President's Report

As the curtain closes on 1993, we congratulate those umpires who achieved the ultimate in being selected to officiate in Grand Finals.

As I said at the Grand Final Dinner Dance, all umpires should be congratulated for participating this year. Success and satisfaction in umpiring should come from having had the courage to have a go and knowing that you gave your best.

The last twelve months have seen dramatic change in umpiring. I would like to briefly revisit some of those changes and then look ahead to the challenges of 1994.

David Johnson - Director of Umpiring

The long awaited appointment of David Johnson as Director of Umpiring finally came in October 1992.

The efforts of Ron Buckey and previous coaches were outstanding, but were always limited by the fact that they could not be dedicated to the task on a full time basis.

David's full time appointment has brought greater stability and a sense of direction to umpiring in W.A. and David has repeatedly demonstrated a commitment to working closely with the W.A.N.F.L.U.A. In my role as President I am enormously grateful to David for that support.

I am sure David would recognise that 1993 was a learning curve for all of us, particularly with the combination of an inexperienced umpiring panel and an inexperienced coaching panel.

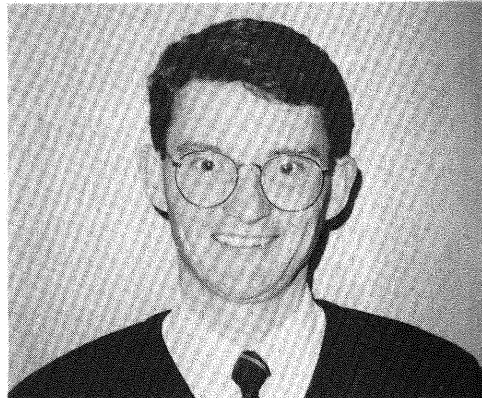

One thing without question is dedication to the task from all quarters and we look forward to Season 1994 with excitement.

Training Venue

Training was relocated from Harold Rossiter Park to Ernest Johnson Oval in South Perth.

At the time of the previous Committee negotiating our relocation, the South Perth City Council had lead us to believe that Trinity Aquinas Football Club would be moved away from Ernest Johnson Oval and that we would be the primary winter tenant, sharing with the Junior Football Club.

We recognise that training conditions were less than satisfactory due to the appalling state in which the Trinity Aquinas Football Club continually left the change rooms and can be assured that this situation will be remedied next

year when Trinity Aquinas will relocate to their new oval and social rooms near Collier Park.

Whilst many rumours have been circulated regarding Leederville Oval, we have had neither confirmation, nor even an approach from the West Australian Football Commission regarding our relocation to Leederville Oval.

Following our relocation to Ernest Johnson Oval at the start of Season 1993, we negotiated an arrangement with the Civic Centre Bowling Club providing every umpire with social membership and access to the fantastic social facilities at that club.

We have enjoyed an excellent relationship with the Bowling Club and must thank Hilma Repacholi, her committee and membership for their generous hospitality.

Sponsorship

AMPOL continued to show outstanding support to the W.A.N.F.L.U.A. and we would like to recognise their support.

I would personally like to thank Mark Kevin and particularly Ross Benzie for their support in developing a new structure for our Umpiring Awards, which included a magnificent television and video set being awarded to the Field, Boundary and Goal Umpire of the Year.

Rick Hart joined us for the first time this year by arrangement through David Johnson. Their contribution of television and video equipment contributed significantly to the coaching aids from which all umpires benefited.

W.A.N.F.L.U.A. Committee

We are fortunate in umpiring to attract individuals of the calibre of those gentlemen represented on our Committee.

Each Committeeman was allocated a specific portfolio of responsibility and each responded to produce a net result of another great year for this Association.

I will not name them all, but would like to offer each my personal thanks for their support.

Special thanks must go to Peter Frusher (Secretary), John Hauswirth (Social Secretary) and Paul Smith (Treasurer) for the contribution they made this season.

Merribrook 1994

One of our initiatives this year was to search for a catalyst which would embrace the spirit of change within the Umpires Association and elevate us as a team to improve umpiring standards across the board. It is hoped that this will ultimately be reflected through increased participation at A.F.L. level by members of this

Association, although Merribrook is very much oriented towards the success of every umpire as part of our W.A.N.F.L.U.A. team.

Trevor Garret has done an enormous amount of work in identifying Merribrook as the most appropriate challenge for our team.

As Season 1993 closes and we look ahead to 1994 there should be a sense of great expectation regarding the Merribrook programme. Ultimately, no venture of this nature can be successful without the commitment of the participants. The tremendous spirit and morale which were captured at the 1993 Grand Final Dinner Dance make me excited at our prospects.

Roll on 1994!

Secretary's Report

On behalf of the Management Committee I present for your consideration the Secretary's Report for 1993.

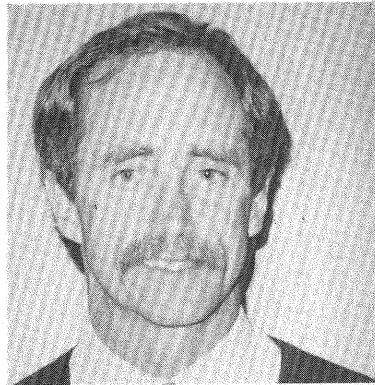

As anticipated, the appointment of a full time Director of Umpiring has been of great benefit to our Association. The appointment of David Johnson has enabled our members to have someone on call at all times, through which they can make enquiries, express opinions and above all - be heard. David should be well satisfied with his performance in this new role, but knowing him, he will not be resting during the off season, but will be developing new initiatives, and strategies to implement these in the new season. Congratulations on a job well done.

