Presidents Report

Another year has passed and on behalf of the WANFLUA, I would like to thank all members, coaches and trainers for helping to make it another great season. This year, we saw some changes in the WANFLUA management committee, with Beau Wardman deciding to step down as President. I took the helm after assisting Beau as vice President for the past 3 years. I'd like to personally thank Beau for his significant commitment to the WANFLUA over the past 5 years. He certainly has done a lot of the heavy lifting for the association over a long period of time and Beau and I worked tirelessly together to work towards some of the pay and conditions that all members enjoy today. Jerome Mohen filled the vacant vice President's position.

In the off season, the WANFLUA executive was busy trying to finalise the MOU negotiation with the WAFC. In the negotiation, the WANFLUA negotiated for our major sponsor to be on all match day apparel and also for the WAFC to contribute more funding to the purchase of training uniforms. This commitment by the WAFC is vital to ensure that running members are not burdened with the full cost of providing such gear.

The WANFLUA also worked tirelessly to attract sponsors for the coming season. Over the past 2 seasons, Mike Spear from the Weather Wizard, was our major sponsor and made a significant contribution as our training gear and major sponsor for 2012/2013. On behalf of the WANFLUA, I'd like to thank Mike for this contribution. In 2014 we have a new major sponsor in Ryan Kukura and his business, Edge Fitness. KC Sports have also come on board as our Gold sponsor with Structerre Consulting Engineers, Shadforth Insurance Brokers, Junction Ice Creamery, Josh Cable Media and Cows as our silver sponsors. It is terrific to see business recognising the value in sponsoring WA's premier umpiring group.

The 2013 season kicked off in November 2012 with the entire group getting stuck into preseason. Under our new fitness coach Hannah Rodoreda's guidance, we found ourselves training hard in the warm weather at various locations including City Beach and Lake Monger. As usual, the season came and went in the blink of an eye and we found ourselves at Subiaco Oval in September, for the Grand Final. This was a great day and those that were selected to umpire Grand Finals represented the entire group with the professionalism and dedication that got them there in the first place. A massive highlight was Kendal Ball being the first female to umpire a WAFL League Grand Final. She was also the first female to umpire a State Game, which she accomplished earlier in the year. Another massive highlight of 2013 was Dean Margetts officiating in his 200th AFL game and also clocking up 300 AFL/WAFL games.

In the off season, the WANFLUA was busy installing a 50" LCD TV in the EJ club rooms. The TV has proved popular with many people crowding around it to watch Thursday night football when it is on. I'd like to thank Eddy Williams, for donating his time in helping me install the TV over the summer break.

In closing, this will be the last time that I report in any official WANFLUA capacity. I have served this great association for 9 years and now is the time to let some new blood step up and take the reins and forge the destiny of the WANFLUA. It was a pleasure to serve under presidents Dave Shawcross, Greg Bandy, David Panagopoulos and Beau Wardman. All those men have made a substantial contribution to the WANFLUA. I must also thank the various committees that I have worked with over that time period and the rock solid executive which included Kendell Ball and Travis 'Joe Hockey' Norton. I would ask all running members to consider making a contribution by joining the committee and continuing the 60+ year legacy of the WANFLUA. As I said at presentation night, there is no greater satisfaction than doing something positive for another person or group.

Steve Gaensler

Treasurers Report

As 2013 closed, the WANFLUA posted another operating surplus driven by solid bar trading profits and a strong level of support through sponsorship and grants. 2013 also sees the end of Michael Spear's The Weather Wizard sponsorship of the WANFLUA. This generous sponsorship has placed our association in a solid financial position allowing fees to remain low while not sacrificing the quality of services delivered by the WANFLUA. I again encourage, although our association with The Weather Wizard has ceased, that we continue to support and provide an opportunity for our major sponsors to obtain our business. It is with great excitement that I can announce the WANFLUA has a new major sponsor in Ryan Kukura's Edge Fitness. It is hoped that 2014 will see benefits for both parties from the arrangement.

The bar was once again superbly managed by Ryan Shelton with the assistance of other committee members. Ryan has been the main driver in ensuring the WANFLUA bar is a valuable contributor to the net profit and it will be with sadness that he steps aside to allow a new opportunity to the next committee. The solid profits of the bar are

now being returned with some capital investments. 2014 will see the installation of a TV along with other items ensure the WANFLUA bar remains a foundation of the umpiring culture.

Subscriptions were again similar, however I continue to encourage anyone who has outstanding fees from 2012 and 2013 to pay before the 2014 home and away season starts. It is not fair that some umpires benefit from the hard work of the committee and the money from other fee paying members and do not accept financial responsibility themselves. 2014 will see some proposed changes to the subscriptions to ensure that the committee can adequately budget for the variability around hosting events.

Regarding the hosting of events, David Thatcher has done considerably well to continue to provide quality events within tight budget constraints. The pleasing result for 2013 is that the Dinner Dance was once again very well supported; this gave the committee confidence again to secure premium locations as the costly overheads can be spread out. The derby football game was added into our budget for 2013 as we believe this to be a quality event worthy of support. The high cost of this event in 2013 was to provide new team jumpers, hence I do not expect this level of expenditure to be repeated.

This year saw the highest level of capital expenditure from the WANFLUA when compared to the past decade. The committee's approach for 2013 was to reinvest the past three years of operating surplus back to its members. As such, items such as training equipment, Av material, storage and LED TV's were all outlaid last year for the benefit of its members. With continued solid financial performance, I have no doubt this same approach will be carried on under the new management committee.

Unfortunately I will be stepping down to allow a fresh new face to occupy the role of Treasurer. However, I would like to think that I have left the WANFLUA in a good position to service its members going forwards. Some of my proud achievements while being involved as the WANFLUA treasurer for the past three years include:

- Increasing the cash position by \$21,727
- Improving the subscription collection process to ensure all members contribute. This resulted in an increase of \$3000-\$4000 in revenue per year
- Oversaw a significant increase in bar trading and net profit
- Assisted in the committee returning significant capital back to its members in 2013

My final word will have to be to thank Kendell Ball, Steve Gaensler and Beau Wardman for being a sensational executive committee and making my job as treasurer a pleasant three year experience.

Travis Norton

Social Secretary's Report

Well it has been a very big year and one that was filled with many challenges, the first of which was following in the footsteps of one of the most successful social secretaries that the WANFLUA has had. Kendell Ball did an amazing job over the past 7 years and put an enormous amount of effort into the association. I would like to thank KB for her support and help this year in getting me familiar with the role and always being available to answer any questions I had.

