suiting up for the traditional Grand Final Parade through the streets of Melbourne.

While Doig has become accustomed to the festivities of AFL Grand Final Week, it was an all-new experience for Dalglish and he had mixed emotions about how to embrace it all.

"I'm probably more introverted than most, so the big parade stuff doesn't really tickle my fancy and the real challenge for me was around accepting what it was and then making sure that we didn't let the distractions get in the way of performing well on the day," Dalglish said.

"Almost take away the actual experience, it was really enjoyable to just spend time with teammates and people that I really respect."

Game day finally arrived and the first ball was bounced. And so loud was the noise from the crowd during the first half that Dalglish struggled to hear his coaches and AFL Umpires boss Wayne Campbell speak at the main break.

"I remember rolling in at half-time, sitting down and all I could hear in my ears was this ringing like you've been at a rock concert," Dalglish said.

"Wayne Campbell comes in and I can see his lips moving but I can't hear anything. I remember saying to him, 'mate, I can see you talking but I can't hear a word you're saying'.

"It was actually kind of a nice place to be because you've got this white noise in the background and it almost just frees you up to fully concentrate and immerse yourself in the game."

Equally challenging for the supremely fit Dalglish was the unusually hot weather that presided over Melbourne on Grand Final day.

"I remember in the last quarter starting to get a couple of cramps and thinking to myself, 'wow, I've put all this effort into preparing myself but maybe I'm not as fit as I should be?'," he said.

Hawthorn prevailed over West Coast to claim a rare third straight premiership, with Doig running the boundary in all three, but from an umpiring perspective the day will be remembered for having a strong WA contingent.

In a strange coincidence, 2015 was also memorable for Dalglish and Doig on a personal level as both welcomed their first children in the months leading up to the Grand Final. Both Dalglish and Doig paid tribute to their wives, Natalie and Ash, for shouldering much of the responsibilities in raising Logan and Reggie during their very early days so the pair's umpiring duties were minimally impacted.

"Having your first child is quite exciting, but you're also going through a whole lot of other things," Dalglish said. "There's consistent trouble-shooting around what works and what doesn't work that you're

kind of learning along the way, and you're trying to do that while you're sleep deprived and you're trying to support your partner through it."

Doig added: "I have a very amazing wife. I realistically couldn't be much help in those early days and months. So I tried to help where I could with Reg and then when I was at training or at a game that was my focus."

With four AFL grand finals now under his belt, Doig must now be ranked among the best umpires from any discipline to hail from WA. The 30-year-old urged those hoping to follow in his footsteps to focus on what is important and always put in the hard work.

"I was never what you might call an AFL boundary umpiring aspirant, I just happened to be in the right place at the right time," Doig said.

"My running coach at the time always told me that the harder you work, the luckier you get though. I just wanted to be the best umpire I could be and that didn't matter if I was running colts, reserves, league or AFL. I turned up to training wanting to improve. I turned up to games and tried to implement what the coaches gave me to work on and now I'm here still doing the same."

#### Notes to the financial statements for the year ended 31 December 2015

##### 1 Statement of significant accounting policies

The significant policies which have been adopted in the preparation of this financial report are:

##### Basis of accounting

The financial report is a special purpose financial report that has been prepared for its members in accordance with the Australian Accounting Standards, Urgent Issues Group Interpretations, other authoritative announcements and the Association Handbook in a form appropriate for a sporting association.

It has been prepared on the basis of historical costs and except where stated, does not take into account changing money values or fair values of non-current assets.

The accounting policies have been consistently applied, and, except where there is a change in accounting policy, are consistent with those of the previous year.

##### Statement of compliance

The financial report complies with Australian Accounting Standards, which include Australian equivalents to International Financial Reporting Standards (AIFRS). Compliance with AIFRS ensures that the financial report, comprising the financial statements and notes thereto, complies with International Financial Reporting Standards (IFRS).

##### (a) Revenue recognition

Revenues are recognised at fair value of the consideration received.

Membership – Membership revenue is driven through subscription fees. All membership income is recognised in the financial year in which it has been received to accurately match membership revenue with events held.

Interest – Interest income is recognised when it is credited.