The commencement of pre-season saw us at a new training venue in Ernest Johnson Reserve in South Perth and although satisfactory in some aspects, the change room facilities were below standard and the social facilities were not practical. Our President, Grant Vernon, took this concern on board and through several meetings and much negotiating a suitable arrangement was forthcoming with the Civic Centre Bowling Club in respect to the latter. Both parties prospered by the agreement - the CCBC through increased bar trading and the WANFLUA through a generous sponsorship deal. Pending our location next season I am sure this arrangement will continue.

As pledged last year, our Vice President took on the unenviable task of negotiating the correct and prompt payment of salaries for all umpires. To Rob's credit and to that of League's, this was achieved prior to the commencement of the season and has proceeded with the minimum of problems throughout the season. Rob's experience will be missed next year as he has decided to retire from the Vice Presidency, ending his second stint on the Committee in executive roles.

Our financial position is again a very favourable one and much of the credit for this rests with our astute Treasurer, Paul Smith. He has not only managed the fiscal dealings of the Association but has been involved with other aspects including fund raising, salary structure, social functions and especially the typesetting for the Yearbook. Thanks for all your help Paul, your efforts will be sadly missed by all when and if you ever decide to retire.

After two years as our Social Secretary, John Hauswirth has decided to dedicate more time to his umpiring and to his new home. Once again John has done an excellent job with our social

calendar and really excelled with the selection of two quality movies for our movie nights. As Social Secretary it must be very frustrating to spend so much time organising events and not receiving full support from the membership - have you supported John this year?

A huge vote of thanks is due to the many people who supported John from another angle - that of assistance; for the quiz night (Trevor Cant, Trevor Pescud and their band of helpers) and for Wednesday evenings culinary delights after training (Joy, Betty, Liz, Kerry, Yvonne and 'Shirley').

Each Committee member has been responsible for a different portfolio this year and all have done a fine job in their respective areas. Geoff Pritchard has given a new look to the AMPOL sponsored page in the Football Budget each week, with some interesting and sometimes controversial articles. Trevor Pescud teamed with TC to organise the quiz night and was responsible for selling the Association merchandise (look for the new fashion statement in 1994). Wayne Jackson has been responsible for organising the Yearbook advertising and a variety of other tasks. Sam Kronja given the task of planning the camp and making sure it ran smoothly. Trevor Garrett was allocated the AFL liaison portfolio and in addition has been busy with his sub-committee planning the 1994 fitness preseason camp to be held at Merribrook. Even though each person was given a specific task, everyone worked as a team and assisted others whenever possible - well done to all members of the Committee.

To the four gentlemen who give of their time so graciously to support our members at the tribunal hearings, and I refer to none other than Ray Montgomery, Ross Capes, Charlie Pratt

and John Devine, I thank you very much. It is a time consuming and often frustrating task and this year we saw cases held after every round of fixtures with up to ten hearings on one evening. I hope that you can see fit to continue this service to our Association next year.

In their honorary capacity, 'Doc' Colin Hughes, 'Physio' Tony Chamberlain and 'Chiro' Chris Prosser on behalf of the Association I thank you for your support and commitment to umpiring. A special farewell to Chris who is heading East and will not be with us next season but I trust you will leave us in good hands at your clinic.

Much has already been written and spoken about the fantastic support we continue to receive from our major sponsor in AMPOL but it would be remiss of me not to add the heartfelt thanks of all our members to the long list of accolades. With the introduction of the new uniforms in AMPOL colours, umpire of the round jackets (AMPOL Max) and culminating in the umpire of the year awards, we have certainly been the winners this season. To Mark Kevin, Ross Benzie and the

great Australian company

AMPOL, I would like to thank you and encourage you to continue your support for many years to come.

A big welcome to our new sponsors this year in Rick Hart Discounts who have provided the Association with AV equipment to assist in the development of umpiring in this State. To Rick Hart and Grant Murdoch I thank you on behalf of the Association and trust that your support will continue in the future.

On the umpiring side, I think that this year has been a developmental one and that the results will be seen in the years to come. To all umpires who achieved their personal goals this year, well done, and to those who achieved finals and ultimately the Grand Final, congratulations.

On my retirement as secretary I would like to thank all Committee persons with whom I have worked in the past and to wish all involved in umpiring a prosperous festive season and a happy and successful 1994.

Eric Hood Award

With the streamlining of awards this year, the Eric Hood Award, which was previously awarded to the Most Promising Boundary Umpire, is now awarded to the Most Improved Boundary Umpire. This change of course was approved by the legendary Don "Winkie" Wakenshaw, the Operations Manager for Eric Hood Painting Contractors.

The worthy recipient of the award for 1993, Nathan Jessup, is just one of many young men who are filtering into the boundary ranks with an athletics background. Nathan displayed his prowess as a runner by winning the Parmelia Shield for the 10 Km race at the pre-season fitness camp—no easy feat when competing against the likes of Tig Bergersen, Greg Scroop, Stewart Tempest and Sam Kronja.

After mastering the finer points of boundary umpiring, it was not long before Nathan had progressed to Reserves and was then given a taste of League in the third round.

To cap off an exciting debut season, Nathan was selected to officiate in the Colts Grand Final. He performed admirably, and given that he takes this experience with him into next season, he should become a regular member of the League panel, with aspirations to AFL in the near future.

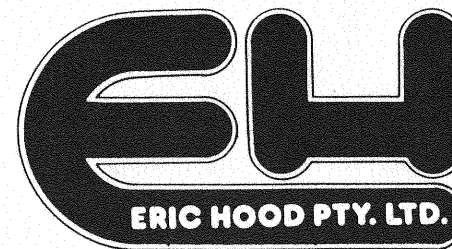

Congratulations Nathan on your achievements this year and all the best for continued success in 1994.