The social calendar started off with another change, with the traditional Panel night hosts moving on to be replaced with Alex Martin, Jerome Mohen and Chris McCann. The boys added a very musical flair with the opening number of C'mon Umpy C'mon being a big hit with the group. The night was a success with 120 people in attendance to see the awarding of the Capes, Rose and Hall Medals for the umpires of the pre-season, presentation of the Legends Ball to the 2013 Ball Legend David Johnson and the new umpires inducted onto the panel.

We then moved on to the traditional Harry's Night function, which after the success of last year's more social atmosphere, took a trip to the casino in 2013, which saw a great night for those in attendance. A big thank you to Jo Smith and May Jardine who once again provided a magnificent feast for all those in attendance.

The next function saw the return of the Hall of Fame after last year's 60th Anniversary Function took its place on the social calendar. We had 100 members, life members and guests turn up to Ernest Johnson Reserve for the induction into the WANFLUA Hall of Fame of Boundary Umpire Barry Bidstrup and Goal Umpire Ron Poole. The night was wonderfully hosted by MC and former goal umpire Jack Crawshaw. A big thank you to Life Member Craig O'Donoghue, who although retired and living in Melbourne, took the time to put the video packages together for each of the inductees. A thank you also to those who allowed the committee to interview them for the function.

In an effort to provide something different for the social function, the WANFLUA ran its first reverse raffle at Ernest Johnson. The night was a roaring success with around 60 running members, life members and friends attending, with the reverse raffle providing much competition and friendly rivalry amongst the group.

The night was well complemented by the musical talents of Chris McCann and Alex Martin who played music throughout the night. Thank you to the WANFLUA committee for its assistance in securing a number of auction and fundraising items, which meant that we raised some money for the association. A special mention to Steve Gaensler for securing a large number of big ticket items for the night.

Presentation Night had a new venue in 2014, with the event taking place at the WACA. We had 120 people in attendance and the night was again hosted by Jack Crawshaw. The night featured several awards and presentations, including the recognition of league debutants, game milestones, state game umpires, Shadforth Rising Star, Colts umpire of the Year and the Hendrie, WAFC Service Award, Shawcross and Smith medals for most improved were awarded.

The association also made a presentation to Craig Hendrie as Brett Rosebury overtook his games record and from next year the medal will be known as the Rosebury Medal. The John McKay Life Members Trophy was awarded to Alex Martin for the large amount of work he had done for the association without being on the committee; a very deserving winner.

The season ended with the Grand Final Dinner Dance, which in 2013 had the largest attendance that has been seen in a long time with 160 people attending a great night at Crown Perth.

Social Secretary's Report

The final function of 2013 was the WANFLUA Derby which was held at South Oval at Curtin University and for the first time the Derby was held under lights. Thank you to Alan Zanich and Jerome Mohen for the hard work put into organising this event. The field umpires got the chocolates on the night in a very enjoyable evening for all involved.

Well the good news is that after a hectic year I have not been scared off and will return as Social Secretary in 2014. I would like to say a big thank you to the whole WANFLUA Committee for their help and assistance over the course of the season. To Chris McCann and Alex Martin for volunteering your services all year, it has been a great help to me and the association. I'd also like to acknowledge Alan and Betty Mirabella for putting on Betty's Spaghetti once again in 2013 and Jo and May for their work at Harry's Night. Finally to KB, I would like to thank you again for your assistance in 2013, I probably wouldn't have got through the year without your support and assistance, so thank you.

Finally thank you to all the umpires, life members, trainers, coaches and partners for supporting the WANFLUA functions in 2013 and I look forward to bigger and better things in 2014.

2013: A year in review

State Umpire's Coach Report

The Hal Symons Fitness Camp is always a great way to launch the season, and the 2013 camp at Woodman Point was again a highlight of the umpiring season. The activities were fantastic, especially the coin game coordinated by Kendell Ball, which is now a major highlight at the camp.

The John McKay volley ball competition continues to be a great competition and Sinclair's Stingrays are now a power of strength and will be hard to beat for several years to come.

The Sunday session conducted by Jeff Dalgliesh was grueling and I cannot recall a tougher session. It certainly tested the character of the umpires, but more importantly, bonded the team for a tough season.

A highlight of the season was Nathan Doig returning to AFL Football and Luke Edwards being offered an AFL contract for the first time. The boundaries had another good year, with Jace Collingridge umpiring a final and the appointment of Nathan Doig to his second AFL Grand Final, which was a fantastic achievement.

It was outstanding that for the first time, three Perth-based field umpires in Dean Margetts, Luke Farmer and Jeff Dalgliesh (first final) were appointed to officiate in the first week of the finals. This was a fantastic achievement and I would like to thank all three of them for the leadership they provided to the WAFL Team throughout 2013.

Our goal umpires continue to establish themselves on the AFL Panel and it was with great sadness that Adam Peacock put his flags away before the start of the season. However, it was great that Adam came on board to coach, replacing John Marrapodi who battled ill health for the early parts of the season. We look forward to John returning in 2014.

The entire AFL Perth based Umpiring team is to be congratulated on their season and the professionalism they displayed.

State Umpire's Coach Report

Boundary Umpires Coach Andrew Ball in his second season, along with his coaching team, did a great job with the boundary umpires. The three umpire system continues to be successful and we are confident that we now have a solid foundation for many seasons to come. Andrews's ability to build a list and expose umpires to league was outstanding.

Goal Umpires Coach Colin Shawcross, in conjunction with John Marrapodi, Robert Davis and Rick Payne continue to develop goal umpiring team. It was great that we had our first female goal umpire in Kendell Ball umpire the Grand Final and the likes of French, Boud, Gaensler and Hunter are now set to umpire league football on a regular basis. Together with the talents of umpires like Symcox and Dobson, the future in goal umpiring is very promising.

Our leadership team provided great guidance to our 130 strong members and I thank Captain Rob McCaw, Stuart Parry, Andrew Mills, Brad Hunt, Lauren French and Sally Boud for their efforts. To all the Match Day Coaches across the three disciplines, I thank you for your dedication, expertise, commitment and enthusiasm you bring to our team.

I am extremely grateful for the efforts of Kylie Hansen and Hannah Rodoreda, who ensured that training and the well being of the team was met. The appointment of the Rehabilitation Coordinator role ensured that umpires were managed professionally during the injury management process.

To our award winners, grand final umpires and umpires who accomplished milestones, congratulations on a great season.

To the umpires' wives, girlfriends and extended families, I thank you for supporting our umpires, because I know it can be frustrating as you share the ups and downs of their umpiring journey. Please look after yourselves, enjoy your break, take care and I look forward to working with you all in 2014.

Boundary Umpires' Coach Report

There were many individual highlights for our panel of elite boundary umpires in 2013, but there is no doubt their greatest achievement as a group was their growth and maturity as a team. Every one of them should be very proud of what we have accomplished this year and as their coach, I could not be more pleased with their efforts.