##### (b) Receivables

Subscriptions shall be payable in the case of an Active Member immediately on notification of appointment as an Umpire and in all other cases no later than the 31st of May each year.

Collectability of debtors is reviewed on an ongoing basis. A provision for doubtful debts is raised where doubt as to the collection exists and debts which are known to be uncollectible are written off.

##### (c) Plant and equipment

Plant and equipment is stated at cost less accumulated depreciation.

Acquisition – All acquisitions of assets (except caricatures but including the updating on all honour boards, photos and framing of posters) are recorded at the cost of acquisition, being the purchase consideration determined as at the date of acquisition, plus costs incidental to acquisition.

Caricatures – They are anticipated to have indeterminate useful life. Their service potential has not, in any material sense, been consumed during the reporting period and as such, no amount for depreciation is recognised.

Depreciation – Is calculated on a diminishing value basis using the following rates:

Honour boards, photos and posters	10%
Plant and equipment	30%

**Notes to the financial statements**  
for the year ended 31 December 2015

**(d) Cash assets**

Cash assets are carried at face value of the amounts deposited.

**(e) Inventories**

Inventories are carried at the lower of cost and net realisable value. Net realisable value is determined on the basis of each inventory line's estimated selling price.

**(f) Payables**

Trade creditors represent liabilities for goods and services provided to the Association prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

**(g) Taxes**

The Association is exempt from the payment of income tax under the Income Tax Assessment Act.

Goods and services tax (GST) - Revenue, expenses, assets and liabilities are recognised inclusive of the amount of GST.

**Committee's Declaration**

In the opinion of the Members of the Committee of the Western Australian National Football League Umpires' Association (Inc.):

- a) the financial statements and notes:
  - (i) present fairly the financial position of the Association as at 31 December 2015 and its performance, as represented by the results of its operations and its cash flows for the year ended on that date; and
  - (ii) comply with Accounting Standards in Australia and the Associations' handbook; and
- b) there are reasonable grounds to believe that the Association will be able to pay its debts as and when they become due and payable.

Dated at Perth this 31st day of March 2016.

Signed in accordance with a resolution of the Members of the Committee:

## AUDIT REPORT

The The Members of The West Australian National Football

League Umpires' Association (Inc.)

### Scope

I have audited the Financial Records of The West Australian National Football League Umpires' Association (Inc.) ("WANFLUA") for the period 1 January 2015 to 31 December 2015. The WANFLUA is responsible for the preparation and presentation of the Financial Records and have determined that the accounting policies used are consistent with the financial reporting requirements of the Association and are appropriate for the needs of the members.

I have conducted an independent audit of the Financial Records in order to express an opinion to the members of The West Australian National Football League Umpires' Association (Inc.)

The income and expenditure statement has been prepared for distribution to members for the purpose of fulfilling the Committee's financial reporting requirements under its constitution. I disclaim any assumption of responsibility for any reliance on this report or on the income and expenditure statement to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the Financial Records are free of material misstatement. My procedures include examination, on a test basis, of evidence supporting the amounts and other disclosures in the Financial Records and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the Financial Records are presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements in Australia, the Association Incorporation Act (WA) and the WANFLUA's Constitution so as to present a view which is consistent with my understanding of its financial position and the result of its operation and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

As is common for organisations of this type it is not practical for the WANFLUA to maintain an effective system of internal control over subscriptions, functions, bar sales and other activities until their initial entry in the accounting records. Accordingly, my audit in relation to subscriptions, functions, bar sales and other activities was limited to the amounts recorded.

#### AUDIT OPINION

In my opinion, the Financial Records of The West Australian National Football League Umpires' Association (Inc.) for the period 1 January 2015 to 31 December 2015 exhibit a true and fair view of the financial position of The West Australian National Football League Umpires' Association (Inc.) for the period 1 January 2015 to 31 December 2015.

## RETIREMENTS & ACKNOWLEDGMENTS

We would like to wish all our 2015 retirees the very best for the future and we thank them for the service they have provided throughout their time with the WANFLUA.

Thank you Kendell Ball, Paul Pitchers, Lauren French, Scott McPhee and Stuart Parry.