Treasurer's Report

Well its that time of the year again to reflect on what went down during 1993. Apart from what has happened on the field, there have been some changes to our accounting procedures this year. In the past we have not accounted for depreciation in our books, rather holding goods at their purchased value, thus keeping an inflated value of the Associations worth.

Another anomaly in the books that has been carried over in the past two years has been the inclusion of three microwave ovens in our list of assets. Two have been stolen over the last two years and we have replaced them. The fact that they were not written off in the books earlier was that we were hoping that insurance would cover the loss. The insurance company has not paid up.

I consulted with our Auditor, Denis Heaney, and we agreed that since I was introducing a new accounting system, this would be the best time to reassess our list of assets and make allowances for depreciation. For this reason, the opening assets for 1992-93 are not the same as the closing assets for 1991-92. The revised closing assets for 1991-92 have been amended to account for depreciation and write off of stolen microwaves.

This year we did not sell any alcohol to speak of (apart from a small amount during pre-season) and this reflected in the gross revenue from bar takings (down \$6,000). Also, there were several "free shows" provided by your committee at the Bowling Club which has reduced the profit on our bar trading (to \$400). This "shortfall" in our profitability was met in the form of \$2,000 sponsorship by the Civic Centre Bowling Club. Allowing for the \$735 that we paid to the CCBC so that all of us became social members of the CCBC, this resulted in a net figure of around \$1,700. This was put towards the Grand Final Dinner Dance along with the money raised from the Quiz Night.

The commission received from the National Australia Bank represents commission earned over the past two years. When the bank realised the size of the commission, with the fall in interest rates and other banking practices making margins very tight, they advised us that this year would be the last that we would receive commission. Our account has been reviewed accordingly.

We also paid the rental for the use of Harold Rossiter Park over the previous three years. We were in dispute with the Perth City Council in a number of areas which resulted in our tardy

payment of the account. It was finally paid to allow the Vic Park Cricket Club to start extensions to the clubrooms.

Yearbook advertising looks to have fallen from 1992, however, 1992 has both the 1990 and 1991 advertising revenue recorded in the same year.

Two other items on the accounts reflect fund raising that was done for the 1994 Training Camp at Merribrook. These are the Raffle (\$2,444 profit) and Chook Lotto (\$380 profit). Combined with the \$900 that members have deposited for the camp represents a large chunk of what is required to stage this event. Any members that have not paid their \$25 deposit can do so on AGM night.

The Association's funds are in good condition which will enable us to provide facilities for you when a permanent home for umpiring is decided upon.

In closing I would like to thank Trevor Pescud and Trevor Cant on the excellent job they did once again with the Quiz Night. The money that was raised went toward the GFDD and all who attended that event got value for money. Thank you also to John Hauswirth for your efforts as Social Secretary and to Peter Frusher as Secretary. Since you are both retiring from the Committee this year I would like to personally thank you for your efforts over the past two years. You have left a big hole for others to fill.

Thanks to all the wives/mothers/girlfriends who helped out in the kitchen this year. The service was excellent.

Paul Smith (I think I'm taking your money again next year).

Auditor's Report 1993

I have examined the records and vouchers of the Western Australian National Football League Umpires Association (Inc.). The records are in order and any explanations that have been required were provided by the Association Treasurer.

In my opinion the financial accounts are drawn up to give a true and fair view of the Associations affairs for the period 16 October 1992 and 15 October 1993.

Denis Heaney
Registered Company Auditor
31 October 1993

Social Secretary's Report

Yes, the last item for the 1993 social scene is this report.

Once again, just like last year, it has been enjoyable one. Our pre-season camp at Sorrento started the season rolling. Thanks to the two new faces in Sam Kronja and Adam Peacock for organising the fitness side of the camp. Special mention also to Vinka for feeding us all and to her helpers in Terry Nielson, Brian Fewster, Don Wakenshaw, Barry McKenzie, John McKay and others.

Then it was on to the Car Rally (our second). There were 30 cars doing the hills of Kalamunda until they found the clues leading them back to our home of 1993 the Civic Centre Bowling Club (CCBC). Another wonderful day and thanks to all those who attended.

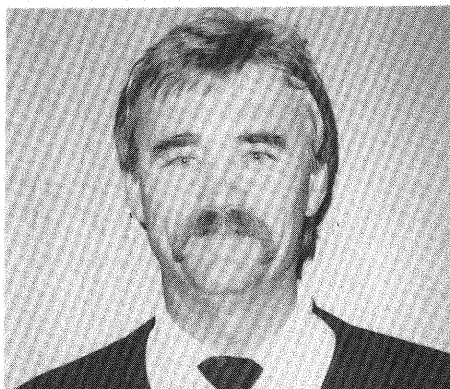

For the second year in a row D Day (Panel Night) was held at the Tawarri Lodge in Nedlands, with over 100 members in attendance. Special guest Bruce Yardley had everyone entertained with many anecdotes. Special thanks to Robin Dalby (the MC) and to Lois and her staff for the excellent meal.

This year we had two high class movies in *Indecent Proposal* and *Cliffhanger*. Both were held at the New Oxford Cinema in Leederville with great attendances each time.

Then came the Dynamic Duo in Trevors Cant and Pescud who ran our annual Quiz Night. This year it was held at the CCBC with well over 150 people in attendance. Thanks to all those who came forward and donated to our major fund raising night.

Then came finals time so off to the Tawarri for our Presentation Night. Once again an excellent night with a special thank you to our MC, Geoff Pritchard. Also congratulations to all who gained selection for the finals and all the trophy winners.

Now with only two functions to go one of them had to be Harry's Night. It was held at the Celtic Club again and as usual, Harry and May

with their helpers turned on an excellent spread for all those that attended.