For the first time in a number of years, I believe our boundaries set the standard on the track for the entire umpiring group during the pre-season. One of the highlights of the hard summer slog was the fact that no boundary got left behind by one of his or her teammates. On several occasions,

those who had already completed their running drills went back to assist those who were yet to finish and needed a bit of helpful encouragement. I can certainly tell you that this brings an enormous smile to the face of the coach ahead of a long season. The highlight of the pre-season is always the Hal Symons Fitness Camp at Woodman Point and this year was no exception. Not only did we enjoy the chance to bond as a group and discuss ways to improve our brand, we also excelled during the 5km time trial that was run at Bibra Lake on the Saturday morning. It certainly was a challenge for our group to run an early morning time trial after a potentially restless night sleeping in a foreign bed, but this was not reflected in the individual times. Many personal bests were achieved that morning, including Jason Morrow smashing the 20-minute benchmark for the first time in his four seasons on the panel.

We welcomed a handful of new faces to the group during the pre-season, including Zane Crisa, BJ Farrell, Claire Knight and Lachlan Morrison. All had promising first seasons on our panel. We were also delighted to have Adam Bastick return to WAFL ranks after the disappointment of being delisted from the AFL after just one season. Adam's ability to put that personal pain behind him is to be applauded and he is a real asset to our group. It was also pleasing to see Andrew Mills and David Thatcher return to full training programs after their 2012 campaigns were cruelled by injury.

The heat policy was implemented in Round 1, allowing four boundary umpires to be appointed to each of the four League games. This opened the door for Sean Moylan to make his senior debut after an impressive pre-season. Fellow young gun Josh Garrett was also promoted to League football in Round 15 and finished the season with seven senior games next to his name. Both Sean and Josh have very bright futures ahead of them and I'm sure they will be looking to take their game to yet another level in 2014.

Brad Hunt, Michael Washbourne and Hugo Robinson were handed the honour of representing WA on the boundary in the State Game against Victoria in Northam on May 11. All three umpires performed exceptionally well on the day and will be able to look back on the game with many fond memories. After all, it was the first time the Black Swans have beaten the Big v in 22 years.

Jack McDonald and Hugo Robinson were originally selected for the National 18s and National 16s competitions mid-year. However, Jack's commitments at the police academy unfortunately ruled him unavailable to attend the carnival, so Hugo took his place instead. Jack Hobbs was then appointed to attend the 16s carnival, along with Sean Moylan after the AFL fortuitously granted us an extra umpiring spot.

Boundary Umpires' Coach Report

As always, there were many personal highs and lows for our umpires during the season and congratulations must be afforded to those who achieved their goals in 2013, especially those who umpired finals and grand finals. For those who missed out, I encourage you to quickly move on from your disappointment and use it as motivation to have a hugely successful campaign in 2014.

A big congratulations to our major award winners for the 2013 season:
Sean Moylan – Ron Hall Medal – Best Pre-Season Boundary Umpire
Hugo Robinson – Greg Smith Medal – Most Improved Boundary Umpire
Michael Washbourne – John Devine Medal – Boundary Umpire of the Year

Congratulations to our Grand Final umpires for the 2013 season:
LEAGUE: Michael Washbourne, Brad Hunt, Adam Bastick, Jack McDonald
RESERVES: Kyle Sinclair, Donna Brown, Justin Morgan, Kirk Webster
COLTS: Ryan Sinclair, Josh Garrett, Jason Morrow, Jack Hobbs

Well done to Jack McDonald on being selected in his first League Grand Final and also to Jason Morrow on his maiden grand final appointment in any grade.

A big thank you to our Match Day Coaches – Geoff O'Neill, Rob McDonald, Dom Strambolini, Tony Westall and Steve Clark – for your time and efforts during the season. Thanks also to fitness coach Hannah Rodoreda, head trainer Kylie Hansen and her team of medical staff for helping keep our group fit and healthy during the year.

Finally, it would be remiss of me not to pay tribute to Darryl Sinclair as he moves away from coaching and into his new role as WAFL Umpires Manager. It is hard to think of an umpiring setup without Darryl as his contribution to the entire group has been enormous. His passion for umpiring is second to none and his presence at training and on match day will be sorely missed. On behalf of the entire boundary umpiring panel, we wish Darryl all the best for the future.

Congratulations again to the boundary umpires on an outstanding 2013 season and I am already looking forward to 2014 when those efforts will no doubt be topped once again.

Goal Umpires' Coach Report

2013 was a season for renewal. Three experienced goal umpires in Dave Shawcross (353 Games), Mike Spear (267 games) and Adam Peacock (206 games) departed our ranks at the end of season 2012. Dave, Mike and Adam made outstanding contributions to goal umpiring in WA, including representing the WANFLUA with distinction at AFL level.

When the dust settled at the commencement of preseason training in January, it was time for the new leadership to take the WAFL goal umpire team into season 2013. Kendell (107 games), Jono (97 games), Brody (67 games) and Lauren (44 games) were our most senior WAFL goal umpires and they were supported by our AFL team in Dale, Brett, Matt and Luke. Sally and Steve G also stepped up.

Their challenge at the commencement of the season was to lead the goal umpire team in a seamless changing of the guard – to produce the same on-field quality of goal umpiring in 2013 as was achieved in season 2012. It is now a matter of record that they met the challenge – a job well done.

There were many opportunities in season 2013 for goal umpires with the necessary qualities. From the start of pre-season training, the leadership group set out to lead our goal umpire team to develop those qualities. Their focus was on culture, fitness and skills.

Features of the team culture included strong encouragement and support for all individual team members; emphasis on the importance of the team over the individual; a focus on our team brand – the results we produced and the image we presented at training, in coaching sessions, on-field, everywhere; and a strong focus on skill, fitness and knowledge development to 'fill the gap' to enable the team to make that seamless change from season 2012.

One of the many achievements of the team was their preseason time trial results at the camp. As always, our AFL goal umpires had set the standard for goal umpires aspiring to the highest level during their AFL time trial. At the camp, seven WAFL umpires ran a 5km time trial and, led by Jono, produced outstanding individual results. The 2km time trial also produced very impressive individual results. The team was 'pumped'. They came away from the camp with this clear objective measure that they had made a difference. They had stepped up from season 2012 and were now ready to meet the challenges of season 2013.

Fourteen umpires, including our four Perth based AFL umpires, officiated in WAFL senior football in season 2013, including Daniel Dobson and Cameron Symcox who debuted and Gareth Lill who returned to WAFL senior football.

Our developing youth for the future of WAFL goal umpiring, including Reuben, Ben, Brendon, Amy, Jason and Tracey all made quantum improvements to their game this season. Steve C, Les, Glenn and Roman brought important qualities of maturity and dedication to our Reserves and Colts teams.

A number of umpires from the WA Senior Community Football League and the Peel Football League also assisted when we were short of goal umpires. New faces in the WAFL Goal Umpire Panel this season were Amy Woods, Jason Tyrrell (WA Senior Community Football) and Roman Dzioba (who transferred from interstate). Unfortunately, we lose Roman to the Great Northern Football League in season 2014 because of a transfer in his work – their gain, but our loss.

Goal Umpires' Coach Report

Congratulations to the three Grand Final goal umpire teams for season 2013:

League: Kendell Ball and Brody Payne (Em. Lauren French)
Reserves: Sally Boud and Daniel Dobson (Em. Cameron Symcox)
Colts: Ben Clark and Brendon Carrod (Em. Amy Woods)

Congratulations to Kendell Ball who umpired the WA v Victoria state game in May; Sam Hunter and Sally Boud who respectively represented the WANFLUA team at the national 18s and 16s carnivals in Melbourne and Sydney in July; Jono Laycock who umpired the 2013 Foxtel Cup Grand Final in Adelaide in August; Brody Payne who umpired his second WAFL Grand Final and Kendell Ball her first WAFL Grand Final. Kendell is the first female to umpire a WA state game and to umpire a WAFL senior Grand Final. These are outstanding achievements and she has opened the door for other females.

Goal Umpire award winners for season 2013 were:

Kendell Ball – Bill Carter Medal – Goal Umpire of the Year 2013
Daniel Dobson – David Shawcross Medal – Most Improved Goal Umpire 2013
Sally Boud – Merv Rose Medal – Best Pre-season Goal Umpire 2013

Milestones in season 2013: Jono Laycock (100 games) and Lauren French (50 games).

My thanks to John Marrapodi, Robert Davis, Rick Payne and Adam Peacock who, with me, formed our WAFL Goal Umpire coaching team in 2013. Special thanks to WA Senior Community Football goal umpire coaches Peter Jeffers and Terry Tomlinson in their work of identifying and developing young goal umpires to feed into the WAFL system.

We have a very exciting goal umpire team and leadership ready to take us into season 2014 with high quality on-field performances across all three grades of WAFL football.

It has been stated that, "our only limitations are the limitations we place on ourselves". Who, among the WAFL goal umpire panel, in the 12 months to September 2014, will do that something different that will see them achieve an outstanding personal goal in season 2014?

Colin Shawcross

Hal Symons Fitness Camp

By Rob McCaw

Over the second weekend in February, the 2013 Hal Symonds Fitness Camp was held at Woodman Point Recreation Camp. The weekend's proceedings kicked off with a BBQ dinner while everyone slowly arrived. It was then we all headed inside for the first of many presentations. The formal part of the evening commenced with a welcome from Cam Knapton (WAFL Competition Manager), followed by Darryl Sinclair presenting the findings of the End of Season Reviews to the group. Head Trainer Kylie Hansen then discussed sports nutrition and injury management. It was then over to the announcement of the 2013 leadership group and a presentation from WANFLUA president Beau Wardman. Before the evening finished closed, we broke into our disciplines for a brief coaching session. We all knew the dreaded 6am wakeup call was coming!

A change in the early morning fitness session saw us start the day with the 5km time trial around Bibra Lake. Having previously had the time trial before camp, there was a different feeling around in the morning. Heading off at 2-minute intervals from 7.00am, the groups quickly dropped down until everyone was off and running. With little time between the last group starting and the first group finishing, the coaching staff were kept busy. It was then back to camp to quickly re-fuel before a morning full of presentations.

First up was the 2013 AFL Laws DVD, followed by a session on communication facilitated by Kendell Ball and Jeff Dalglish. After this, it was then off in our discipline's for another coaching session. Before we knew it, lunch was here!

With most of the important sessions out of the way, it is fair to say the part of camp that everyone looks forward to the most is the competition between the camp teams. The 2013 competition involved continuous cricket, basketball and the introduction of small-sided soccer on the new soccer pitch. At the end of the initial round of games, the top four ranked teams then moved into the finals of the volleyball competition. As the final of the John McKay Memorial volleyball Tournament was about to start, the group reflected on John's contribution to the WANFLUA with a minutes silence. This year's Grand Final saw Sinclair's Stingrays aiming to make it back-to-back wins, with only Wardman's Warriors standing in their way. With Kyle Sinclair captaining the Warrior's in Beau's absence, it saw the two Sinclair brother's facing off for bragging rights. In a closely contested 3-set match, the Stingrays prevailed to make it back-to-back wins and Ryan claiming bragging rights over younger brother Kyle.

After a short break, it was then time for the traditional Life Members Hour. With several life members in attendance, there wasn't a shortage of great stories from years gone. After dinner, in a new camp tradition, Kendell Ball once again organised the 'coin game' in which all the umpires took part. With everyone involved in the game, there was plenty of banter and camaraderie on display.

It was another 6am wakeup on the Sunday morning, with Darryl Sinclair blowing a whistle as loudly as he could for his best attempt as an alarm clock. What preceded this was another first for the camp. AFL umpire, Jeff Dalglish took charge of the fitness session for the first time. It was a punishing and gruelling session with many people commenting that it was the hardest session they'd completed. Even though it was a tough session, the morale around the group was fantastic with everyone encouraging each other until we had all finished.

After breakfast, it was then over to the first and second year umpires who took charge of the clean-up. To close the camp, everyone gathered for the announcement of the John McKay Shield and Champion Team which was awarded to Sinclair's Stingrays. Captain Ryan Sinclair made a quick speech thanking his team for their hard work and dedication, along with thanking everyone that made the camp a success.

Hal Symons Fitness Camp

As always, the Hal Symonds Fitness Camp was an outstanding success, with everyone not only working hard on their fitness, but also learning a great deal from the diverse presentations and coaching sessions. The growth in group camaraderie and team spirit was exponential with everyone building new relationships to take into the season ahead. Without the hard work and support of a number of people, in particular Darryl Sinclair and his team of coaches, Beau Wardman and the WANFLUA Committee, Kylie Hansen and Hannah Rodoreda, the camp wouldn't have been such a success. It would also be remiss not mention the work of WANFLUA Life Member Matt Hayes and the team at Woodman Point Recreation Camp. Thanks also must go to all of the WANFLUA Life Members that popped in throughout the weekend; it was great to see them contribute to such a fantastic camp.

Along with the hard work that was put in from the people mentioned above, the camp would not have been a success without the full participation and support of all the running umpires. The group's attitude was again excellent, with everyone prepared to work hard when required, as well as enjoying the competition and banter between the teams.

The Hal Symonds Fitness Camp is always a great way to kick-off the season and always leaves umpires looking forward to the next one.

Harry's Night

By Michael Washbourne

For one night only, the Ernest Johnson Oval clubrooms were transformed into a casino to celebrate Harry's Night and recognise the contribution of our dedicated group of trainers.