One week and one day later it was our big night, the Grand Final Dinner Dance, held at the Perth International Hotel. Even though it was a Sunday fixture, a large crowd was in attendance to enjoy our last function together for 1993.

Special thanks to all the ladies who have helped feed our members from the kitchen at the CCBC each Wednesday. Joy Fisher, Liz Ball, Kerry Hendrie, Betty Stephens, and Yvonne Campbell, thank you on behalf of all our members and myself.

To all members, thank you for attending all the functions which were held during the year, with special thanks to fellow committee members for their help during the year.

Also thank you all for the fantastic years that I have had as Social Secretary, but the time has come for new blood on the social scene so I have decided to step aside.

Finally I would like to wish all members, their wives, girlfriends and families a Merry Christmas and a Happy New Year and I look forward to joining you all on your side of the fence in 1994.

1993 Umpiring Report

Gentlemen, congratulations, firstly, to all umpires who achieved success in 1993. Those who represented the Association and umpiring statewide did very well in the Grand Finals and vindicated the faith shown in them when selected. The success of the Grand Finals culminated in a year of tremendous change and its fair to say that this has been well documented throughout this year.

Accreditation

Using the annual umpires camp at Sorrento as the launching pad for accreditation this year, we saw for the first time advisers form across the state come together and share ideas. Accreditation was implemented statewide and WA's involvement and success was quite significant. All Levels were implemented and in the long term umpiring standards will continue to improve. For your information, below were WA's results:-

	Nominated	Passed
Level 1	86	59 (69%)
Level 2	103	70 (68%)
Level 3	21	5 (24%)
Level 4	7	4 (58%)

Congratulations to those who strove to improve.

Development

This year saw a series of workshops held in an effort to improve our standing in the sport of football, and the results, when implemented, will hold us in good stead for future years. The proposed development squads were not as successful, for numerous reasons, however four new faces will be seen on the track next year so it wasn't a complete disaster. More time and effort will see this area improve, for this will be the lifeline for WAFL Umpiring.

Well done to Geoff Pritchard (Teal Cup) and Mark Warren (State Schoolboys) who represented WA so well interstate. Both umpires have a very clear view of what is required after being exposed to the next level and should enjoy good careers.

We saw the introduction of umpire exchanges in Anthony White (South West) and Colin Chilcott (Amateurs) controlling reserves football this year and with further acceptance the benefits of this initiative are enormous, not so much at WAFL Level, but of the positives that flow as more and more umpires see an opportunity to umpire at a higher level. Their commitment increases and consequently the local umpiring panel as a whole improves. Personally I would like to see an extension of this next year with

other panels putting forward possible umpires for consideration.

WA was successful in its first state appearance and congratulation to Greg Scroop, Peter Frusher, Bernie Roberts, John Hauswirth and Bob Morgan for their efforts. Greg in particular showed good character to suggest he could put behind him the disappointments of the pre-season and through hard work still achieve. Well done to all. What a mixed year for both Rob Hendrie and Paul Smith, both experiencing the highs of umpiring and lows associated with being overlooked. On your achievements gentlemen, congratulations.

At AFL Level, Grant Vernon continued to add to his tally of Senior matches, and along with Trevor Garrett, Tony Franchina, Rob Hendrie, Paul Smith and Trevor Pescud performed admirably in a very competitive year.

Congratulations to Bernie Roberts on your reselection after a year of frustration with injury and well done to our newest AFL Umpire in Dan Gooch; what a tremendous future he has, given his feet stay on the ground.

With new standards now set, and everyone knowing what is expected both on and off the field, WA's involvement looks set to increase dramatically next year, and with Greg, Peter Repper and Sam Kronja likely additions to the AFL squad, our representation is back to where it should rightly be. As I have stated from day one "you will pick yourself based on your efforts and nothing else". Upon reflection, it appears we may have had to take a step back, before we race forward.

Whilst very inexperienced, the members who made up the management team this year were tremendous with their support of me and the

initiatives introduced could not have been implemented without their commitment, from Mike Poll to Bryn Jones, thank you all for your efforts.

Sponsorship

AMPOL - What can I say, you could be excused for thinking you've read all this before. However it would be remiss of me if we didn't acknowledge their magnificent contribution to umpiring. With the new uniforms based around their corporate colours, a bigger emphasis on promoting their support of football on all umpiring initiatives - seminars, video's, stationery and development journals etc., I believe they are finally being acknowledged accordingly. During 1994 further ideas are being proposed and it is hoped their support continues. Thanks to your associations, assistance, the umpire of the year awards are up and running again and what magnificent awards they were. Finally thank you to Mark Kevin and in particular Ross Benzie, you made the job so much easier.

We were fortunate to gain support from Mr. Rick Hart and his company, Rick Harts Genuine Discount Warehouse, and through his General Manager Grant Murdoch, TV's and Video's were supplied and what a great coaching tool they proved to be.

With interest in football increasing at an enormous rate it is hoped that both our sponsors

will continue in years to come.

Future Planning

Finally, it is appropriate that I outline our future plans for WA Umpiring. We will pursue Leederville Oval as the home of Umpiring in the State. Umpire exchanges will continue in the search for outstanding talent. Emphasis on the psychological profile of umpires is in the pipeline, posters are being printed and brochures to follow. More involvement by WAFL Umpires at clinics, club training, further development of observers, feedback to umpires and a general emphasis on selling ourselves. Lets do the shop front and get it right, and others will want to come and have a look. As umpires in this shop front, you have to understand the role you play and how important that everything we do, can be destroyed if not supported by yourselves.

Thank you all for your outstanding contribution this year, a year of much change. It is extremely rewarding to work with such committed people and I promise to do my utmost to see you achieve what you so richly deserve.

Best wishes to you and your family, during the festive season.

1993 UMPIRING SURVEY

Summary of Numeric Results

Field Responses	28	
Boundary Responses	12	
Goal Responses	24	
Management Responses	7	
Total	71	97 Handed Out = 74%

TRAINING

	Very Good	Satisfactory	Poor
1. Venue			
Field	3	16	9
Boundary	1	9	2
Goal	2	9	14
Management	0	2	5
Total	6	36	30

Comment - location is good, surface is suspect, showers/toilets a disgrace. Leederville to be pursued, if unsuccessful, money spent on facilities etc. has potential.

2. Monday/Wednesday Nights			
Field	16	9	2
Boundary	7	1	4
Goal	8	7	10
Management	0	5	2
Total	31	22	18

Comment - an innovation forced upon us by Trinity's commitments and as usual, umpires adjusted accordingly. However an even spread of support and with comments taken into account re: tribunal, public holidays, Sunday fixtures. Tuesday & Thursday to be pursued.

3. Format of Training			
Field	14	16	1
Boundary	7	5	0
Goal	9	13	3
Management	0	3	1
Total	30	37	5

Comment - satisfactory, more variety included for 1994 i.e. swimming, team games, events culminating in Grand Final on Grand Final week

4. 4 km Testing			
Field	18	11	0
Boundary	7	5	0
Goal	2	2	3
Management	0	4	0
Total	27	22	3

Comment - whilst its not the best it is the easiest to conduct and if used only as an indication, be it more work to be done or maintaining a constant high level it is sufficient. Strong will to include further measures -VO2 Max, shuttle runs, 400m etc. will be explored in '94.

UNIFORMS

1. Pre-season			
Field	8	10	3
Boundary	2	5	1
Goal	6	11	2
Management	3	2	0
Total	19	28	6

Comment - would prefer lighter shirts in summer. Different colour or white not yellow.

	Very Good	Satisfactory	Poor
2. In-season			
Field	18	10	0
Boundary	7	5	0
Goal	7	13	2
Management	3	3	0
Total	35	31	2

Comment - design was good, even feeling on design of shorts, slightly trimmer cut, change of colour excellent.

DEVELOPMENT

1. Meetings			
Field	17	10	0
Boundary	6	6	0
Goal	11	12	2
Management	0	4	0
Total	34	32	2

Comment - more preparation required, short and sharp. Smaller groups and more one on one, more regular, fort nightly most favoured.

2. Venue			
Field	14	12	2
Boundary	7	4	1
Goal	3	17	4
Management	0	2	3
Total	24	35	10

Comment - isolated from noise of other groups a pre-requisite, Leederville again touted, or Scout Hall if staying at Ernest Johnson.

3. Feedback			
Field	15	12	3
Boundary	6	5	0
Goal	9	10	2
Management	1	1	1
Total	31	28	6

Comment - feedback should come from observer not one person

4. AFL Video's			
Field	20	7	1
Boundary	1	1	1
Goal	1	16	7
Management	2	2	1
Total	24	26	10

Comment - some examples contradicted "Spirit of Laws" confusing, however a must in the development of AFL umpires

5. Local Video's			
Field	23	4	1
Boundary	4	0	1
Goal	3	5	4
Management	3	0	0
Total	33	9	6

Comment - excellent concept, comments to be succinct and encourage, more games on video

6. Accreditation			
Field	11	7	2
Boundary	0	0	0
Goal	2	2	0
Management	0	2	0
Total	13	11	2

Comment - tough but good to get it out of the way in one day. Assisted in standards lifting in '93, strong urge to run preceding week of season opener.

Field Umpires Coach Report

The 1993 season was a challenging one with some of our senior umpires retiring after the 1992 season. (There were five experienced umpires available this season with two of them picked for AFL duty.)

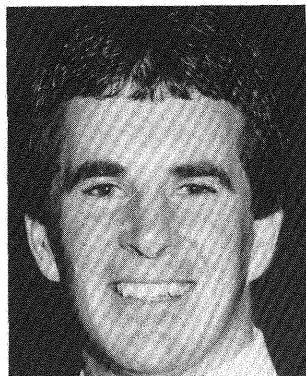

While the numbers were encouraging for this season, there were a lot of new umpires, which resulted in a relatively inexperienced panel. These umpires were asked to umpire at higher levels than would normally be the case and to their credit they did very well.

All umpires started slowly but improved as the season progressed, while their fitness levels were much higher than in previous seasons which is a credit to them for the work that they have put in.

The field umpires were separated into three groups at the start of the year (AFL and League in one group, Reserves in the next and Colts in the third). While it was designed that the umpires umpired in these groups, only it was possible for an umpire to be promoted to the next level but he could not go backwards except for the finals. This innovation was very successful and will be continued next season.

The umpires in the Colts group were the least experienced with only a handful having umpired before at this level. They umpired well throughout the season and showed that there was plenty of talent among them. Congratulations to all of them, they will go a long way in umpiring.

The Reserves group also performed very well. They were joined by a number coming up from the Colts group and as they had been promoted to this level they were then only available for League or Reserves football. This put a lot of pressure on League and Reserves umpires to perform, which they did.

The performance of the League/AFL group was very encouraging. They not only had to make the right decisions but had to have a good rapport with the players and officials. The future of some of these umpires is good and they will, through dedicated hard work, succeed at AFL level.

The areas requiring improvement from a coaching aspect are:

- (a) Skill drills (to start early February)
- (b) Level 3 Accreditation (early February)
- (c) Meetings (to start earlier in the season in conjunction with accreditation and to be more finely tuned and shorter).

In finishing, I wish all umpires the best for Christmas and for the coming 1994 season.

M. D. Ball
Field Umpires' Coach.

Umpire Development Report

After a hiccup early with the unfortunate departure of Phil O'Reilly just prior to the first game of the season, I took over in the role of Senior Development Coach and Assistant Field Umpires Coach to Mike Ball.