WANFLUA members were encouraged to dress up for the occasion in pursuit of the big prize on offer for the person who collected the most amount of "funny money" over the course of the glitzy evening.

Each member received \$100 "funny money" upon arrival to spend on any of the makeshift gambling tables, including blackjack, roulette and money wheel, and all games were overseen by professional croupiers. Boundary umpire Justin Blades cleaned up at the poker table to claim the overall honours for the night and walk away with a \$150 Rebel Sports voucher.

Kylie Hansen and her team of loyal and hardworking trainers each received a small gift as a token of appreciation from the association and all running members for the number of long hours they put in during the season.

Steve Gaensler spoke on behalf of the WANFLUA about the late Harry Jardine's contribution to the association over a number of years and ensured the annual event will continue for many more years to come. As is now tradition, Harry's wife May and daughter Jo put on another scrumptious feast which was enjoyed by all WANFLUA members and their partners. The Peter Repper Bar was again popular as the celebrations continued well into the night.

Dean's 200th AFL Game

By Craig O'Donoghue

The 2013 Queens Birthday Holiday game between the Melbourne and Collingwood football clubs will not be remembered for the on-field battle. However, it will go down as a momentous occasion for WA Umpiring, with our very own Dean Margetts officiating in his 200th AFL game. This feat was achieved through a lot of success and adversity, but Dean, who has represented our association so well over many years through his great commitment and perseverance is congratulated by the WANFLUA on his milestone.

Despite an incredible record on the field, Dean's day didn't get off to the greatest of starts. Charged with the duty of commencing the game with the obligatory bounce in the middle of the 'G, Dean fumbled the ball as he went to hold aloft, a rare feat, but certainly drew the attention of the radio commentary team, who were obviously looking for any distraction possible than the game at hand. Dean said "I was quite nervous in the lead up as I don't enjoy the attention of the spotlight, and in such a big game (Melbourne v Collingwood) the hands were a bit slippery and it spilt out." Dean did clarify for us though that "the first bounce went straight up, after the early glitch."

While the 200-game milestone achieved by itself is a terrific milestone, it is also the highest number of AFL games by a WA based field umpire*. Umpiring AFL is a tough vocation, but having to travel across the country on a weekly basis certainly puts great pressure on the individual, their family and their secular employment. However, Dean has certainly clocked up the frequent flyer kilometres over his 11 year career at AFL level. He is now comparing himself to WANFLUA vice-President, Steve Gaensler, as a Platinum Flyer, having accrued the eligible points.

Dean commenced his career like many of his WA colleagues in the SSJF footy league in 1996. Dean umpired the WAFL grand final in 2000. His first AFL match was in 2002. Dean has umpired two AFL finals in his total of 200 AFL matches.

Dean is the current AFL field umpire of the year (2012), having been awarded the Bishop Shield for his work with the umpires association and on field performances. Dean has been a very consistent umpire and leads his WA colleagues with a very high level of professionalism.

**Entire career has been based in Perth, WA.*

Hall of Fame

By Michael Washbourne

Trailblazing umpires Barry Bidstrup and Ron Poole were formally inducted into the WANFLUA Hall of Fame in early July.

Bidstrup became just the second boundary umpire to officiate in three consecutive WAFL grand finals in 1961, 1962 and 1963, while Poole was a member of the inaugural WA AFL goal umpiring panel in 1987. Bidstrup joined the WANFLUA boundary umpiring panel in 1960 and umpired finals in his very first season despite a rotation policy that saw umpires only officiate in League football once every three weeks.

Also a talented cricketer, Bidstrup umpired 46 League games, including three State games, in five years as a boundary umpire before making the switch to field umpiring after the 1964 season. Bidstrup is also a member of the WANFLUA Team of the Decade 1963-72 and is one of only eight boundary umpires to officiate a hat-trick of grand finals before the West Coast Eagles entered the VFL/AFL in 1987.

Poole played Reserves football for Claremont before becoming a flagwaver in 1979. He toiled away in the lower leagues before being crowned the Most Improved goal umpire in 1983 after making his League debut earlier that year.

Poole's selection in the 1986 Reserves Grand Final was enough to secure a spot on the inaugural WA AFL goal umpiring panel the following year.

Poole went on to wave the flags in 166 games, including 14 AFL games, before retiring during the 1991 season. He umpired consecutive WAFL grand finals in 1987 and 1988, as well as two State Games between WA and Victoria.

Poole was awarded WANFLUA life membership in 2006 and most recently served as a member of the 60th year Team of the Decade selection committee.

During his induction speech, Poole said his time as a goal umpire was one of the most enjoy-able periods of his life and insisted the WANFLUA was the best social club in Western Australia.

Both Bidstrup and Poole were joined by their families for their induction into the Hall of Fame, along with a host of other former umpiring greats of the past.

Their inductions included a video highlights package with tributes from fellow Hall of Famers Des DeGruchy and Rob Hendrie, and current AFL umpires Alan Zanich and Dale Edwick. Former field umpire and 1996 inductee Mike Ball also spoke of the prestige that came with being a member of the WANFLUA Hall of Fame.

Life Member Inductees

During the WANFLUA Annual General Meeting, six members of the association were presented with Life Membership. Adam Peacock, Stuart Parry and Ryan Kukura reached the honour having officiated in 200 league games.

The members also ratified Brett Rosebury as a Life Member. Brett is the reigning 5-time AFL Grand Final umpire and in 2012 was inducted into the WANFLUA Team of the Decade. Having umpired over 200-games, Brett was an obvious inclusion.

Along with the four 200 game umpires, Kendell Ball and Steven Gaensler were also recognised with Life Membership due to their extensive and distinguished service for the WANFLUA.

Kendell, the 2013 State Goal Umpire, has been serving on the WANFLUA committee for nine years with the past seven years spent as one of the most influential social coordinators for the association.

Ex-field umpire, come league goal umpire, Steven Gaensler who was also recognised for his service to the association has spent nine years on the committee to date, including the last three years as vice President. Steve has exemplified the values of WANFLUA particularly through his constant service to the members.

Steve explained about the honour of being a life member, "It's something you don't set out to achieve, you just chip in because it's a great association with a great history. I feel extremely humbled to have my name on a board with such great umpires and great supporters of the association."

2013 State Game

By Michael Washbourne

Flagwaver Kendell Ball created history when she became the first female umpire to officiate in a State Game. Ball was part of the team that travelled to Northam's Henry Street Oval on May 11 for the State Game between WA (WAFL) and Victoria (VFL).

Joining her in State ranks for the first time were field umpire Justin Orr and boundary umpires Hugo Robinson and Michael Washbourne. Stuart Parry (field) and Brad Hunt (boundary) were selected for their third and fourth State Games respectively and their experience proved in-valuable on game day.

WANFLUA president Beau Wardman also travelled to Northam as the emergency, while Brody Payne was appointed third scorer.

Joining the WA team were Victorian umpires Andrew Talbot, Jake Robertson and Michael Craig. It did not take long for both teams to put their allegiances aside and unite to umpire a cracking game of football. During the week, umpires were warned to prepare for the fast-paced nature of State football from the very first bounce. They weren't kidding.

It was on from the opening seconds as Victoria raced to an early lead. The visitors held a comfortable lead for most of the first half before WA staged an impressive comeback after half-time.

The home side's decision to pick a team full of speedy runners proved a masterstroke in the end as WA ran over the top of Victoria to record their first win over the Big v since 1991. For that very reason, it was an experience the WA umpires will never forget.

WAFL Umpire Manager Darryl Sinclair applauded all umpires on their achievements. "State football is a great an honour and opportunity that only comes once a season," he said. "This year we were delighted with all our umpires and I'm pleased that we complemented a really good game of football."

Foxtel Cup Grand Final

By Alex Martin

Brad Hunt, Jono Laycock and I were fortunate enough to be selected to represent the WAFL umpiring group at the recent Foxtel Cup Grand Final in Adelaide. The game was played at AAMI Stadium on Tuesday, August 6 between West Adelaide and East Fremantle. Brad, Jono and I flew over to Adelaide on the Monday evening, enjoying a far smoother journey than the East Fremantle party, who suffered a 3 hour delay on their flight earlier that morning. We also enjoyed a smoother trip through airport security than the gentleman behind us, who couldn't understand why they wouldn't let him take his scissors on the plane, as "the blades were only small".

We arrived at the Crowne Plaza hotel just after 10:30pm, to good news and bad news. The good news was that the kitchen was still open, but the bad news was that it had started raining during the third Ashes test, killing our plans of staying up til 3am to watch the rest of the final day. Although in hindsight, this probably turned out to be good news for our pre-match preparation. At this point, I must also thank Darryl Sinclair for looking after his field umpire by allocating me the single room and forcing Brad and Jono to share.

After a good night's sleep, we headed down for a late breakfast and then decided to take a walk around the city centre and see what Adelaide had to offer. After 45 minutes, it became apparent that the answer was "not much", so we headed back to the hotel for lunch. We then relaxed at the hotel for a few hours, although we didn't take as much advantage of the facilities as Darryl, who had arrived in town just after lunch and headed on a fact finding mission straight to the hotel's pool, spa and sauna. It was a very impressive effort from Darryl, who apparently completed 50 laps of the pool before realising that he had forgotten a towel. After overcoming that problem thanks to the assistance of a couple of East Fremantle players, Darryl met us in the hotel lobby so we could go and have coffee with the SANFL Umpires Manager, Shane Harris, who was looking forward to the game so much so, that he thought that he "might catch a bit of it on the TV if there's nothing better on."

By this point, Darryl had changed into his formal attire for the evening's game, as he would be representing the WAFC at the official pre-game function. However his attempt at appearing somewhat impartial was slightly undermined by his choice of shirt for the evening – a blue and white striped shirt.

After an early dinner with the East Fremantle players, we caught a taxi out to AAMI Stadium, arriving just before 6:30pm, leaving us with plenty of time to meet our fellow umpires and prepare for the game, with the bounce down not being until 8:05pm. While I wasn't able to claim the first bounce, I was given the honour of tossing the coin, which also involved a fair bit of air-time, courtesy of a live interview with Foxtel's Ben Dixon. In the unlikely event that there is anyone on the panel who I have yet to show this vision to, please feel free to hit me up at training, where I will also happily talk you through my other recent media appearances.

Although the rain which was around throughout the day had cleared up by the time the match got underway, the playing surface was extremely wet and slippery, which didn't make for a highly skilled encounter. However with a prize of \$100 000 at stake, this was more than made up for by the intensity at which the players attacked the ball, which was a noticeable step up from home and away WAFL games.

Foxtel Cup Grand Final

Despite East Fremantle having a lot of the ball and territory early on, West Adelaide completely dominated the scoreboard, leading 4.5 to 0.4 at half time. However, East Fremantle assumed complete control of the match after half time, having 14 scoring shots to West Adelaide's 3 after the break. However they were unable to make the most of these opportunities, finishing with an incredible 2.16 to fall 4 points short of West Adelaide on 4.8. Despite being stationed in East Fremantle's forward line for the last 3 minutes of the game, I didn't give in to the wishes of the Sharks coach, Steve Malaxos, to give them a soft free kick at the top of the goal square. Although as he later admitted, with the way they were kicking, I would probably have had to award a 50m penalty and then kick it for them as well to be sure of registering a goal.

All jokes aside, it was a great experience to represent our state and the WAFL umpiring group on a national stage, and one that all three of us will no doubt look back on as one of our career highlights. What was especially pleasing from our point of view, was that the feedback we received indicated that Brad, Jono and I all performed our roles well and didn't impact on the result of a close game. However, this feedback did come from Darryl several hours after the match, whose perspective by this stage may have been slightly clouded by a couple of medicinal glasses of red wine.

After the match, the three of us headed back to the hotel where we shared a couple of drinks with Darryl, Gary Walton (the CEO of the WAFC) and the East Fremantle players and officials. We were then invited to join East Fremantle's post-game function at the Woolshed, where we were made to feel very welcome and joined the celebrations which lasted long into the night. Apart from the game itself, this was probably the highlight of the trip, as it was really good to socialise with the players and officials, and go some way to breaking down the "us and them" mentality.

Given the late night that was had by all on the Tuesday evening, it was unsurprising to see that only 2 players made it down for breakfast at 9:30am on Wednesday. Fortunately we didn't have to fly out until 2:40pm, as this allowed us all to have a fairly relaxed day. Apart from the seating arrangements, which saw me seated next to East Fremantle's captain, Mark McGough, it was a fairly uneventful flight back to Perth.

Overall, the trip was a fantastic experience to be a part of, and Brad, Jono and I are very grateful to Darryl, Colin Shawcross and Andrew Ball, as well as the rest of the coaching team, for giving us this unique opportunity.

Women in Umpiring

By Craig O'Donoghue

Goal umpire Kendell Ball has described the 2013 season as the highlight of her career after becoming the first female to officiate in a WAFL grand final.

The daughter of WANFLUA Hall of Fame field umpire Mike Ball, Kendell had a superb season, also umpiring the state game and being awarded life membership.

A stalwart of the WANFLUA and someone who played a key role in raising the standard of functions, Ball said it was a year she would never forget.

"It would have to be the highlight of my umpiring career. The whole experience was phenomenal and I cannot thank the people who have helped me throughout my whole entire umpiring career enough, as without them I wouldn't have achieved what I did," she said.