The Senior Development Squad started training on Monday nights with thirteen young aspiring umpires from the Junior Council Umpiring Panels. There were only five committed umpires in this group, with Matt Hartfield, Vance Burton, Mark Fussell and Craig Hendrie recommended to apply for the WAFL Colts Panel in 1994.

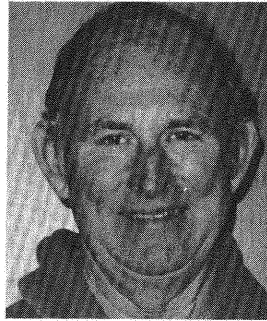

This year has seen the development of an outstanding group of umpires, some with limited opportunities, perform admirably.

There were 16 field umpires used in the Colts competition and a number of this group showed the ability and dedication to develop into very good umpires with bright futures.

Once again Peter Sherwood coordinated the Junior Development Squad and the High Schools Basic Umpiring Courses. Those programs are providing new young umpires with the knowledge to umpire Junior Council games and hopefully develop into future WAFL panel umpires.

Umpiring is full of rewards for those with the ability, commitment and time to take every available opportunity.

With the strength of the League panel in 1994, we will see at least 5 umpiring at AFL level on a regular basis and this will leave the door open to our very good crop of young umpires to gain valuable League experience.

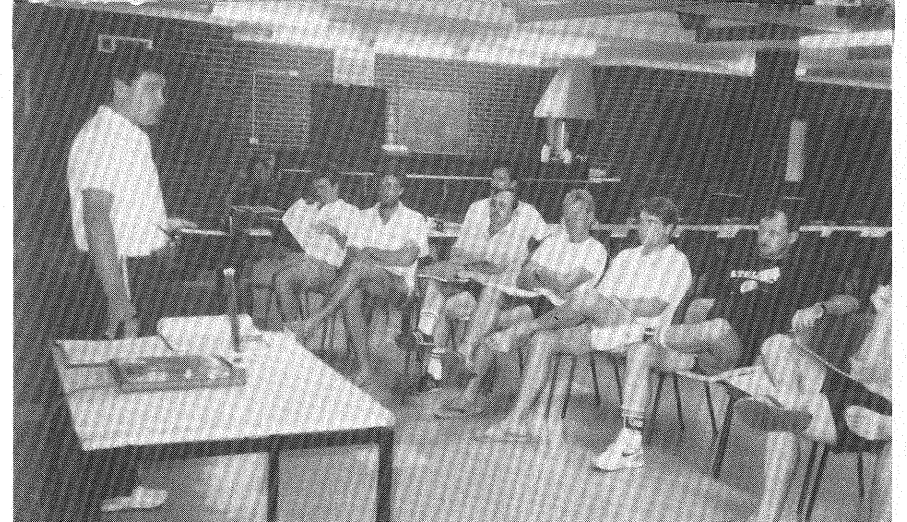

The excellent efforts of David Johnson with his enthusiasm for umpiring were reflected in the positive attitude of us all in our commitment to umpiring in the 90's.

To David and Mike Ball, it was a very good year. On very few occasions did we raise our voices, it was great to be part of the selection team in both your first years at administration, You have done umpiring proud.

I feel very proud to have been part of 1993 and look to the future with excitement in assisting the progress of umpiring in this State.

You as umpires have allowed me to share your excitement and disappointments in umpiring, I thank you all

Max Osborn

Over the Boundary

The 1993 football season was very encouraging for all boundary umpires. As I had been appointed as the new coach, I did not have any preconceived ideas of any one umpire. This gave an equal chance for all umpires to show their wares.

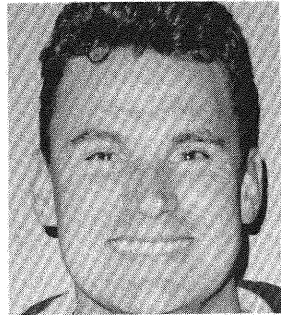

The pre-season was long and hot. The introduction of the Emu Export Cup pre-season competition meant our umpires had to be ready approximately five weeks earlier than seasons past. The competition was good for me as the coach as it helped me pick my Senior panel. Unfortunately, because of the season's length, I believe that some of the umpires tired, some lost interest and some umpires got nagging injuries.

The year had a lot of highlights. We had two new umpires on the panel do Senior games in their first year. Congratulations to David Mason and Nathan Jessup. We attracted 8 new umpires onto the panel this year and all did very well considering their lack of experience.

The AFL appointed three umpires to their list in Tony Franchina, Bernard Roberts and Dan Gooch. These umpires did the Association proud and with a little bit more luck one could have experienced an AFL final.

Throughout the season all boundary umpires showed great determination and desire to better their position on the list. The season was very close and not one umpire showed up another. Every umpire on the list contributed to each game in a positive manner.

Next season will see a new year but the plan will stay the same and it is quite simple. If all

umpires show to the observers that they are running to their best, they will get a fair chance.

The development of new umpires next year will start immediately but I believe that all umpires have their destiny in their own hands. Every umpire should try to support the Association by encouraging new umpires to join them at the WAFL.

Finally I wish to thank all umpires again on a fine year and I would like to thank Stewart Tempest on a fine job as my assistant. To Doug and Trevor, thank you for your observing efforts.

Congratulations to the Grand Final umpires, Tony, Dan, Peter, Steve, Todd and Nathan.

It could be you next year.

Adam Peacock

Between the Sticks

We commenced pre-season training with 32 prospective goal umpires on the track. However, as the weeks rolled on, the numbers dwindled to 27 which was the required number for the season.