"It's been a long journey for me but it was definitely worth it, to umpire a State Game and League Grand Final was amazing and that feeling on grand final day will stay with me forever but receiving life membership of this fantastic association is one that I will treasure for a lifetime and I'm so honoured to join such an elite group of umpires."

It was an incredible season for the women of the WANFLUA.

Lauren French passed the 50 game milestone, Sally Boud attended the under 16 national titles and was named the best goal umpire of the pre-season. Both French and Boud were chosen in the leadership group.

There was a distinct female flavor on grand final day with women appointed to every match – league, reserves and colts – as boundary umpire Donna Brown also flourished.

"To have so many milestones and achievements last year was great," Ball said.

"Plus the leadership role that females are starting to take on, so it's not just on field achievements. To have the respect I guess of this group and to be leaders is a massive highlight and something that has changed over the years."

Pre Season Medallists

Ross Capes Medal – Best Preseason Field Umpire – Matt Adams

Matt was recruited from the South Fremantle District and this season joined other promising umpires as a recipient of the Ross Capes Medal. Matt joined our team in 2008, and at 22 years of age, has a promising career to look forward to. Matt has been a model of consistency in the past few years and his pre-season was very good, demonstrated by his time of 18'05" for the 5km time trial. In addition to this, his umpiring over the pre-season was outstanding.

I have no doubt if Matt continues to work hard and continues to live our core values, he will become a long term league umpire.

Ron Hall Medal – Best Preseason Boundary Umpire – Sean Moylan

Sean joined the WAFL umpiring panel midway through the 2012 pre-season as a fresh-faced kid looking to make the transition from junior field umpiring. Sean benefited from doing his first full pre-season, showing enormous improvements in both his fitness and leadership during the arduous summer months. He improved his 5km time trial by more than 90 seconds and was rewarded for his efforts during the pre-season with his League Debut in Round 1.

Sean continues to set the standard for other up-and-coming boundary umpires on the WAFL panel and is a deserving winner of the Ron Hall Medal.

Merv Rose Medal – Best Preseason Goal Umpire 2013 – Sally Boud

Sally joined the WANFLUA goal umpire panel in season 2008 from the Swan Districts Junior Umpires Panel. She made her senior debut in season 2011 and has now umpired 28 senior games.

In July, Sally represented the WA goal umpire panel at the 16s carnival in Sydney and concluded the season by umpiring the 2013 WAFL Reserves Grand Final.

Sally demonstrates outstanding dedication to her fitness, and each year, she is one of a group of goal umpires who gather for off-season training from November. Sally is always one of our highest attendees at training between January and September. This season she also ran an outstanding 5km trial at the camp.

Sally always contributes to the leadership of our team. This season she was one of several senior goal umpires who, from the commencement of training in January, established a new, positive and energetic leadership culture which unquestionably contributed to the on-field success of our team.

John McKay Life Members Trophy, Colts Umpire of the Year & Shadforth Brokers Rising Star

John McKay Life Members Trophy – Alex Martin

Alex has provided outstanding support to the association over a number of years. In 2013, Alex wrote articles for the yearbook and also proof read the entire yearbook for spelling and grammatical errors. He co-organised panel night, which included writing songs and skits, putting together videos and power-point presentations for the evening, as well as hosting the event.

At the Reverse Auction Night, he provided a 30 song set of musical entertainment with Chris McCann, which entertained the crowd for hours. He and Chris McCann also opened the Dinner dance with 2 live songs. Alex also wrote numerous articles for the Football Budget, the WANFLUA Website and newsletters throughout the year.

Alex was a part of the organising committee and captained/managed the field umpires team in the annual WANFLUA Derby foot ball match. He also helped to organise Mad Monday across the three disciplines in the lead up. This involved collecting money and running the fines system with Jerome Mohen on the day.

Colts Umpire of the Year – Matt Carpenter

New recruit Matt Carpenter had an outstanding season in 2013 after being snapped up by Darryl Sinclair and Tim Priest after he had umpired the 2012 SWFL Colts Grand Final.

Matt umpired 20 Colts games in his first season and not many umpires who join the team do this in their first season.

Shadforth Brokers Rising Star – Josh Garrett

Josh Garrett joined the team in 2012 and umpired colts and reserves football.

After an outstanding pre-season and umpiring mostly reserves football, his hard work was rewarded when he umpired 6 league games in the second half of this season.

Josh has an outstanding future, provided he maintains his current appetite for hard work and outstanding work ethic.

Shadforth Insurance Brokers

Most Improved Medallists

Craig Hendrie Medal – Most Improved Field Umpire 2013 – Alex Martin

After umpiring 20 league games and improving his fitness level during the off season, Alex Martin was a worthy winner of the Craig Hendrie Medal for the most improved umpire in 2013.

Alex joined the umpiring team in 2005 from the East Fremantle District and has now cemented his position in league football.

There is no doubt that having umpired 56 league games, Alex has the potential to umpire league football for several more seasons. Alex has had a break out year and is to be congratulated on his season.

Greg Smith Medal – Most Improved Boundary Umpire – Hugo Robinson

Hugo set himself a pre-season goal of finding ways to take his game to the next level in 2013. After chatting with his coaches and fellow umpires, Hugo decided that the main area he needed to improve was his leadership both on and off the field.

He made a concerted effort to show plenty of encouragement towards his fellow umpires during pre-season training, as well as leading by example with his own form and fitness. Hugo had a brilliant start to the season and was adjudged by his peers as one of the Umpires of the Round for the first seven rounds of 2013.

His strong form also saw him selected for the State Game between WA and Victoria in Northam in May. Hugo had an outstanding season and he will no doubt be looking to improve his game even further in 2014.

David Shawcross Medal – Most Improved Goal Umpire – Daniel Dobson

Daniel joined the WAFL goal umpire panel in season 2010 from the Peel Football League. In season 2012 he umpired the WAFL Colts Grand Final and in season 2013 continued to significantly develop his goal umpiring.

He made his senior football debut in Round 4 and umpired 13 senior games in this debut season. He concluded the season umpiring the 2013 WAFL Reserves Grand Final.

Daniel works hard at his fitness and was invited to run the 5km time trial at the camp. He demonstrates outstanding commitment to his goal umpiring, travelling from Peel twice weekly for training and rarely misses a training session.

Daniel is a well-liked member of the goal umpire team who always contributes positively to the culture and morale of the team.

Umpire of the Year Medallists

Montgomery Medal – Field Umpire of the Year 2013 – Stuart Parry

After a wake-up call and the huge disappointment of missing out on the 2012 Grand Final, Stuart Parry knuckled down to hard work during the off season. Stuart improved his fitness level and was selected to umpire the WA v Victoria State Game and umpired consistently throughout the season. Stuart attended training every week except for a compulsory short break in June. Stuart had an outstanding season and he should be a very proud winner of his second Montgomery Medal.

John Devine Medal – Boundary Umpire of the Year – Michael Washbourne

Michael had an outstanding season and capped it off with the WAFL Grand Final and being named the John Devine Medallist for season 2013. During the year he also reached the 150 game milestone and umpired in the WA v Vic state game. Michael had a very consistent season in which he umpired in 25 league games. His commitment to improving each week and applying himself each training season are his biggest strengths. He is always will to help out the younger boundary umpires in the group by offering up advice through the knowledge that he has amassed from his many years of dedication to boundary umpiring.

Bill Carter Medal – Goal Umpire of the Year 2013 – Kendell Ball

Kendell joined the WANFLUA goal umpire panel in season 2003 from the Senior Community Football Panel. She made her senior debut in season 2005 and umpired 4 senior games in her debut season. She has now umpired 128 senior games. In May, Kendell represented the WAFL goal umpiring panel in the WA v Victoria State game played at Northam and concluded the season by umpiring her first WAFL Grand Final. She is the first female to officiate in a WA state game and also in a WAFL senior grand final.

Kendell missed season 2008 as a result of a tragic knee injury. But she has since demonstrated outstanding dedication to achieve the necessary level of fitness through an alternate training regime which she has largely designed.

In her 13 seasons with the WANFLUA, Kendell has made an outstanding contribution to the association and to the social fabric of the whole umpire team. In season 2013 she emerged as an outstanding leader within the goal umpire team, filling a void following the retirement of our three most experienced members. She, with a small group of senior goal umpires, established a new, positive and energetic leadership culture which unquestionably contributed to the on-field success of our team.

Notes to the financial statements for the year ended 31 December 2013

1 Statement of significant accounting policies

The significant policies which have been adopted in the preparation of this financial report are:

1.1 Basis of accounting

The financial report is a special purpose financial report that has been prepared for its members in accordance with the Australian Accounting Standards, Urgent Issues Group Interpretations, other authoritative announcements and the Association Handbook in a form appropriate for a sporting association.

It has been prepared on the basis of historical costs and except where stated, does not take into account changing money values or fair values of non-current assets.

The accounting policies have been consistently applied, and, except where there is a change in accounting policy, are consistent with those of the previous year.

1.2 Statement of compliance

The financial report complies with Australian Accounting Standards, which include Australian equivalents to International Financial Reporting Standards (AIFRS). Compliance with AIFRS ensures that the financial report, comprising the financial statements and notes thereto, complies with International Financial Reporting Standards (IFRS).

(a) Revenue recognition

Revenues are recognised at fair value of the consideration received.

Membership - Membership revenue is derived through subscription fees. All membership income is recognised in the financial year in which it has been received to accurately match membership revenue with events held.

Interest - Interest income is recognised when it is credited.

(b) Receivables

Subscriptions shall be payable in the case of an Active Member immediately on notification of appointment as an Umpire and in all other cases no later than the 31st of May each year.

Collectibility of debtors is reviewed on an ongoing basis. A provision for doubtful debts is raised where doubt as to the collection exists and debts which are known to be uncollectible are written off.

(c) Plant and equipment

Plant and equipment is stated at cost less accumulated depreciation.

Acquisition - All acquisitions of assets (except caravans but including the updating on all honour boards, photos and framing of posters) are recorded at the cost of acquisition, being the purchase consideration determined as at the date of acquisition, plus costs incidental to acquisition.

Caravans - They are anticipated to have indeterminate useful life. Their service potential has not, in any material sense, been consumed during the reporting period and as such, no amount for depreciation is recognised.

Depreciation - Is calculated on a diminishing value basis using the following rates:

Honour boards, photos and posters	10%
Plant and equipment	30%

**Notes to the financial statements
for the year ended 31 December 2013**

(d) Cash assets

Cash assets are carried at face value of the amounts deposited.

(e) Inventories

Inventories are carried at the lower of cost and net realisable value. Net realisable value is determined on the basis of each inventory line's estimated selling price.

(f) Payables

Trade creditors represent liabilities for goods and services provided to the Association prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(g) Taxes

The Association is exempt from the payment of income tax under the Income Tax Assessment Act.

Goods and services tax (GST) - Revenue, expenses, assets and liabilities are recognised inclusive of the amount of GST.

Committee's Declaration

In the opinion of the Members of the Committee of the Western Australian National Football League Umpires' Association (Inc.):

a) the financial statements and notes:

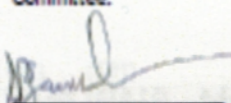

(i) present fairly the financial position of the Association as at 31 December 2013 and its performance, as represented by the results of its operations and its cash flows for the year ended on that date; and

(ii) comply with Accounting Standards in Australia and the Associations' handbook; and

b) there are reasonable grounds to believe that the Association will be able to pay its debts as and when they become due and payable.

Dated at Perth this 8th day of January 2014.

Signed in accordance with a resolution of the Members of the Committee:

	
Steve Gaensler (President)	Travis Norton (Treasurer)

AUDIT REPORT

To The Members of The West Australian National Football
League Umpires' Association (Inc.)

Scope

I have audited the Financial Records of The West Australian National Football League Umpires' Association (Inc.) ("WANFLUA") for the period 1 January 2013 to 31 December 2013. The WANFLUA is responsible for the preparation and presentation of the Financial Records and have determined that the accounting policies used are consistent with the financial reporting requirements of the Association and are appropriate for the needs of the members.

I have conducted an independent audit of the Financial Records in order to express an opinion to the members of The West Australian National Football League Umpires' Association (Inc.)

The income and expenditure statement has been prepared for distribution to members for the purpose of fulfilling the Committee's financial reporting requirements under its constitution. I disclaim any assumption of responsibility for any reliance on this report or on the income and expenditure statement to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the Financial Records are free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the Financial Records and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the Financial Records are presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements in Australia, the Associations Incorporation Act (WA) and the WANFLUA's Constitution so as to present a view which is consistent with my understanding of its financial position and the result of its operation and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Liability limited by a Scheme approved under Professional Standards Legislation

As is common for organisations of this type it is not practical for the WANFLUA to maintain an effective system of internal control over subscriptions, functions, bar sales and other activities until their initial entry in the accounting records. Accordingly, my audit in relation to subscriptions, functions, bar sales and other activities was limited to the amounts recorded.

AUDIT OPINION

In my opinion, the Financial Records of The West Australian National Football League Umpires' Association (Inc.) for the period 1 January 2013 to 31 December 2013 exhibit a true and fair view of the financial position of The West Australian National Football League Umpires' Association (Inc.) for the period 1 January 2013 to 31 December 2013.