From 1992, we lost Peter Kennedy, Graeme Rothnie and Terry Keating, but we gained Dean Berry (VSFL), Malcolm Evans (Sunday League), Cos Martino (WAAFL) and David Shawcross (brother of Colin). All of the recruits should be satisfied with their first season in WAFL football.

Personal milestones achieved during the season were Frank Cetinich and Rob Hendrie attaining 100 games; Bob Davis and John Hauswirth attaining 50 games; and Dean Berry, Garry Thomas and Geoff Ferguson achieving their first League games. Congratulations also to David Pinnell and John Marrapodi on umpiring their first Reserves games.

Awards during the year were supplied by AMPOL for Goal Umpire of each round and Goal Umpire of the Year. These went to:

Round 1: Rob Hendrie
Round 2: John Hauswirth
Round 3: Paul Smith
The Year: Paul Smith

Beaumonde Homes Most Improved Goal Umpire was David Pinnell.

State Game representations were Rob Hendrie (Vic v NSW); John Hauswirth and Bob Morgan (WA v SA).

During the finals we saw Bob Davis, Peter Jeffers and Wayne Jackson umpire their first Senior finals; and Gil Bishop and John Hauswirth their first Senior Grand Finals. Paul Smith was again chosen for the AFL Finals Panel and officiated in the Elimination Final, Adelaide v Hawthorn. Well done to all those umpires.

On Grand Final Day, we witnessed very good exhibitions of goal umpiring by all concerned:

Gil Bishop and John Hauswirth in the League with Rob Hendrie as Emergency, Bob Davis and Bob Morgan in the Reserves, Cos Martino and Doug Green in the Colts with Dean Berry as emergency in these last two games.

My grateful thanks go to Roy Ferguson as my assistant for 1993. Roy's assistance has been first class and he is a great "sounding board" for me. During the year, in my absences with work commitments, Roy was required to give the "bad news" to umpires which is never a pleasant duty

but the old pro that he is Roy did the job manfully. Roy's feedback, knowledge and experience has been invaluable to the goal umpires.

To Trevor Cant, Colin Raynor and Ron Poole, I extend my appreciation in your capacity as observers, your feedback and constructive assistance in supplying reports was extremely useful in the development of goal umpires.

To David Johnson, the Board Members and Observing staff my thanks for your assistance during 1993.

After 23 years involved in umpiring (the past five as Goal Umpires' Coach) I have decided to retire. I am comfortable with the level of goal umpiring that I leave for the next coach and quite proud to have been associated with the development of goal umpires during the past five years.

The goal umpires are a great group of guys and a very close-knit unit. When I took over as coach, I attempted to mould a fragmented group into one "happy family". This has been achieved and the success can be attributed to the work that the guys have put into this aspect. We now see umpires officiating in important games with the full support of their fellow umpires, gone are the days of wishing them the "worst".

When I took over, I was given a task that sometimes needed hard decisions to be made. It has at times been difficult but I hope that all the decisions made have been fair and equitable.

Thanks to all umpires, officials etc. for their support during the past five years and I hope that goal umpiring remains strong in the future.

Good luck to you all.

Life Members' Award

The Life Membership Award is an annual presentation to a member of the Association who contributes above and beyond the call of duty.

This year saw the award presented for the second time to a member who is not an umpire but who has been involved with umpiring for the past 13 years.

Warren South, our head trainer, has been responsible for the rehabilitation and preparation of umpires in all disciplines at all levels, including AFL. His knowledge, expertise and practical skills have enabled many umpires to front up year after year. Even though their minds are saying enough, their bodies are able to continue, thanks to Southy's magical hands.

Warren purchases our medical supplies and arranges other trainers to assist umpires throughout the season. The latter is not an easy task when trainers are asked to be at the grounds by half time in the curtain raiser (around 10:00am), stay until the completion of the League game and for their efforts receive a pittance.

Warren has also been instrumental in arranging

end of season trips overseas and has been a regular attendee at most Association functions.

The Association and Committee are extremely proud to have presented this coveted award to Warren and trust that he will see fit to continue in this role for years to come.

Well done Warren.

AFL Report

The 1993 AFL season saw a number of highs and lows for the umpires from Western Australia. At times the disappointments were a bitter pill to swallow for some of us, however the experiences of this year will hold the panel, both AFL and WAFL, as a whole in a better position for the years to come.

There were only two field umpires on the panel this year which was somewhat disappointing to all of us, however I am sure this will be rectified by us all in the coming season. Umpires of the calibre of Greg Scroop, Peter Repper and an up and comer in Sam Kronja will no doubt make an impact on the AFL scene in the coming year.

The only regular participant from the field umpires was Grant Vernon, who at the conclusion of this season has umpired 98 VFL/AFL games. To achieve the ton will be a remarkable achievement and we are all behind Grant in hoping this milestone is achieved within the first couple of weeks of the '94 season.

There were only two umpires added to the AFL lists this year, those being boundary umpires Dan Gooch and Bernard Roberts. Dan Gooch was selected for the first time on the AFL panel this year and by performances so far, is assured to continue further at AFL level.

Bernard Roberts was also brought back onto the squad after a few years in the wilderness, and after some very good performances, was unfortunately struck down by injuries later in the year which prevented him from participating in more games than he did.

At the commencement of the season, Tony Franchina was only boundary umpire selected on the panel. As the season went on Tony set a pattern for other boundary umpires to follow and until half way through the year was still the only West Australian on the panel when Dan and

Bernard joined him.

Paul Smith capped off another great year in the goals, by being selected once again, to participate in the AFL finals series. Whilst Paul had only the one game, and some would say unlucky not to get more, it is a fantastic achievement all the same.

Congratulations also go to Rob Hendrie who had some earlier season success in the goals, by being the only West Australian selected to umpire in the revised State of Origin competition. Whilst Rob's season experienced the highs in the top football and umpiring environment, he also felt the bitter lows that can be, at times bestowed upon us. We can all learn from these circumstances and I am sure Rob will come back a bigger and better umpire in the '94 season.

In concluding, I wish everyone all the best for the coming season and hope we are fortunate enough to get more West Australians selected onto the respective panels next year and for the future years.

Country Roads

Season 1993 has just passed and it has been a year of change as this year we provided umpires to eight leagues. The younger umpires on our panel continue to show enthusiasm in umpiring country football and with the attitude they have towards football, quite a few are on the verge of a very successful umpiring career.

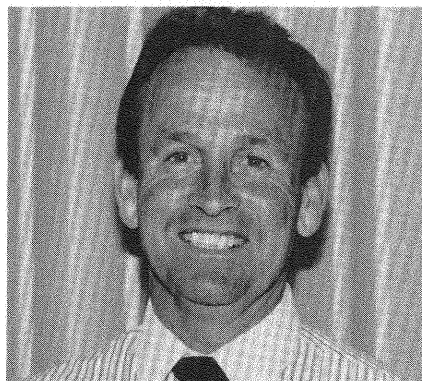

Unfortunately, with the exit of "The Legend" (hip hip hooray) I have had to ask my umpires for any stories that have occurred while travelling to country areas.

Top of the list would have to be Mark (Some mothers do have 'em) Warren. It is becoming very obvious to me that Mark does not like being the car driver. Mid season, Mark was to drive to Manjimup with fellow umpires Burns and McQueen, however, when approaching an intersection in Beechboro, he couldn't quite understand why the light was red so took a little time before he realised that he was supposed to stop. Don't worry Mark, the other driver had no business going through that green light anyway. Rumour has it that when boarding the plane for the State Schoolboy championships, Mark asked for a parachute.

Apparently it has been a very good year for oranges in the Mogumber area, but really Hadj, trying to buy them at midnight was a bit ridiculous. Even your travelling companions Gilbee and Darby tried to tell you what the trading hours were.

The Eastern Districts once again provided a memorable trip for Hislop, Dawe, Butler and Gill (S). It was in August somewhere between Quairading and Bruce Rock when they came across a member of the opposite sex and her car had broken down. All of a sudden, Rolla realises that is a top class mechanic and tells Alan to stop. Rolla approached the young lady and offered to fix her car (how thoughtful). An hour later Rolla remembers that he has a game of football to umpire and that they had better be on their way. Considering that you got to the game at Quarter time I assume that you gave some of the money back.

Ray Zoch, what will the country do without you next season when you and Heather go overseas for the first time (this year)? Anyway back at the football, the place is Deanmill. Zochy was having a little dispute with a Deanmill official after the game (how rare) and obscenities were

being dished out by the official. Now as we all know, Zochy will only report when all other channels have been exhausted and as the ABC and SBS were off the air he reported this official. Ray also turned to the local umpire and told him that he had to report the official as well. The reply came back, "I can't, he is my best customer".

I also supplied umpires to the Women's Football League this season and all games were umpired by Tig (Permanent Wave) Bergersen and Adam Peacock. How hard it must have been for Adam to forego his Grand Final appointment due to his AFL commitments, but no panic, enter Peter Frusher, only umpires the one game and it's a Grand Final, unbelievable!

On a serious note, I would like to thank the following people. The younger umpires namely Slocombe, McQueen, Darby, Neill and Smith for their willingness to assist me whenever required. To the experienced umpires such as Zoch, Hadji, Butler, Burns, Wallington (Boot) and Buckingham, many thanks. To those that I have left out please accept my thanks for this season.

To David Johnson, thank you for the assistance you have given me. I have enjoyed working with you.

Finally to Peter Frusher, many thanks once again for your continued support in recognising the tremendous contribution that our umpires make to country football.

Trevor Rees

P.S. No Legend, No Tarago Trip!

Regulations

The following Regulations represent the Code of Conduct applicable to all members of the WANFL Umpires Association.

- 1 The spirit of these Regulations is to promote a professional image for umpires of Australian football and to foster good fellowship and mutual respect amongst members of the WANFLUA.
- 2 Behaviour:
 - A professional standard of behaviour and conduct is expected of all members both on and off the field.
 - All members of this Association shall be considered equal and each member is required to respect and uphold the rights of other members.
 - Umpires shall conduct themselves in an impartial manner and shall uphold the laws of the game and the reputation of the WANFLUA.
- 3 A professional standard of attire is required at all in-season games and official functions, unless officially stated otherwise. Pre-season games attire may be casual, however neat.
- 4 It is incumbent on all umpires to familiarise themselves with The Laws of Australian Football and the WANFL Umpires Association Constitution and Rules which form the basis of this Association.
- 5 Members shall respect and adhere to directions from the Director of Umpiring and other officials appointed by the WAFL, AFL or other controlling bodies or Commissions. The only exceptions permitted from this regulation shall be in the instance of decisions endorsed by the Management Committee or the membership of the WANFLUA.
- 6 Written complaints regarding alleged breaches of these regulations may be lodged with the Management Committee which may then exercise its powers in accordance with Clause 21 of the Constitution and Rules.

Acknowledgements

I would like to take this opportunity to thank the following people for their contributions in making the production of this Yearbook possible.

PAUL SMITH	For again typesetting all the material for this Yearbook.
WAYNE JACKSON	For his compilation of the advertising sponsorship for this Yearbook
TODD HALL	For his photographic expertise.
JOHN HAUSWIRTH	For his reliable compilation of statistics for this Yearbook.
AMPOL	For their continued support of umpiring in this State.

A very special thank you to all the sponsors who have advertised in our Yearbook, thus making its production possible.

Edited and produced by PETER FRUSHER
